DR. C. GEE WO.

The Great Chinese Panaceist

Wishes to give a few reasons why he is work-ing such wonderful cares where other doctors fall.

China has about half the population of the globe. They have been practicing and perfecting medicine over 4.000 YEARS. Chung Nung (see Ency. Brit.) discovered seventy-two poisons and their antidotes 2.455 years before Christ, and Marco Pola, who brought the compass.

Campini, one of the first Europeans who en-tered China, says: "Their physicians have a thorough knowledge of the nature of herbs and an admirable skill in diagnosing by the pulse." (See Willard's Middle Empire.) It is well known that gunpowder, steam and

electricity are old in China, and that the Chinese were printing their delicate books 900 years before Guttenberg was born. But it was to medicine the Chinese gave but it was to medicine the Chinese gave their attention, and when the emperor Chin Wong ordered all the books to be burned he excepted the medical works, and it was only by the morest accident that the great works of Confucius himself were saved, he having placed a set of his works in the corner-stone of his residence, which was found 2,000 years after.

of his residence, which was found 2,000 years after.

The celebrated Dr. Hobson states that one of the Chinese disponsatories gives 1442 HERBAL REMEDIES alone. Can you wonder then at the doctor's success?

The Caucasian physicians all use the very same Remedies and when you change doctors. In your disappointment and disgust, you merely chance faces and assertions but not medicines. When an American doctor discovers a new remedy all the other doctors know about it immediately. Now, you know the Chinese Doctor comes from an almost unaknown country, containing nearly half of the people of the world, where all the medicines are entirely different, and Dr. C. Gee Wo offers a reward of \$500.00 to any one who can duplicate any one of his Chinese Medicines. Do you now comprehend that after giving up all hope of being cured by your doctors that in taking the Chinese Doctor's Remedies, 4,000 in number and absolutely unknown outside of China, that he has a wonderful advantace over all other physicians. His new remedies have never before entered your blood and set on it as if by magic, curing the disease and rendering the complexion clear as a child's.

A MOTHER'S STORY.

I am 62 years of aze and have suffered indescribable argony from asthms for many years.

rendering the complexion clear as a child's.

I am 62 years of age and have suffered indescribable agony from asthma for many years. I could not sleep and had to sit up all night in a chair. I tried doctor after doctor but without help, and thought some night I would choke to death. As a last hope I tried Dr. C. Gee Wo, the Chinese doctor, and was relieved instantly. In a short time I was cured and have never since been troubled. I have reason to biess Dr. C. Gee Wo.—MRS. P. O. HIRSH, 24th St., bet. J & R. South Omaha. In order to convince the public that Dr. C. Gee Wo can cure any disease, he makes the following offer: A GUARANTEE to return the money if after a fair trial the patient is in any way dissatisfied with treatment. DR. C. UNION PACIFIC CONDUCTORS.

In Star Chamber Session They Discuss Some Important Matters. The annual meeting of the conductors of the Union Pacific system is being held at the Hotel Casey. There are thirteen divisions of

the system represented. The utmost secrecy is observed concerning all the movements of the delegates. They go to the place of meeting singly and in twos, and have even gone so far as to remove all badges and insignia of the order. When any of the delegates are approached by a newspaper man they reply to all questions by a vacant stare or a surly refusal to impart uny in-

Matters of considerable importance to the nen and the company are under consideration and a disturbance which has been browing for some time is likely to result in an open storm at any time. Matters have been unsatisfactory for some time on some of the di-visions of the system, according to the ideas of the rien, and they have been considering the advisability of bringing affairs to a crisis. The meeting was in close session ail

day long, and will continue today.

Among the matters under consideration is the appointment of a committee provided for by the new constitution adopted last June at the meeting of the grand division held at St. Louis. This committee will be in the nature of a grievance committee, but with functions of a slightly different nature from those formerly obtaining.

The Spring Medicine.

The popularity which Hood's Sarsaparilla has gained as a spring medicine is wonderful. It possesses just those elements of health-giving, blood-puritying and appetite-restoring which every body seems to need at this season. Do not continue in a dull, tired, unsatisfactory condition when you may be so much benefited by Hood's Sarsaparilla. It purifies the blood and makes the weak strong.
