Remember, you can order goods by mail and be as well served as though you visited our store. We have but one price for all, and we defy anyone ever to cite an instance where a mail order customer has been charged more than is paid by customers who visit our store. No fear that your goods will not reach you in first class condition. We saw our furniture in barrels, and still same with explosion, so that they reach you in perfect condition—far better, in fact, than goods received by your dealer, as this is shipped by open freight. Send to us for pieces of wood showing different styles of finishes. Send to us for samples of upholstery goods. Send to us for anything you want. Remember "The People's" sells more goods in each of its numerous departments than is sold in any store in the west which carries but one line of goods.

Goods sold on our partial payment plan anywhere this side of the Pacific Ocean. One-third, one-fourth, or one-fifth down, balance monthly. One price to all.
