VERY LOUD TALKERS.

Goods and Prices at Bennett's Wholesale Fairly Cheap. IRRESISTIBLE BARGAINS FOR MONDAY. We've Never Carried Holiday Goods Over, nor Do We Propose to Carry Any Over from This Year. Therefore, from now until Christmas we'll make prices on dolls, toys and holiday goods of every description which will fairly make your breathless. We realize that the large business we've done this year is due as much to the fact that all our goods are new and fresh as it is to the exceedingly low prices we've sold everything at. That being the case, we are determined not to carry over one single article from our big holiday stock. Everything must go at some price and cost won't cut much of a figure in the case. No matter how many friends and relatives you may have, or how limited may be your means, you can afford to make them all presents at the prices we'll make from now on. Remember EVERYTHING MUST GO. We have a large line of skates, boys' and girls' sleds and iron toys of every description at about one-half former prices. They make elegant and acceptable presents. Three piece bed room suits from \$12.75. THAT PRESCRIPTION. You paid 50c for having it filled the other day, didn't you? Get a copy of it at Bennett's registered pharmacy. It will cost you 25 cents. We handle only the very highest class of drugs and chemicals that money can buy. EVERYTHING GUARANTEED ABSOLUTELY PURE AND FRESH. All our preparations compounded by experienced druggists who have been examined by the Nebraska State Board of Pharmacy and pronounced by that body to be fully competent to compound and dispense the prescriptions of physicians. We sell in this department, strictly for medicinal use, imported and domestic whiskeys, brandies, wines and in fact every kind of liquor made. WHO'LL BE THE NEXT dealer in deomargarine to be caught violating the law by Uncle Sam's detectives? The government keeps a close eye on the "oieo" business as on any other public evil. Dealers in this sort of adulteration are being compelled to keep their licenses posted in their place of business. Look around in the store where you've been buying and see if your dealer has a license. That may account for the vile butter you've been getting. We sell nearly 2,500 pounds of pure, fresh country butter every day at a lower price than other charge for "oieo" or for old, stale farmer's goods. W. R. BENNETT CO. CHRISTMAS FOR THE "KIDS."

Arrangements Which the Co-operative Charities Are Making. The Association of Co-operative Charities held a short session at the Commercial National bank yesterday afternoon. Mr. A. P. Hopkins, Rev. W. J. Bronch, Rev. Charles W. Savidge, Rev. W. J. Harsha and Rev. A. W. Clark were present. It was decided to make an effort to give an entertainment on Friday, December 25, at some large and commodious hall for the special benefit of the poor children. In case the committee succeeds in getting enough candy and sweetmeats donated by leading wholesale and retail merchants, a general distribution of candies and fruits will be made at the entertainment hall. Harsha are members of the soliciting committee. Rev. Savidge says that the candy will be donated. He believes the Lord wants the poor children to have a joyous Christmas, and He will persuade the merchants of Omaha to donate the candy. Rev. Savidge says the merchants may just as well roll out a few barrels of candy and mark them "For the Poor," for he is going to stay with them until Christmas. The substantial need is to come in quite satisfactory and a great distribution of good things will be made on Christmas day. The executive board of the association will meet again on Monday at 4 p. m. The canvassers sent out to look for poor and destitute people yesterday morning found some families on the point of starvation and a great many in abject need. The great necessity of systematic and thorough work for the relief of the poor was never so fully understood as since the beginning of this canvass. Mr. Furnas has also sent a sample of cotton seed and of plants, which were also raised by him in Nebraska. Police Court Notes. Do You Want a New Stomach? If you do, go to it in the proper way. At the Beck Gold Cure Institute at Blair, Neb., where drunkenness and the liquor habit is permanently cured the treatment is so complete that not only the blood is cleansed, but the stomach is healed and placed in a healthy condition. Men who have not been able to eat a breakfast for years have been cured and now enjoy three hearty meals. Any man who really wants to quit drinking liquor can be cured. Men have been cured at the Beck Gold Cure Institute who at first appeared to be hopeless cases. If you have a friend whom you desire to rescue, bring him and he will return to you three weeks later virtually another person. The treatment not only destroys the desire or appetite for liquor, but braces up the system. One undergoes a complete physical change. There is no particular pain attached to the cure, and there is no danger whatever connected with the treatment. The cost of a cure is \$50.00. There is no better or safer cure for alcoholism in existence. Graduates are daily attesting to the wonderful merits of the Beck Gold Cure, and the success of the company has been great.
