Chilian Come Down from Their High Horse and Talk Less Wraty.

MONTE WILL BE HER NEXT PRESIDENT.

English Influence at Work Trying to Stir Up Strife—Haired for Americans Does Not Exist to a Great Extent.

VALPARAISO, Nov. 5.—As we announced a few days ago in these dispatches, the liberal party in Chili was sweeping victory in the recent elections and this fact makes the election of the liberal president a foregone conclusion.

It is stated that the selection of Admiral Montt is not only approved by the entire liberal party, but that the leading members of the other parties acquiesce in it, believing that it will tend to consolidate the best interests of the country.

ESCAPED ASSASSINATION.

The Adherents of Balmaceda in Chile Had Planned a Murder.

VALPARAISO, Chile, (via Galveston, Tex.), Nov. 5.—[By Mexican Cable to the Herald—Special to The Bee.]—The discovery of a plot to assassinate Colonel Canto created great excitement here today.

The steamer Itata arrived at Valparaiso today and her officers and crew were most heartily received by the populace. Many people visited the water front to get a sight of the famous ship.

Admiral Montt is extremely popular with all classes and his selection is hailed with satisfaction on all sides.

It was also stated that the selection of Admiral Montt is not only approved by the entire liberal party, but that the leading members of the other parties acquiesce in it.

CHILIAN FEELING TOWARD AMERICA.

Said Not to Be Unfriendly to Egan Is Severely Criticized.

PARIS, Nov. 5.—[New York Herald Cable—Special to The Bee.]—Seeing the large discussion in political circles regarding the actual feeling of the Chilean people in the present crisis, a call was yesterday made in the Herald's name upon Senator Augustus Matte, minister of Chile to the republic of France.

While entirely unwilling to broach the subject of politics, Senator Matte said that if the general opinion of the Chilean people could in any way throw up any of the troubled waters he was willing to speak.

There has been a good deal of conversation in our club about the late riots, and there is not one opinion about them, that the importance of the trouble is greatly exaggerated.

It is about the quantity nature allows to an adult person, 18 a of the utmost importance that the blood should be kept as pure as possible. By the remarkable cures of scrofula, salt, rheum, etc., Hood's Sarsaparilla has proven its claim to be the best blood purifier.

For a general family cathartic we confidently recommend Hood's Pills. They should be in every home medicine chest.
