

THE GREATEST MARK DOWN SALE EVER KNOWN.

Closing Out One Hundred Thousand Dollars Worth of Merchandise,

At About One-Third Original Prices.

THE LIST OF BARGAINS

which we shall place on sale, commencing Monday. Sale will continue until all the articles are sold. Some of these goods have been slow sellers at the regular prices. In other words they have been slighted by our customers. And as a consequence here, they are with the original prices disfigured beyond recognition.

In many instances there is but one item in stock and this is the only cause for reduction, as we desire to clean out all the "one only's," therefore, do not be disappointed if the "one only" you want is gone when you come, but immediately look up one of the other bargains in the list, for each is a gift. The material and finish is A No. 1, and absolutely reliable. These goods will not be taken back or exchanged. Mail, telegraph or telephone orders cannot be considered until Tuesday a. m. Customers coming in person to the store Monday, having the preference. The sale will last the entire week.

SPECIAL! SPECIAL! In order to make this sale doubly attractive, we have decided to mark down goods in every department. Call at once if you want bargains.
