DEEP WATER AT VELASCO.

A Great City Destined to Grow Up at the Mouth of the Brazos. EXTENSIVE WHARVES BEING CONSTRUCTED. Railway Connections Now Completed with the Entire Texas System and Velasco the Largest and Best Harbor in America.

The obtaining of deep water at the mouth of the Brazos on the coast of Texas is an event of no small importance. A private company, with private capital, and without government aid, has constructed a system of jetties and obtained deep water across the bar capable of floating vessels drawing eighteen feet of water.
