COUNTY COMMISSIONERS.

Work Looked After at the Regular Session Yesterday. At the regular meeting of the Board of County Commissioners held yesterday afternoon J. P. Hanger was appointed road supervisor of Waterloo precinct to fill

County Hospital Superintendent Mahoney in a communication stated that he had been signing the name of Commissioner Van Camp to all orders for supplies for the poor and asked for instructions from the board for his future guidance, in view of the fact that the committees had been changed. The matter was referred to the committee on charity and the superintendent directed to discontinue the use of Mr. Van Camp's name. Mahoney also sent in a doubble parreled communication, asking the commissioners to make provision for supplying see to the poor farm and inviting the board to visit the poor farm in a body during the coming week. The first part was referred to the committee on poor farm

with power to act. The county clerk called the attention of the board to the provision of the statutes re-quiring the clerk to keep check account on the treasurer's accounts and requested in structions as to the wishes of the board, stating that to comply with the law would require the establishment of another depart-ment in the clerk's office and necessitate an

increased expenditure. The matter was re-ferred to the judiciary committee. The county treasurer was authorized to employ an extra clerk at a salary of \$100 per month, for the purpose of bringing certain work in the office up to date. Mr. Van Camp stated that the work was some which had been allowed to fall behind during Treasurer Boiln's time. There was no provision made for paying the cierk, although the question was raised by Mr. Berlin as to who was responsible for the payment. Major Paddock, chairman of the committee

on finance, reported on the communication of the Real Estate Owners' association on unnecessary employes on the county pay roll. He said the committee was unaui mously of the opinion that the sorvices of Barney Gordon and Pat Burke, employes in the auditor's office, might be dispensed with after January 31, and so recommended. The recommendation was adopted unanimously. The committee found that the advertising for printing and supplies was defective and directed that other bids be advertised for.

Changes asked for in the county court com and the court room accupied by Judge Kersor were ordered.

Major Paddock read a lengthy petition from W. J. Connell, in which he urged the necessity of opening the streets through Douglas place eastward to Hanscom park. A majority of the finance committee recommended that the matter be referred to the mayor and city council as the commissioners

had no authority to open streets in the city imits. The report was adopted.
The county clerk was directed to advertise for bids for furnishing supplies, etc.

The county clerk was directed to take an inventory of stock in all county offices and take a receipt therefor from the officer in charge and to open up an account with each officer and to keep a record of all supplies issued to each officer.

Clau Gordon's Celebration. Clap Gordon No. 68, Order of Scottish lans, will give its second annual concert at Washington hall tomorrow evening in celebratios of the 133d anniversary of the birth of Robert Burus. Since the organization of the association five years ago it has been the custom to intensify the pleasures of these social meetings with a banquet, at which the wives and daughters of the members were also present. At a meeting yesterday afternoon, however, tuls customary feature was wanting. It was not because the banquet has become unpopular nor that interest in the meetings is on the wane, as on the contrary these meetings and their attendant festivities are yearly becoming dearer to the

veteran Masonic heart. The change in the program was due to the fact that many of the members had sent word that they would be unable to be present, and advising that the banquet be postnoned until a later period. As it was, about twenty-five of the members were present, and enjoyed the social features of the meeting.
The association has a membership of 110,

all of whom are residents of the state, and about one fifth of them are residents of Omaha. To become eligible it is necessary to have been a Master Mason twenty-one years, and some of the members have been such for more than twice that period. To make up for the postponed features and lack of attendance vesterday, a special meeting will be held in Lincoln in April, at which a large percentage of the members will undoubtedly be present. The regular semi-annual meeting will be held in this city in July.

The stockholders of the Masonic temple building recently held their annual meeting and elected six directors in the temple craft in the place of six whose term had expired. The following gentlemen were elected for The following gentlemen were elected for the term of two years: L. M. Anderson, Victor Musselman, Lewis M. Rheem, W. G. Selvers, Thomas K. Sudborough and Henry C. Akin. On Wednesday evening last the directors met and elected the following officers: Henry C. Akin, president; Gustave Anderson, vice president; Frea J. Borthwick, secretary; L. M. Anderson, treasurer. The nobles of Tangler temple, Arabic Order of Nobles of the Mystic Shrine, of this city met Friday evening and installed the Order of Nobics of the Mystic Shrine, of this city met Friday evening and installed the newly elected officers with all the forms and ceremonies of the order. The following is the divan for 1892: Henry C. Akin, potentate; Joseph R. Stafford, chief rabban; Thomas K. Sudborough, assistant rabban; Leverett M. Anderson, high priest; Thomas Batterton, oriental guide; James S. France, treasurer; Alexander G. Ridling, recorder; Charles S. Huntington, first ceremonial master; John T. Ciarke, second ceremonial master; Henry C. Crumb, marshai; James Gilbert, captain of guard; Henry Newell, outer guard; Lewis M. Rheem, director; Joseph

guard; Lewis M. Rheem, director; Joseph P. Barton, musical director. The following gentlemen were elected representatives to the supreme council of the order which meets in Omaha, August 18 of next year: Gustavo Anderson, Henry C. Akin and Richard Smith. It is expected that this will be one of the most important Masonic events that ever happened in Omaha. The triennial conclave of Knights Templar meets in Denver about the middle of August, and immediately after adjournment such of them as are Nobles of the Mystic Shrine will come to Omaha, where a two days' session will be heid. No pains or expense will be spared by the nobles of this city to make the entertainment as fine as money and effort can make it. Omaha has nn excellent reputation for her generous en-tertainment and the nooles do not intend

that her fame shall suffer in this case. The installation of the following officers of Blair lodge No. 14, Independent Order of Odd Fellows, took place last Thursday night:
Noble grand, J. S. Roberts; vice grand,
Joseph S. Cook; secretary, S. E. Kemp;
treasurer, H. W. Larson; warden. Theodore
Murray; inside guardian, F. L. Parish.
About twenty-five of the members, together with about twenty from I remont, will go to Tekamah next Wednesday evening on a fra ernal visit. The Fremont team will do work for the Tekamah lodge. The Blair lodge is getting very strong. The burning of its hall in December caused a great loss, as all its valuable records were destroyed. It will build a good brick hall early in the spring. As noted at the time, the Beatrice Starch company made large sales of their product in Omaha. It will not do, however, to let this matter stop here, but consumers must now do their part by buying Nebraska starch of the dealers, which will encourage those who put in a stock to buy more, and will also force other dealers to buy. By doing this consumers will be keeping their meney in the state where it will be likely to find its way back to Omaha again, but even 115 should not it will help to develon the resources of the state and the prosperity of Nebraska is the prosperity of Omaha. every consumer masst upon being supplied with Nebraska starch.
