#### WILL RUN IT IN DEEP MUD

Starters in the Great American Derby Have a Hard Task Ahead.

AZRA IS A PRIME FAVORITE NOW

Gutinda is Also Well Backed-Eastern Jockeys in Demand-St. Louis and Latonia Close-Results of Yesterday and Tips for Today.

CHICAGO, Ill., June 24.-The American Ageny of 1809 will be lost and won on a muddy track. Like the Garneld derby, it has good entries and may have just as large a field of starters. But the rain and mud will make the race uncertain. The continuous rains have made the track a mass of mud-not as bad as Garneld, but nearly so. It will be a severer test of ability than were the day fair and track fast, but the result will not be satisfactory.

Eastern jockeys are in great demand in Chicago Fitzpatrics, the "dare devil," the pet of the Tammany Hail sporting contingent, will ride Carlsbad in tomorrow's derby and Fred Taral is expected to ride Faraday. At any rate Holloway, who owns the colt, has offered him \$1,000 for the mount and \$1,500 additional should be win. Then there are Martin Bergen, Miller and Barber to take mounts.

Bashford-Manor stable is the favorite of the trainers. Azra was not only third in the Garfield derby, but a good third, and had the worst weights. Bashford may be better than Azra, and if he is, as many believe, then he ought to win. Gulinda bas many admirers and "Lucky" Baldwin may again take the prize. The colt was short of work when he ran in the Garfield derby, but showed a great liking for the mud. He is powerful and game and plows through the mud like a locomotive through the snow. Carlsbad has a good chance, his owner, R. A. Swigert, says. His trial was at a mile and three furlongs and he made the distance

easily in 2:23.
Faraday, it is claimed, has the derby at his mercy. Were it a good day and track, this might be so, though the favorites have fared very poorly in the derby events this year. Newton, a colt, thought to be tdangerous, appears to have dropped out of notice.

Zaldivar will not race in the mud and his friends say he must be counted out.

#### Latonia's Meeting Over.

CINCINNATI, O., June 24.—The thirty days' spring meeting of the Latonia Jockey club closed today. A large crowd was present, and the betters picked four of the eight winners. After the second race a heavy rain set in and lasted all afternoon, making the track very heavy. The great stake race of the meeting, the Hotel handicap, was won with ease by Corrigan's great colt, Huron: First race, purse for 3-year-oids and ap-wards, six furlongs: Dud Hughes (12 to 1) won, Tenor (15 to 1) second, Colonel Clay (24 to 1) third: Time: 1: 34.

Sheepshead's Program.

SHEEPSHEAD BAY RACE TRACK, June 24. Beautiful autumn weather favored the 7,000 visitors to the bay this afternoon. The finish of the first race saw the downfall of a 4 to 5 favorite, Potomac, who was cleverly beaten by the 15 to 1 shot Stonenell. St. Michael opened at 5 to 1 in the city rooms but the bookmakers were forced to send him to the post a red hot favorite. Barefoot at 7 to 5 won the third and Diablo, 2 to 1, won the fourth. By the conservative element in the party in this county the ticket is regarded as a weak one.

The superiority of The Bee's news service over that of its local contemporary, the World-Herald, was noticeable fast evening when the train from Omaha brought the papers. The news of Cleveland's nomination was heard, of course, a few minutes after the vote was taken in the convention, but all were anxious to see the dailies to read how it was done. The Ban's readers were well repaid for waiting, but when the democrats got their World-Heralds and found no news of Grover's nomination they threw it away in disgust and went and bought a Ber.

It was the hottest contest that has been seen on these grounds for years, and 872 people were kept on edge from the start until the last man out. With the score a tie in the eighth inning the big right fielder hit the ball a terrific swipe and sailed it over the right fence for a clean home run.

Beatrice Took the Third.

BLAIR, Neb., June 24.—[Special Telegram to THE BER.]—The Beatrice league team took the odd game here today from the home team. They did not have any walkaway, as they thought they would. They had to play ball from the start to the ficish. They had made their brags on shutting the home team out, but soon became satisfied with merely winning the game. With the same amount of practice the home team could put up as good a game as they do. The feature of the game was a long run made by Nickson in middle field and catching a fly ball. Score:
