DR. C. GEE WO.

## The Great Chinese Panaceist

Wishes to give a few reasons why he is working such wonderful cures where other doctors fail. China has about half the population of the

globe. They have been practicing and perfecting medicine over 4,000 YEARS. Chung Nung (see Ency. Brit.) discovered seventy-two poisons and their antidotes 2,455 years before Christ, and Marco Pola, who brought the compass. Campini, one of the first Europeans who en-tered China, says: "Their physicians have a thorough knowledge of the nature of herbs and an admirable skill in diagnosing by the pulse." (See Willard's Middle Empire.)

It is well known that guspowder, steam and electricity are old in Uhina, and that the Chi-nese were printing their delicate books 900 years before Guttenberg was born.

But it was to medicine the Chinese gave But it was to medicine the Chinese gave their attention, and when the emperor Chin Wong ordered all the books to be burned he excepted the medical works, and it was only by the merest accident that the great works of Confucius himself were saved, he having placed a set of his works in the corner-stone of his residence, which was found 2,000 years after.

of his residence, which was found 2,000 years after.

The celebrated Dr. Hobson states that one of the Chinese dispensatories gives 142 HERBAL REMEDIES alone. Can you wonder then at the doctor's success?

The Caucasian physicians all use the very same Remedies and when you change doctors, in your disappointment and disgust, you merely change faces and assertions but not medicines. When an American doctor discovers a new remedy all the other doctors know about it immediately. Now, you know the Chinese Doctor comes from an almost unknown country, containing nearly half of the people of the world, where all the medicines are entirely different, and Dr. C. Gee Wooffers a reward of \$50,00 to any one who can duplicate any one of his Chinese Medicines. Do you now comprehend that after giving up all hope of being cured by your doctors, that in taking the Chinese Doctor's Remedies, 4,000 in number and absolutely unknown outside of China, that he has a wonderful advantage over all other physicians. His new remedies have never before entered your blood and act on it as iff by magic, curing the disease and rendering the complexion clear as a child's.

A MOTHER'S STORY.

I am 62 years of aye and have suffered inde-

on it as if by magic, curing the disease and rendering the complexion clear as a child's.

A MOTHER'S STORY.

I am 62 years of age and have suffered indescribable agony from asthma for many years. I could not sleep and had to sit up all night in a chair. I tried doctor after doctor but without help, and thought some night I would choke to death. As a last hope I tried Dr. C. Gee Wo, the Chinese doctor, and was relieved instantly. In a short time I was cured and have never since been troubled. I have reason to bless Dr. C. Gee Wo.—MRS. P. C. HIRSH, 2th St., bet. J & R. South Omaha. In order to convince the public that Dr. C. Gee Wo can cure any disease, he makes the following offer: A GUARANTEE to return the money if after a fair trial the patient is in any way dissatisfied with treatment. DR. C. GEE WO, 16th and California Streets. Office hours, 9 a. m. till 9 p. m. Call Sunday if you wish.

N. B. The Doctor has ready prepared the following eight remedies: Blood, Female Weakness. Rheumatism, Indigestion, Lost Manhood, Sick Headache, Catarrh, and Kidney and Liver Medicine. Price \$1.00.

ED. NEAL'S LAST HOPE GONE. Supreme Court Overrules His Motion for a New Trial.

Without Governor Thayer interferes, the murderer of Allan and Dorothy Jones must hang October 9.

The supreme court yesterday passed upon the case, and denied the application for a new hearing. The case was argued at the

last term, and the motion and the brief filed five weeks ago. The decision of the supreme court reached the city last night, but the news was not

broken to Neal until this morning. Shortly after 10 c'clock Sheriff Boyd received the official information regarding the decision, and at once proceeded to the jail. As he stopped into the corridor of the murderer's cell, Neal who was seated upon his deter's cell, Neal who was seated upon his iron bedstead, arose and advanced to the bars. He smiled in a sickly manner and asked, "Sheriff, have you heard anything!"
"Yes, Neal, and it is against you."
Neal thought a moment, turned partially around, gazed out of the grated window and remarked in an audible tone, "I did not expect anything eigo."

pect anything clae."

The news seemed to have a visible effect upon the man. A moment after the information was imparted he clenched his hands and turned pale. Then his face reddened, and leaning his elbow against the side of his cell, he buried his face in his hand and seemed in deep thought. This lasted but a short time, and after recovering his usual composure he chatted freely with the sheriff about the un-usually hot September weather and the effect that it would have upon the late corn.

A Printer's Experience with the Colle. Last winter while working at the case in the composing room of the Des Moines Leader, I was taken with the worst case of cramp or printer's colic, I had ever had. I tried everything in the shape of medicine generally used in such cases, but they afforded me no relief. I sent for a hack and was taken home. My wife sent immediately for a physician, who did everything in his power to relieve my suffering, but I grew worse and worse. I suffered intense pain for two nights and a day; at the end of that time the doctor told me that unless relief came within two hours, I would be a dead man. I would rather die than suffer again what I did during those thirty-six long hours. I was convinced that my time had come. I have been subject to cramps or printer's colic for years, but always before had little trouble in obtaining relief, and never lost a full day's work on account of it before. But this time the old medicine all seemed to have no more effect than so much water. A neighbor who was present when the doctor stated that relief must come soon or there could be no hope for me, volunteered to procure me a bottle of Chamberlain's Colic to procure me a bottle of Chamberlain's Colic Cholers and Diarrhoes Remedy. I made no objection—I would have taken anything on which I could hang the slightest hope. Fifteen minutes after I had taken the first dose I felt easier, and inside of half an hour all pain had left me. I was cured. Now I keep a bottle of both colic and cough medicine in the house all the time, and would not be without it. I can housetly and conwithout it. I can honestly and conscientiously recommend it.

An Old Timer. Mr. H. E. Vickers of San Francisco, is one of the old time traveling men, having been on the road since before the east and west were joined by the great continental railway lines. The following incident was related by him to a fellow traveler as one of the most important in his career. "Last summer I was troubled with cramping pains in the stomach and bowels for about four weeks to such an extent that I was unable to attend to business. I tried three doctors' prescrip-tions without receiving any relief and had just about come to the conclusion that the time had come for me to "pass in my chips," when my attention was called to Chamberlain's Colic, Cholera and Diarrhea Remedy. After using the Remedy for four days, I was as sound and well as ever and have not had any return of the complaint since. I believe it saved my life." 25 and 50 cent bottles for
