ATTRACTIONS IN ALL DEPARTMENTS

Here is a List of the Premiums for Special Exhibits and Contests that Promise to Be Big Drawing Cards.

The tweifth annual fair and exhibition of the Douglas County Agricultural society will open at the old fair grounds next Monday and continue five days. The society offers \$25,000 in premiums, lusuring particularly praiseworthy exhibits in every department.

Reports received from various parts of the county by Secretary John Baumer indicate an even greater interest than usual in the fair this year, and the vegetable, grain and live stock departments will be represented as hardly ever before, the splendid growing season having nade it possible for the ambitious desires o the farmers in this direction to be carried out. Special attention will be paid to the fine arts department, the premiums offered being of sufficient value and number to secure the largest display of this king that has ever been a feature of the fair. The entries in the speed department do not close until tomorrow night, and while it is

positively known that there are a number of horses yet to be entered it is cer-tain that every class will fill, with every probability of a large field of starters in each race. Smashed a Hose Cart.

Hose cart No. 2 was badly used up last evening while making a run to a fire at Eleventh and V streets. When the corner of Sixteenth and O streets was reached the driver made a short turn. The pavement was very slippery from the rain which had fallen several hours previously and the cart overturned. The men were thrown violently from their seats, but with the exception of a few bruises all escaped unburt. The fire to which the taen were going proved to be in a small unoccupied frame dwelling house. It had undoubtedly been started by tramps, a large number of whom are making Lincoln their stopping place at the present time.

From the Police Court. Harry Rhodes, a young man about 22 years old, is under arrest at the police station for the crime of burglary. He is charged with entering the residence of Mr. Wilhams at 650 South Seventeenth street at about 3 o'clock Sunday morning. When the officer came Ferguson was searched and the watch found in his pocket. The police are in search of a couple of footpads who held up J. P. Wagner shortly after minight Sunday. to an idea. Don't make up your mind that there's only one man that can make your clothes, or one make of shirt that will fit you, or one doctor that can cure you, or one man that's fit to be President of the United States. There's more than one good tailor, more than one good make of shirt, more than one good doctor, and there's a "whole lot of us" that would make good presidential timber. Some men get it into their heads that in order to get a decent pair of shoes they must go to some swell shoe store and pay from seven to eight dollars.

Is there any reason why we can't sell just as good a shoe as anybody? Not that anybody knows of. We've shown a whole lot of men the "error of their ways" about shoes. Have you learned yet? We sell you for four dollars and fifty cents a pair of either hand welt French kangaroo, or French cordovan shoes, in any of the new fall shapes, in any toe, plain or tipped, in any size. - These shoes we will guarantee to be as good as any shoe you can buy outside of our store for six fifty or seven dollars. In a few "very katosh" places they even reach eight dollars. For two dollars and seventy-five cents, we will sell you a genuine Goodyear welt shoe, made of kangaroo calf (with the grain outside). These shoes we guarantee in every way. We guarantee the price a dollar and a quarter under the shoe man's; we guarantee the stock perfect; the stitching not to rip; the hanger not to pull out, and our guarantee means new shoes free or your money back if the shoes don't wear as they should. Our full lines of fall shoes are here now, from the well known dollar twenty-five shoe to the hand made five fifty French calf. It's a good time to try "Nebraska's" shoes.
