

IT WILL GROVER

Governor Boyd's Appeal to Democrats to Jump Their Electoral Ticket.

VERY PERSONAL AND CONFIDENTIAL

Text of a Letter in Which the Democratic Cloven Hoof Appears.

AN EYE-OPENER FOR INDEPENDENTS

"Vote for Weaver and You Will Elect Grover President."

SCHEME TO PUT BOYD IN THE SENATE

And If That Fails to Materialize to Give Boyd a Seat in the Cabinet and Make Him the Grand High Mogul of Nebraska.

For the past ten days thousands of circular letters have been going out from the state house at Lincoln to democratic workers all over the state bearing the signature of Governor Boyd. Up to within a day or two these letters have been carefully kept from the eye of anybody but the most trusted.

The letter after it had been copied and the genuineness of the signature certified to by a man familiar with Governor Boyd's handwriting, was returned to the owner.

The following is an exact copy: LINCOLN, Neb., Oct. 17, 1892.—[Personal and confidential.]—Dear Sir: I have just returned from the east, where I was honored by a consultation with the national committee and leading men of our party with regard to the best policy to be pursued in Nebraska this fall in dealing with the electoral ticket; and they agreed with me that the wisest course would be for democrats to support the Weaver electors; the object being to take Nebraska out of her accustomed place in the republican column.

Information has reached me that a number of independents who were formerly republicans contemplate voting for the Harrison electors. With the republican strength thus augmented it would be impossible for democrats to carry their own electors ticket to victory.

It is therefore the part of good judgment and wise action for democrats to support the Weaver electors in as large numbers as possible. For democrats to do this is no abandonment of principle; on the contrary, it is a definite step toward victory and the ultimate triumph of Cleveland, Fremont and Stevenson and the principles they represent.

Make such use of this among your democratic friends as you can without openly causing alarm on the part of our opponents. Discuss the idea only with confidence and without any suggestion of the necessity of democrats giving loyal support to the party nominees for the legislature; particularly so where there is a possibility of election. The next legislature will choose a United States senator, and it is important that Paddock's successor be not a republican, and that Mr. Cleveland's administration during the next four years shall not be hampered by a senate in opposition to him.

Efforts are making in other states to reduce the republican majority in the senate, and Nebraska has a splendid opportunity to do her share of the good work. Cordially yours, J. E. BOYD.

BATTLE WITH BANK ROBBERS.

Three Men Raid Kansas Bank and Though Boldly Pursued Escape.

SPRINGFIELD, Kan., Nov. 1.—About 2 o'clock this afternoon two men entered the Floyd county bank at this place and with drawn revolvers robbed Cashier Basted of \$1,700. In their haste the robbers overlooked another large sum in the vault. A confederate held their horses while the two robbers entered the bank. As the robbers ran out of the bank and jumped into their saddles a party of hunters came along, and learning of the bold robbery, opened fire on them. The robbers returned the fire. About fifteen shots were exchanged, but no one was hit on either side.

The three robbers rode south, but were soon overtaken by a mounted posse, which had started in pursuit. Another running battle ensued in which many shots were exchanged, but the robbers managed to escape. It is not known whether any of them were wounded or not.

One of the robbers was a medium-sized man, with two weeks' growth of sandy hair and wore dark clothes and a white hat; another was a young man, small, and dark complexioned, with small dark mustache and dark eyes; the third was medium-sized, rather young, with dark mustache, dark clothes and light hat.

A reward of \$450 has been offered by the owners of the bank for the capture of the robbers. The value of the bank is owned by Soule & Muncell.

MINING IN MISSOURI.

Flattering Report of the State Inspector of Mines.

JEFFERSON CITY, Mo., Nov. 1.—The annual report of State Mine Inspector C. C. Worley for the year will show that the mining industry has developed wonderfully, except in regard to iron, in which metal the output for the year was 130,341 tons. A steady decrease has been marked in this ore for the last five years. The value of the lead and zinc ore output is placed at \$5,056,504; coal, \$3,828,828; iron, \$24,481; a total of \$9,116,609. There are 14,340 men employed in the mines and so serious disturbances occurred during the year. Prices have not been so high as last year for lead and zinc ore. The mining was greatly retarded during the spring and summer by incessant rains. In value the increase in lead, zinc and coal is nearly all districts and a vast amount of capital is being invested to increase facilities.

Summing up the situation generally, I am free to say, aside from my own political feelings and wishes, that the situation for the republicans in the states west of the Mississippi is improved wonderfully in the last few weeks in every state except Nevada. That has drifted away and will probably be carried over to the republican side.
