COMING FAST ON THE STRETCH

Omaha Strikes Her Second Wind and is Going After the Leaders Again.

SECOND GAME WON BY HARD BATTING

Chartey Dewald Gets a Dose of the Same Medicine Served to Dad Clarke-Columbus, Minneapolis and Milwaukee Are Also Winners.

FTER ALL WE may get a place in the race. Omaha took her fourth game from Toledo yesterday afternoon, and took it without turning a hair.

The usual Sunday crowd was outthree thousand or thereabouts - and they were out for the stoff and got it. The Parson worked hard for his team, but

it was love's labor lost. The Rustlers began the trouble in the very first inning, and never let up until they had the game Charlie Dewald was in the box for the

Pirates. He was sorely handicapped by a lame thumb and uncle's children dallied with him at will.

Fourteen corking hits and eleven runs was

On the other hand Mr. Darby, from California, kept the Ohioans guessing, and while they succeeded in meeting him safe eight times, he kept their hits scattered in such a manner that they might as well not have been made

Of their five runs not a single one was

Was a Very Lively Tussle.

The game, however, thstanding its lopsideness, was lively and entertaining from start to finish, and the big crowd cheerfully sat it out until the twenty-seventh frog merchant rolled a little lazy one down to Gilks and was thrown out at first.

McQuaid's umpiring was a brilliant feature of the contest, not one of his decisions, and there was a half dozen mighty close ones, being questioned by either side.

His work has been the best ever seen on

the Omaha grounds, not overlooking the ex-ploits of Gaffney, the king.

Eddie Haves caught another giorious game, backstopping, throwing, hitting and scoring as though he was brought up on just

scoring as though he was brought up on just that kind of gruel.

Vickery made the star play of the afternoon on a long fly from Nicholson's club. He ran for and got under it nicely, but just as he was about to clasp the descending sphere the greensward flew up and smashed him in the mug.

It was a funny fall and the crowd didn't get over it all the afternoon.

The cranks can make up their minds that the Omahas have again struck their gait. They are hitting harder than ever before, running bases like quarter horses, and fielding out of sight. They have taken a big brace and should be encouraged by the most

brace and should be encouraged by the mos liberal patronage. Uncle says he'll make i three straight this afternoon and then come Columbus. If he beats the Buckeyes two out of three he can have Box Butte county for a little farm all by himself.

That's right; Pil give it to him myself.

Last of the Pirates, The Omahas and the Toledos will close

their third series at Sportsman's park this afternoon, and all those who desire to see a rattling, snappy contest should not fail to be on hand. The Toledos feel very sore over their two defeats and will make a big effort to reverse things this afternoon. Dad Clarke will leave the same and the documents. will try it again, and if he don't win he says he'il jump off the bridge. The prospects are that Dad will have to make the jump, for the way Uncle's gang are claying ball just now the Frogskinners have no license to win once in a month from them. Plattsmouth Gives Fremont Two Very Artistic Drubbings. PLATTSMOUTH, Neb., June 5 .- | Specia relegram to THE BEE.]-Revenge is sweet, but not any too sweet for our long suffering boys, who, under the new management, ad ministered two consecutive defeats to the ex-Baker freaks. The first game started with old Jack Reeves in the box and he proceeded to show the visitors and enthusiastic audience how to pitch, and be succeeded, and if it had not been for Mr. Marsh, who succeeded in getting a lucky hit for a four bagger, and a couple of rank errors in the field he would have shut the visitors aut completely. Kimhave shut the visitors out completely. Kim-mel retired in disgrace in the third, the boys mel retired in disgrace in the third, the boys baving slugged bim for six singles, four doubles in succession and a home run. Purcell took his place, and succeeded but little better. Perrine took the boys in the second game, and he too played havoc among the ranks of the crest-fallen fremontess. And what between he and the heavy hitting of our boys at the end of the game, the score looked like this:

AMONG THE AMATEURS.

The Haydens in Form. The Haydens braced up yesterday and howed the Nonpareils a trick or two. They had on their batting clothes and pounded Mr. Jellen all over the park. Creighton's catching and batting was a feature of the Haydens' play, as was also "Kid" Bowles' double play from right field to first. Carrigan, who bucked against his own team, distinguished himself at second for the Nonpareils. It is safe to say the Haydens will be a dangerous team to run against hereafter. Blair, Neb., June 5.—[Special Telegram to The Brr.]—The N. B. Falconer team defeated the Blair boys here today. Blair was rather handicapped, as two of the best players did not play. Walton, the first baseman, felt above playing in a game with a colored man. The principal feature of the game was the errors made on both sides, Brott pitched a good game and struck out sixteen men, but had no support in the field or behind the bat. Bailey had two errors and three passed balls, which counted five scores. In fact he lost the game for the home team. Score:

Fuller and C. J. Langdon at the Omaha rifle range just over the Douglas street bridge. The contest resulted in Fuller being victorious by making four more points out of a possible 100 than did his opponent. The match was for \$50 a side at a ten ring target at a distance of 200 yards. The attendance from both Omaha and Council Bluffs was good and both men had warm supporters, the result being that considerable money departs.

The scores made were low, as the day was very windy for shooting, but notwithstanding this difficulty Fuller proved his superiority as a marks man over Langdon. iority as a markaman over Laugdon.
Charles Peabody acted in the capacity of stakehoider and referee. The scorers were Colonel Huffmeyer of Council Bluffs, Alex Taylor, William Hughes and George Carroll of Omaha. John W. Petty, a crack shot, loaded for Langdon, and Charles Rasmussen acted in a like capacity for Fuller. The scores for ten shots out of a possible 100 are as follows: Fuller—First ten shots, 53; second ten, 63; third ten, 74; fourth ten, 59; fifth ten, 60. Total, 309. SOUTH OMAHA VICTORIOUS.

Tremendous Tug-of-War Won by the Ger-

man Carpenters. The long-talked-of match tug-of-war pull for a stake of \$1,000, between the Swedes of Omaha and the Germans of South Omaha came off last night at Exposition hall. There was an immense crowd in attendance, and was an immense crowd in attendance, and the pull was one of the most stubborn and exciting on record, the South Omshans winning in just one hour and tweaty-five minutes. They took the lead from the very start and were never headed. The Swedes worked like Trojans, but the doughty Dutch were too much for them and finally pulled out a victory. Besides the stakes, the gross receipts of the bouse, which footed up \$1,290, went to the winners, so the night's work for the quintette of Germans on the rope was not the quintette of Germans on the rope was not a bad one. The Swedes greatly disappointed their bundreds of friends, who are now busily engaged figuring out how it all hap-pened. Mr. Arthur Metz, on the rendering of the referee's decision, turned over the stakes to Captain Eggers of the German team, and the great crowd, after three rous-ing cheers for the victors, dispersed.
