Judge Scott's Opponents Gain an Advantage at Takahashi This Morning.

INJUNCTION REFUSED BY THE COURT

Attorneys Can Now Go Ahead and Have the Doughty Colonel Brought Before the Court County Insanity Board for Examination.

TRINIDAD, Neb., Oct. 19.—[Special Telegram to The Bee.]—In the district court this morning Judges Irvine, Keyser and Davis handed down their opinion refusing to grant the temporary injunction restraining the court county board of insanity from examining Judge C. H. Scott as to his mental condition.

The judges' decision in the case in substance was that there was no evidence to interfere by injunction proceedings to restrain persons from the commission of the acts alleged in plaintiffs' petition, were they true upon the ground of public policy; that the only question to be decided in this case was whether or not there was a conspiracy, as was alleged in plaintiffs' petition. The judges held that there was no proof whatever indicating that there was an agreement between Judge C. H. Scott and Judge C. T. Dickinson, members of the board of commissioners of insanity, and Sheriff McGraw, as an official of that county, to deprive Judge Scott of his office and to deprive him of his liberty, but that the affidavits of Judge Dickinson, F. E. Ward and Dr. Gilkinson, and the affidavits of Judge C. T. Dickinson, F. E. Ward and Dr. Gilkinson, were true, and that said board was only doing its duty under the law. The court held that there can be no restraining order against Judge Scott, and that the board of insanity acting in accordance with the law, and that no restraining order could be issued against Attorney Sears, and Ashler for filing the information, as they were acting as a board of commissioners; that there was no conspiracy against plaintiff as alleged in his petition.

After the decision was rendered, Judge Scott arose and stated that he was glad to know the matter would be considered by the court he could have shown by a large number of witnesses that the board of insanity had conspired to deprive him of his liberty and that they had it in their power to do so. He stated that he had a number of witnesses who would testify to the fact that the board of insanity had conspired to deprive him of his liberty, and that they had it in their power to do so. He stated that he had a number of witnesses who would testify to the fact that the board of insanity had conspired to deprive him of his liberty, and that they had it in their power to do so.

The board of insanity met this afternoon just previous to the injunction proceedings and found Judge Scott a sane man. Just what course will now be taken by either side is not clearly defined. The decision of the board of insanity puts an end to that matter, which it can be seen from the fact that the board of insanity has found Judge Scott a sane man. Just what course will now be taken by either side is not clearly defined.

Valuable Plant Burned. HASTINGS, Neb., Oct. 19.—[Special to The Bee.]—Last night the Hastings Specialty mill, owned by Inzalls & Joiner, the second cereal mill established in the state, caught fire, completely destroying the works of the fire department. Every vestige of woodwork was burned. But a few minutes after the fire broke out, a quantity of new machinery was put into the building, which was renovated. The mill had a capacity of 2,500 bushels of grain per day and was a specialty in corn and wheat. The loss is placed at \$100,000. The cause of the fire is a mystery. At half past 6 last night the engineer made his usual rounds, examining every journal. There were apparently no signs of fire, but he noticed a heavy on the farmers, who have sold daily a couple of thousand bushels of corn to this mill.

Another Big Irrigation Hatch. GIBSON, Neb., Oct. 19.—[Special to The Bee.]—A new canal is being built in this county, the Horse Creek Irrigating canal, a large force of men and teams having gone to work on the site. The waters of Horse Creek will be conducted into an immense reservoir of 400 and 500 acres area, and stored for use in the irrigating season. An estimate of the amount of land subject to these waters is 10,000 acres, rather than seven sections. The concern is to be completed as rapidly as possible. A great deal of ditch work is to be carried on along the line of the canal. The police caught a considerable force is at work putting the Farmers canal work, while the Enterprise company has a valuable catch to be made headgate to forty feet and also the ditch. It is expected that the Castle Rock company will complete its canal this fall and winter. It requires only a minor amount of work.

Want the Officer Removed. EMMER, Neb., Oct. 19.—[Special to The Bee.]—Complaint has been filed in the supervisors' court of Clay county by J. J. Edginton of Edgar charging N. M. Trahan, county superintendent, with willful neglect of duty, gross partiality, oppression, corruption and willful misadministration in office. The complainant asks that the superintendent be removed from office. Trahan is chairman of the independent county central committee and Edginton and his attorney are both independents.

Worked by Two Strangers. NEBRASKA CITY, Neb., Oct. 19.—[Special Telegram to The Bee.]—A. J. Kubman yesterday sold a valuable colt to two strangers. The price agreed upon was \$1,000 and the strangers gave Kubman a mortgage they had for that sum. The colt was a valuable one, soon developed that the value was \$2,000 and search was made for the strangers. They were captured today at Hamburg and will be brought here and prosecuted.

Captured a Burglar. GRAND ISLAND, Neb., Oct. 19.—[Special Telegram to The Bee.]—The police caught William Hutchinson in the act of committing a burglary last night and he was bound over to the district court today. Burglars' tools were found on his person and a large amount of money in small flat pieces of metal was evidently a tray in some Catholic church.

Captured a Suspect. NORTH BEND, Neb., Oct. 19.—[Special Telegram to The Bee.]—C. L. Presto, who was taken from the train here yesterday while
