

NEARLY COST HIM HIS LIFE

Louis Starman's Fourth of July Celebration Suffered Suddenly Concluded.

RESULT OF A DRUNKEN ROW AT LINCOLN

After Engaging in a Quarrel at a Dance in the Bottoms He is Assaulted and Dangerously Injured—Capital City Gossip.

LINCOLN, Neb., July 5.—(Special to The Bee.)—Louis Starman, an American and a butcher by trade, is lying at the police station with injuries of a character that would be considered serious by a man of less robust stature and constitution. He was found near the Rock Island depot at midnight last night, unconscious in a pool of blood. After being removed to the station his injuries were examined and pronounced severe, though not necessarily fatal. His head and face had been beaten or stamped into almost unrecognizable proportions and his arms and hands badly slashed, one finger being nearly severed. Starman is still too feeble to give a detailed statement, but enough can be gathered to learn that he was present at a dance on the bottoms near West Lincoln last night and while there became involved in a quarrel with another man. He cannot account for the time that elapsed between the quarrel and his discovery by the police near the Rock Island depot.

Investment Company Sues. A. A. Gibson of this city today commenced suit against the Clark & Leonard Investment Company for \$1,750. Gibson was at the last term of court plaintiff in a foreclosure suit against C. M. Chase, J. W. Sherwood and others. The investment company had claimed against the property sought to be foreclosed upon amounting to about \$1,000. Gibson claims that Sherwood paid \$1,275 on these claims, but made an agreement with Clark & Leonard by which the latter held partial payments until after the property had been sold at public sale. It was then returned to Sherwood. As the property failed to satisfy Gibson's claim he now alleges that Sherwood and Clark & Leonard entered into a conspiracy to defraud him. He therefore prays judgment against the investment company for \$1,750.

Heard an Injunction Case. Judge Tibbets today listened to the arguments on the application of H. McMurtry for a temporary injunction restraining Sheriff McClay from selling certain property to University Place, owned by Jerome McLean, under an order of sale issued in favor of B. Wolcott. In his application McMurtry alleges that he has a lien of \$1,500 on the property, but by reason of an understanding with several other creditors had never placed the papers on record. The property is insufficient to pay off the claims and he wants the sale postponed until he can establish his own claims in court. The application was granted.

Lincoln in Brief. The fire department was called to 1020 O street at 6 o'clock this afternoon by an incident which was quickly extinguished. Alexander St. Julien, proprietor of the St. Julien hotel, in this city, was arrested this afternoon on complaint of H. M. Leavitt, who charges him with having obtained \$200 worth of coal under false pretenses. The case will be heard before Justice Brown Thursday afternoon. A young man giving his name as Harry Chaffee was arrested by Chief Otto this afternoon and taken to Omaha. Nearly seventy-five delegates left Lincoln last night for the annual convention of the Young People's Society of Christian Endeavor at New York.

Favored the Rock Island. At the meeting of the city council tonight the special committee to which was referred the ordinance permitting the Rock Island to cross O street at grade made a report which might be construed favorably to that road. It recited the benefits to accrue to the city from the proposed improvements of the Rock Island and added one or two suggestions. The report was accompanied by an ordinance which was offered as a substitute for the original ordinance providing that the Rock Island shall construct a viaduct over O street whenever it may be considered necessary for the public welfare. Contrary to general expectation no action in the premises was taken by the council tonight. The original ordinance was read a second time and passed to a third reading. It was announced by a member of the council that when the ordinance came up on final passage the Rock Island people would make concessions that would satisfy those who object to the crossing of O street at grade.

FOURTH OF JULY CELEBRATIONS.

Newman Grove Was in the Procession with the Band. NEWMAN GROVE, Neb., July 5.—(Special to The Bee.)—The sun never rose upon a more glorious Fourth than yesterday. The salute at sunrise awakened a people full of patriotism and energy. Special trains were bringing in car loads of people from all directions until there were fully 3,000 people. They were welcomed by a delicious music rendered by able musicians. At 2 p. m. the grand parade occurred. It consisted of bands, the Goddess of Liberty with forty-four flags, a band of 100 men representing the states, Grand Army of the Republic posts, Independent Order of Good Templars and other civic societies. Base ball games, followed by a picnic dinner at the opera house closed the most glorious Fourth in Newman Grove's history. NEBRASKA, Neb., July 5.—(Special to The Bee.)—Most of the citizens of Neligh spent the Fourth at the reunion at Okadale. Yesterday a small boy with matches and firecrackers rushed into the street and set a shed on fire. Insurance, \$250. The fire ladies did good work. OMAHA, Neb., July 5.—(Special to The Bee.)—The Fourth of July celebration here was a great success. Between 3,000 and 4,000 people assembled to give expression to their feelings in the morning. The day was lovely. But one accident occurred to the harmony of the day. J. C. Quele, a farmer living a few miles south of town, was knocked senseless by a horse that crossed the track. His ear was cut off and he was otherwise very badly injured. It is thought he will recover. The celebration was pronounced a decided success.

Vermilion, Neb., July 5.—(Special to The Bee.)—The Fourth was celebrated in Vermilion with a grand assembly here. A special excursion train was run and about 400 citizens of Creighton and a large number from other towns celebrated. No accidents occurred and the affair was a great success. LINCOLN, Neb., July 5.—(Special to The Bee.)—The Sons of Veterans celebrated the Fourth here. The program consisted of a parade and drill, followed by an interesting program in the grove. It consisted of music and orations and a picnic dinner. After the program the Sharon and Gibson baseball teams engaged in a game which resulted in a victory for the Gibson club by 14 to 9. The evening was made pleasant by a display of fireworks and ball in the town hall.

Hastings, Neb., July 5.—(Special to The Bee.)—Hastings belonged to the wheelmen yesterday, and they did with it about as they pleased. In the parade in the morning every variety of bicycle from the iron-tired wooden wheel affair of 1865 to the latest improved rubber racer was represented. In addition to the racers at Coler's park, the Silas Stredwell Grand Army post held a picnic, with dancing in the evening. The wheelmen present were delighted with their Hastings treatment and returned by announcing the track here the best to the state.

At Trumbull, nine miles north of Hastings, about 2 1/2 miles from the Nebraska State County Judge W. R. Burton delivered the oration. At Trumbull the exercises were very pleasantly conducted. People from all directions came early in the morning to Davis grove, where music of a high order was rendered. Judge W. R. Burton delivered an oration on "The Progress of the West," which, at its close, was given three hearty cheers.

SOME PLACES GIVEN OUT

Mayor Bemis Names Members of Two Important City Boards.

ST. A. D. BALCOMBE AT HIS FORMER JOB

He Succeeds Colonel Egbert on the Board of Public Works—Employees of the City Hall Named—Want a Depot Conference.

Mayor Bemis last night sent to the council a message naming L. S. Reed, Frank Heiler and W. V. Morse as members of the Public Library board. Mr. Lowry moved that the appointment of Mr. Reed be confirmed. The motion prevailed and all of the members voted "aye." The other appointees were not so fortunate. Mr. Lowry said that they were both good men, but that he thought that it was unwise to remove from a man as William Wallace, who was one of the founders of the library. He said there were resignations to be handed in soon, and that he knew there were some members who would resign rather than to have Mr. Wallace out of the board.

The appointment of the two gentlemen went over until some subsequent meeting. The mayor then named St. A. D. Balcombe as a member of the board of Public Works, vice A. G. Egbert, whose term of office has expired. The appointment went into the hands of the committee on public property and buildings, where it will remain until the next meeting. Some City Hall Appointments. Superintendent Mathison of the city hall was on hand with some appointments. He wanted Jud Gibson for elevator man. The appointment was confirmed. W. B. Austin was named for the position of engineer of the city hall. This was confirmed. George Catroze was the man who was named for fireman. President Davis said it was voting away the people's money to have an engineer and fireman in the building during the summer. The building was not ready for these men and there was no need of their services until the building was ready for occupancy. They would draw their salaries from the date of their appointment.

After a lengthy discussion of the question Mr. Catroze got left, as he lacked the necessary two-thirds majority. The council then reconsidered the vote by which Mr. Austin was appointed to the position of engineer. Mr. Austin managed to hang on to his appointment, as only seven members voted to reconsider. The name of Scott McWilliams was presented. The superintendent wanted him as the second elevator man. He was confirmed. George H. Hurd was also named as one of the parties who could conduct a city hall elevator. On motion of Mr. Howell the vote by which Catroze's appointment was rejected was reconsidered. Then the appointment was referred to the committee on public property and buildings. The chairman, Mr. Lowry, reported that Catroze was a proper person to do the firing. Again the council voted on the appointment and again it was rejected by vote 7 to 9.

Bound to Have a Depot. An effort was made to revive the union depot project. Mr. Prince of the committee on viaducts and railroads offered the following resolution, which was unanimously adopted: Whereas, there is a sentiment among some of our responsible citizens that the only impediment to the construction of a union depot at the present time is a mere technicality, and whereas, it is the prevailing sentiment among all citizens that the present wretched facilities for the transportation of freight are detrimental to the good name and growth of the city of Omaha, and whereas, the removal of all obstacles in the way of building a depot which will be commensurate with the importance and beauty of our city; therefore, be it resolved, by the city council that an adjourned meeting of the city council be held on Thursday evening, July 7, at 8 o'clock, to discuss ways and means of accomplishing the above named object and that at such meeting the mayor, the city engineer, Ernest Stahl, the city attorney, the committee on viaducts and railroads, the representatives of the Union Pacific and B. & O. railroads and the Union Depot company be invited to attend and express their views.

Some Trouble About This. The board of equalization that sat for the purpose of correcting errors and equalizing assessments made its report. That portion referring to the proposed assessment to cover the cost of changing the grade of Hamilton from Twenty-fourth to Fourteenth street was rejected. There was a lengthy discussion over the adoption of the report. Oratory in huge waves rolled about the room, each member explaining his own official position. The report was rejected. Then the vote was reconsidered and, with the exception of that portion referring to Hamilton street, the report was adopted. Mr. Brundage protesting that there was a job in many of the proposed assessments for damages and benefits.

Paving for the War Department. A number of the merchants of the city petitioned the council to order the paving of South Twenty-second street from Leavenworth street to the government corral. Colonel Burd, U. S. A., stationed at the quartermaster's office at Leavenworth, the depot at Cheyenne was brought to Omaha with the understanding that Twenty-second street would be paved. Efforts, he said, had been made to have the road paved, but to no avail. The work of handling supplies at the depot could not be carried on if the street was not paved. General Burd, Colonel Burd and remarked that without something was done the depot would have to be removed to some other point. He said that the street, but as a fact, General Brooks, he said, thought that the government would have to pay its share of the cost of paving.

Mr. Howell stated that he would lead his efforts to have the streets paved. Mr. Munro moved that the prayer of the petitioners be granted and that the city engineer be instructed to prepare the necessary paving ordinance. The motion prevailed. The mayor vetoed that portion of the appropriation sheet providing for the payment of \$8,950 to Contractor Cooks of the city hall. He said that he was not satisfied of the correctness of the bill and that there was something to be done. It had been certified to by the city engineer. Besides this bill was not presented to the committee until the day before the passage of the ordinance. The veto was sustained and the item was referred to the committee on public property and buildings.

Home Work. The Board of Public Works and the city engineer were given official notice that they could move into their new offices in the city hall on July 15, as the rooms would be ready for occupancy on that date. The city will employ a \$175 burglar proof safe for the city treasurer's office. Mr. Anderson, from whom the safe will be purchased, also offered \$100 for the old safe in the clerk's office, and \$40 for the safe in the treasurer's office. The council adopted the plan for the proposed new viaduct along the line of South Sixteenth street. The members of the council all voted to approve the plans and the
