The Reason Why

We have marked our goods at plain manufacturers' prices that we are going out of business. Our time here is limited and we are willing to dispose of our goods without a cent of profit as rapidly as we can employ help to wait on customers. Everybody who visits our store can see what goods cost and all must be sold at cost. Furniture, carpets, cooking and heating stoves, bedding at actual cost; many goods less than cost. Call early before the goods are gone. MANDEL & KLEIN.

NEWS FROM COUNCIL BLUFFS.

Democrats Gather and Have Their Annual Convention Equable.

TWO ENDS OF THE COUNTY ARRAYED.

Several Little Disputes Which Marred the Parliamentary Perfection of the Meeting—The Ticket Nominated.

The democrats of Pottawattamie county held their convention yesterday. By 11 o'clock, when the convention opened in the superior court room of the county court house, all the 105 delegates were on hand ready to begin.

S. B. Wadsworth called the meeting to order and presented the name of Fremont Benjamin for temporary chairman. He was elected by acclamation. Mr. Benjamin took his seat, and after he had made a short speech S. B. Wadsworth was appointed temporary secretary.

A committee on credentials was appointed, consisting of one member from each ward and each township, excepting where there were contesting delegations. The meeting then adjourned until 2 p. m., when it reconvened in the Broadway theater.

Just after the chairman had taken his seat Colonel A. T. Whittlesley presented a resolution authorizing the central committee of the various wards of the city to order a primary election in each ward on the occasion of every state and congressional election.

The report of the committee on credentials was then made. In making up its report the committee had done its best to eliminate the elements of discord by placing up a compromise between the warring factions in the First and Second wards. All the delegates were declared entitled to seats in the convention.

"A CHARGE TO KEEP."

First Baptist Church Has a Pastor Who is Not Resigned to His Fate.

There is trouble in the First Baptist church. There is no startlingly fresh news in such an announcement, for the course of the church for the last few years has been characterized by frequent jags and jolts. The present trouble is over the pastoral relationship. Certain members claim that it is advisable to have a change. They have no very serious complaints to make against the pastor, Rev. L. A. Hall, but they claim that he is too much of a minister, and in judgment and abundance in irritation. Those who think the time has come for a change secured about forty signatures to a formal call for a new pastor, to be held one week from next Monday evening for the avowed purpose of "considering the pastoral relationship." It is understood that the intent really is to take action to secure the pastor's resignation.

This call was read by the church clerk at last Sunday morning's service. The pastor followed it up by some choice bits of pulpit sarcasm, in which he used scriptural illustrations to make plain his meaning that this was a very serious matter. He said that he repeats itself, and that the present attempt was not so much a desire to get rid of the pastor as to get rid of the church.

The church had driven one pastor after another from the field, but he did not propose to be frightened away in any such manner. He closed the subject by saying that he would resign the by-law "A Charge to Keep."

Mr. Hall and his friends are preparing to meet the disaffected ones at a coming meeting. They claim to be in a majority, and that instead of deposing a pastor, the disturbers of the peace of Zion will be summarily thrown out of the church. As a result of this private conversation, "Just as soon as we toss this ballast overboard you will see the church go up just like a balloon."

His opponents declare the church is going up now, and it will be "clear gone" if some ballast is not done, if they try to get rid of him and less jags.

There is much bitterness of feeling, and the condition of affairs is somewhat embarrassing to those who desire the peace and prosperity of Zion.

A peculiar coincidence occurred on Tuesday, which is of interest in this connection. The Omaha Baptist association held its meeting at Hebron, Neb., Rev. Mr. Lamar has been assigned a place in the program to speak upon "The causes which justify the absence of the pastoral relationship and the influence of a minority." Rev. Mr. Lamar was unable to be present, and the subject was taken up by Rev. Mr. Hall took his place and his topic.

DREADFUL PSORIASIS.

Covering Entire Body with White Scales. Suffering Fearful.

Cured by Cuticura.

My disease (psoriasis) first broke out on my left cheek, spreading across my nose, and almost covering my face. It ran into my eyes, and the physician was afraid to touch me with his hands, and I spread all over my head, and my hair all fell out, until I was entirely bald-headed; and it broke out on my arms and shoulders; until my arms were just one sore. It covered my entire body, my face, head and shoulders being the worst. The white scales fell constantly from my head, shoulders and arms; the skin would thicken and be red and very itchy, and would crack and bleed if I touched it. After spending many hundreds of dollars, I was pronounced incurable. I heard of the CUTICURA Remedies, and after using two bottles I was cured.
