### Quick Time to the East.

Under the schedule, which recently went into effect on the Chicago & Northwestern Ry., passengers can leave the Union Pacific depot, Omaha, daily at 0:15 p. m. and arrive at Chicago at 11:59 o'clock the next morning. This arrangement reduces the time to

Chicago two hours, and also affords con-nection with all of the fast limited trains for the east, and the journey to New York, Boston and other eastern cities may now be made in several hours quicker than ever before.

In addition to this service the after-noon "flyer" via the Chicago & North-western Ry. leaves the U. P. depot daily at 5 p. m. and arrives at Chicago at 8:15 the next morning. Both of the above mentioned trains

are vestibuled throughout and are equipped with Wagner and Pullman electers, free reclining chair cars and "Northwestern" dining cars. Baggage checked from residence and

through sleeping car berths reserved. City office, 1401 Farnam street. R. R. RITCHIE, General Agent. G. F. WEST, C. P. & T. A.

etc., contained in the store at 13th and Farnam must be sold out at once regardless of cost. Monday morning the store will be reopened and the sale will continue from day to day until all the

stock is closed out.
