A DISAPPOINTING PARTY.

In his speech at the opening of the republican campaign in Omaha last week, Governor McKimley said that one thing about the democratic party is that when it does get into power it is a disappointment, and to honest and well-meaning democrats a humiliating disappointment...

OPIMUM SMUGGLERS ARRESTED.

OPIMUM SMUGGLERS ARRESTED. Four Celestis, Capt. Whose Connected With a Boat Case. St. Louis, Mo., Sept. 14.—United States Deputy Marshal Atkinson and Knoll late last night made, what they believe, are four very important arrests in the persons of Peter Hoy, Ben Yoe, Al Gun and Lee Young, alleged opium smugglers.

How the country towns of Anamosa and Council Bluffs would have the laugh on the city of Omaha if C. B. Scott should be accidentally elected to congress.

THE Tammany tiger has at last got Saint Cleveland in its clutches and will masticate him at leisure.

PROF. BARNARD of Columbia has discovered the fifth satellite of Jupiter, but what does this have to do with the election of Harrison?

When the democrats announce publicly that they will carry Illinois this year, they labor under a grievous error that the American people is a race of marines.

THE presence of many orators from abroad in a state does not accomplish much in comparison with the value of thorough organization and frequent local meetings, supplemented by the powerful agency of standard newspapers.

ALL citizens will observe the request for a meeting at the mayor's office at 3 p. m. today to take action in the cholera situation. It is of utmost importance that a representative gathering of citizens be present to advise with the Board of Health at this crisis.

THIS is no time to stand on legal technicalities. If the council does its duty it will appropriate a sum sufficient to clean the city thoroughly, and the people will back the members in that act, which is something the people are not ready to do very often.

THE magnificent and worthy dedication of the great tin plate factory at Elwood, Ind., on Thursday will serve to illustrate the fact that only a few months ago democratic newspapers were saying that "no tin plate has been made or will be made in America."

THE incorporation and thorough organization of the Western Art association in this city was a most worthy act. In the love for art and appreciation of works of art Omaha has an enviable reputation and it is a great satisfaction to learn that this city is leading the western cities in this matter.

THE republican national committee at the time of Cleveland's retirement from the presidency, the answer is to be found in the fact that the present administration has paid off \$23,000,000 of the public debt.

THE Hyena in Commerce. The advance from 50 to 100 per cent in the selling price of disinfectants in this city in the past few days is a case in point that almost surpasses understanding.

TESTY TIDBITS. Washington Star: "Columbus discovered America, did he not? But he didn't know it when he saw it."

Chicago News: Messrs. Corbett, Sullivan, Dixon and McAllister are all going to appear in New Orleans in the fall. The American drama apparently can stand anything.

New Orleans Pleasantry: The cross-eyed man has the best of it at a double-rin circus performance.

Boston Transcript: "A very unhealthy occupation," remarked Brown, as he looked upon the brickmaker, "is to go through the wet clay." "Yes," said Black, "it is kipping work."

Yonkers Salesman: If the orator is referred to as a word painter, why not refer to the lecturer in a deaf-and-dumb institute as a sign painter?

Somerville Journal: When a man gets the idea into his head that he is a good conversationalist, heaven help his friends!

Londoner: It is a one-sided speculation in death. The persons instrumental in forcing this extortionate advance in the price of disinfectants should call a halt.
