AFFAIRS AT SOUTH OMAHA Fifteen-Year-Old Annie Matthews of Lincoln Rescued by Her Mother.

SHE WAS HELD IN A LOW RESORT

Enticed from Home by Fair Promises and Left to a Life of Sin-Burglars and Sneak Thieves at Work in the City.

Another edition of a very old story turned up in this city yesterday. A young girl, trusting in the promises of an unprincipled man, abandoned a pleasant home and was rescued by her friends from a life of shame. Mrs. J. B. Matthews of Lincoln arrived hero yesterday noon, accompanied by her brother, and sought the aid of Chief of Police Brennan in recovering her 15-year-old daughter Annie, who had disappeared some days before.

She had heard that Annie had been seen in South Omana and the police were not long in finding her. She was at the New York cigar store, a disreputable dive on Twentyseventh street, heartily sick of the scenes she came in contact with and ready to return with her mother. She said that she had been induced to come to South Omaha by a man who promised to get her a good posi-tion. He brought her to the Twenty seventh street bagnio and left her to ner fate. She had no idea of what awaited her when she left home, but was too young to know how to extricate herself from her painful position until her mother arrived.

This is the second time within a week that an affair of this kind has occured at the New York cigar store. Saturday night a married woman of respectability was drugged and carried into the give. Yesterday a 15year-old girl was the victim.

BAFFLED THIEVES.

Burglars Frightened Away and Sneaks Outwitted.

The festive burglar is becoming rather numerous in South Omaha lately. About 2 p'clock yesterday morning an attempt was made to break into Yost's jewelry store on N street. One man stood on the opposite side of the street and kept an eye out for the police while two more climbed to the roof and attempted to force the bars from the was awakened and the would-be-burglars took to their heels. None of them were

recognized. Yesterday afternoon a bold attempt was mode to rob the till in Tom Ellison'; meat market at Twenty-ninth and Q streets. A stranger entered and asked Mr. Ellison if he had any chickens to sell, and on his answering in the affirmative they went out to look at them. Ellison thought the man was up to some trick, and as he passed out he told a boy who was playing marbles on the corner to watch and if anyone entered the store to call him. Ellison had hardly turned his back when a man who had been waiting until his confederate got Ellison out of the shop, rushed in and tried to open the till. The boy had his eye on him, however, and called to Ellison, when both the thieves ran down Q street before they could be detained.

Hammond's Officials Present.

J. B. Lyman, general manager, and Georgo H. Hotchkiss, director, of the George H. Hammond company are in the city. President Comstock is indisposed after his ocean voyage and has not yet arrived. The com-pany is hesitating whether to erect its new aildings to the south of the old ones or to build north towards the stock vards. The matter will be decided when Mr. Comstock arrives.

Bruno Tzschuck, Jr., Temporarily Crazed, Puts a Bullet in His Brain.

In a fit of temporary iosanity, Bruno Tischuck, jr., committed suicide at 1 o'clock yesterday afternoon. Shortly before that time some teamsters

and workingmen about the Willow Springs distillery noticed a rather well aressed man pass through the yards and into a large ea-closure near the river bank. For a few minutes he was seen sitting there on a bank of cinders, when the report of a pistol was heard and the man fell over

backwards. The drayman rushed to the spot to find the man dead, with the brains cozing from a clean-cut bullet hole in the forehead and with the smoking revolver still clasped n his hands. No one could identify the body and the po

lice were summoned. A search of his pockets revealed papers which indicated that he was in the habit of handling large sums of money. though no indications of his name or address though no indications of his name or address were found except the initials "B. T." on his shirt and "B. T., jr." in his hard felt hat. He wore a dark suit of clothes, a brown overcoat and a black derby hat. An opal ring was found on the third finger of his right hand. He had about \$5 in money in his pocket and a bundle of the business cards of J. C. Hoffmavr & Co., manufacturers of flour, in his pocket. The greatest surprise was expressed by the

four firm when informed of the occurrence, though they stated that Mr. Tzschuck had been very despondent over sickness for some

time past. The body was taken to the morgue in the patrol wagon and there identified as that of Bruno Tzschuck, jr.

Result of the Inquest.

Coroner Maul held an inquest on the body of Bruno Tzschuck, jr., at So'clock last even-ing. Hildebrand and Patterson, the team-sters who discovered the body, told their story to the jury, and their statements were substantially the same as printed in The EVENING BEE. Louis Heller, an intimate friend of the deceased, was placed upon the witness stand and described Mr. Tzschuck's extremely nervous condition yesterday forenoon and said that he was satisfied that his friend's mind was deranged at the time. This was all the testimony introduced and the jury brought in a verdict of suicide while suffering great pain and while temporarily
