

AN INIQUITOUS COMBINE.

Strenuous Efforts of the Bamboozling Medicine Trust TO CHECK OFF COMPETITION. W. R. Bennett Co. Stands Between the People and the Grasping Monopoly, Saying: "Thus Far and No Further."

The following is an extract from a speech delivered at the recent Louisville meeting of manufacturers, jobbers and retailers, which was held to devise ways and means to prevent cutting in the drug business: "The retailers are now in arms and ready to assist the proprietor... Why is he a bad man? Prices are cut and slashed in the grocery business; in the clothing business; in the goods business and in every other line of merchandising. What law, then, is there of commerce or logic, to prevent the dealer in drugs and medicines from boldly entering the arena and drawing and cutting in the same power of price? If there is any line of goods on the green footstool of the Almighty which should be sold at the lowest possible margin of profit, that line is drugs. The use of medicines is prima facie evidence of pain, which is a power of what is that suffering in comparison with the anguish often experienced by those who have loved, one whom they see hourly drawing nearer to death's door for the want of high-priced remedies which their means cannot supply, but which if the truth were known probably cost the druggist a mere pittance? We say that it is a crying and burning shame on the people of this progressive age that the specifics for "every disease that flesh is heir to," which an all-wise providence has scattered over the broad expanse of the earth should be controlled by a grasping trust and that every attempt to supply these necessities at a fair price should be met with the most strenuous opposition. Will you do your duty and assist in breaking this iniquitous combine or will you help to make your fellow sufferers heavier? The choice lies with you. We have as complete a line of drugs as is to be found in any drug store in Omaha. Retail druggists, or physicians who have their office rent paid by said druggists, may tell you that our goods are of low quality, or that they are not fresh. We GUARANTEE EVERY PARTICLE OF MEDICINE IN OUR DISPENSARY TO BE OF THE VERY HIGHEST QUALITY THAT THE MARKETS OF THE WORLD AFFORD. We WARRANT FRESHNESS AND WHOLESOME AND INVOLUNTARILY OF OUR GOODS BY COMPETENT AUTHORITY and welcome comparison with those of any other store. The senior member of our firm followed the drug business for twenty-five years and two registered pharmacists constantly on duty in this department, they have held positions in leading stores in this and other cities, and they must be competent or the Nebraska State Board of Pharmacy would not have issued certificates to them. We sell our goods as cheap as not half so cheap as we fill prescriptions. Try us once. Bring us one you've had filled some place else. We'll make you a price that will open your eyes. Just to show you how cheap patent medicines can be sold and still not be sold below cost, we'll sell...

FOR MONDAY ONLY Hood's Sarsaparilla 6c. Hood's Nerve 6c. Hood's Hair 6c. Hood's Capline Plasters 17c. Hood's Pills 15c. Scott's Emulsion 6c. Warner's Safe K. and L. Cure, 93c. These prices are for Monday only, but these goods are of the best patent medicine made will be always found in our drug and prescription department at a discount from the regular price of about 25c on the dollar.

SLASHING GROCERIES. Monday morning a terrible slaughter of prices all over our grocery department. Everything goes away down to bed rock, "and not for a day but for all time." For years we've led the grocery procession in Omaha, and we propose to stay in the van. No matter where you're buying your groceries, or what you're paying for them, you can henceforth buy them cheaper at Bennett's. We absolutely guarantee this, and you lose money if you buy one dollar's worth of goods at this time, without first getting our prices. Come in Monday and see.

We're going to sell children's rubbers for 5 cents again Monday in our shoe department. Watch the papers for some surprises. Don't forget our big stock of holiday goods. W. R. BENNETT CO.

Great Dress Goods, Also Great Time Sale Tomorrow. GREAT BARGAINS EVERY HOUR. Wonderful Bargains for All Day—Bargains Upon Bargains Piled Up for Monday—Lace Curtain Sale.

Besides our time sale Monday we shall inaugurate the greatest sale of dress goods ever held in Omaha. We are not going to carry any dress goods over, and in consequence for all day Monday we shall offer dress goods at nearly one-half actual price. Before naming the prices on our dress goods we will give you the items for our time sale. Between the hours of 8 and 9 o'clock Monday we shall offer 10,000 yards of lining cambrie at 1c a yard. These linings have been wet, but are not damaged in the least. Between the hours of 9 and 10 we shall offer your choice of any untrimmed suit or over blouse for 25c. Remember that we carry the largest line of felt hats carried by any house in Omaha and have the very finest qualities. In fact, we have untrimmed hats as high as \$3.00 each, but no matter what the price, we will sell them on Monday at 25c. They will be found in the rear of the first floor. Between the hours of 10 and 11. We shall offer 2,000 yards of black silk. Some of them have little colored patterns. We bought them of J. V. Farwell Co. in Chicago for 25c on \$1.00, as they were remnants. There are from 5 to 20 yards in a piece, and are worth \$1.50 per yard. They go between the hours of 10 and 11 Monday, at 30c a yard. Between the hours of 11 and 12. We shall offer 3,000 fancy plush and silk tassels and ornaments, worth 5c, 7c, and 10c each, at 1c.

Between the hours of 12 and 1. We shall offer 2,000 yards of calico that has been wet at 1c a yard. Between the hours of 1 and 2. We shall offer Corticelli spool silk, in black and all colors at 5c a spool. These are 100-yard spools. This is a great bargain for dressmakers. Between the hours of 2 and 3. We offer 5,000 yards of silk velvets at 60c a yard. These velvets are put on sale once more by special request, as there has been 50 of our customers asked for them, and we had them simply on a special order. Some of them are worth less than \$2.00 a yard, and up as high as \$3.00. Between the hours of 3 and 4. We offer 3,000 yards of double width sheeting, 54 inches wide, made of the best bleached muslin, worth 12c a yard. For one hour our price will be 5c. We shall limit 10 yards to a customer. Between the hours of 4 and 5. We offer one of the greatest bargains that has been on sale since we began our time sale. Your choice of any corset in our house for 75c. The P. D. and all other celebrated makes go at this price. Between the hours of 5 and 6. We offer 50 dozen towels that we have been selling at 50c, for just one-half price, 25c. SPECIAL NOTICE. Owing to our inability to wait on the trade of our great ribbon sale yesterday, we shall continue the same on Monday. All ribbons are one-fourth price, and some of them a great deal less than that. There is not a yard of cotton ribbon in the lot, at prices from 1c per yard up.

DRESS GOODS SALE. Our entire stock of dress goods on sale Monday at prices that are unheard of in the history of Omaha dry goods trade. Double width Henrietta goes for 10c a yard. \$1.00 Henrietta goes for 49c a yard. \$1.50 Henrietta goes for 75c a yard. In fact, everything in our dress goods stock is going for pretty near one-half value. All our remnants will go at same ratio. There will be big bargains all over the store in different classes of goods. We shall give one-third off the marked price on lace curtains. This will bring them down to less than their actual cost.
