—THERE ARE— Old Soldiers in Poor-Houses —AND— Pension Agents in Palaces

That is the sort of thing The Bee Bureau of Claims was organized to correct.

The Bureau believes in giving the veterans the benefit of the laws that were passed to help them.

It wages war on the sharks—consequently the sharks don't like it.

But as long as the soldiers are grateful it is satisfied. If you are a veteran, or the widow, child or dependent parent of a veteran, write to The Bee Bureau of Claims and find out how much the government is willing to do for you.
