TO INVESTORS—WE DESIRE TO CALL YOU'R Intention to the fact that we are making a specialty of the sale of large acre tracts immediately surrounding this city. We believe acre property close to Omaha. at present prices is the best investment now on the market, and we are certain no other western city offers as sure and rapid a growth as Omaha.

Omaha's population in 1880 was 30.518.

And U. S. census of 1800 shows 140.452.

An increase of over 380 per cent greater than any other large city in the United States.

Ter or twenty thousand dollars invested in a twenty or forty acre tract on the outskirts of this city boday must necessarily increase very rapidly in value within the next low years for a non-resident it is the safest kind of an investment easy to look after, no worry, no city taxes; cannot be stolen or carried off, and the steady and rapid growth of this city is absolutely certain to enhance the value of the property from 3 to 680 per cent.

We have placed to our bands for sale, recently several large tracts immediately adjacent to this city that are so located as regards receiving like benefit of Omahas future growth and improvements that they offer a spinnid opportunity for a first class investment.

This reconstry has been in the hands of the present owners for over twenty years, until the city has grown up close to it, and we are authorized to offer the same for sale at figures that will enable the buyer to realize a big profit on the investment.

If you wish to make a purchase of this kind, we

ment.

If you wish to make a purchase of this kind, we will be glad to have you call and see us. George N. Hicks, 355 New York Life building. POR SALE ON EASY TERMS FOR \$2,500. 7

NOTHING IS BETTER than the best; it is what you pay for, and expect to have. Take railways, for instance; the best line to Chicago and the East is the Burlington Route; it has the best sleeping cars, the best reclining chair cars, the best dining cars, the best road-bed, and the metropolitan system of checking baggage direct from one's residence or hotel, which was inaugurated three years ago, is the best. Everything in connection with the Burlington Route is of the best, than which nothing can be better.
