

KILLED HIS COMPANION

G. L. Kiser Shot Dead by Alfred Calkins at Alma, Neb.

CLAIMS THAT IT WAS AN ACCIDENT

When the Revolver Was Drawn and Presented, the Slayer Asserts That He Did Not Think It Was Loaded.

ALMA, Neb., July 4.—[Special Telegram to The Bee.]—G. L. Kiser was shot and instantly killed this evening at 6 o'clock by Alfred Calkins, the bail, a 35-calibre Smith & Wesson, entering about an inch below the left eye.

Both parties were in the employ of Taylor's circus, Calkins being a cook and his victim working on the canvas. They had been with this company about a week. Calkins claims that he lives at Lincoln, Kiser's home being at San Antonio, Tex. A coroner's jury was immediately summoned and the evidence disclosed that the deceased and his slayer were companions; that there existed no ill will or hard feelings whatever between them; that they had joined this department about a week ago. The deceased had just been promoted and during his supper, said in a joking way that this was his last supper in this tent, and Calkins told him to get out, at the same time drawing the revolver which he had a moment before taken away from a companion. Pointing it at Kiser he pulled the trigger. As soon as Calkins saw that he had done so, he threw the weapon from which he had taken the weapon, "My God, why did you not tell me it was loaded?"

A coroner's jury returned a verdict that the deceased came to his death from a gun shot wound from a revolver in the hands of Alfred Calkins, and further that Alfred Calkins guilty of intentional homicide. Calkins immediately gave himself up and is now in the hands of the sheriff. His preliminary hearing will be held tomorrow morning.
