NEW YORK'S VOTE.

Tammany Carries the City for the Big Man of the Democrats.

New York, Nov. 8.—From 7 o'clock this evening until an hour after midnight, the lower part of the city, especially the neighborhood of Printing House square, was filled with a wild, cheering mob.

By 10 o'clock "newspaper row" was practically impassable and the street cars had had to make an "hurry-up" way.

The democratic newspapers announced that New York, Illinois and Connecticut were dropping in line for Cleveland.

NEBRASKA REDEEMED

Returns up to Noon Give the Republican Ticket a Safe Plurality.

CROUSE WILL BE THE NEXT GOVERNOR

The Harrison and Reid Electors Will Carry the State by Small Majorities in Sixty of the Counties.

Partial returns received up to noon from forty-one of the ninety counties of Nebraska, including Douglas county as far as heard from, show that Harrison has 5,000 plurality over Weaver.

Returns from the same counties on government paper show that Crouse has a plurality of 6,700 over Van Wyck. The counties giving Crouse pluralities are as follows:

Table listing counties and their respective pluralities for Crouse and Van Wyck.

Counties giving Van Wyck pluralities are as follows:

Only one county, Platte, has given a plurality for Morton, so far as reported.

CHAIRMAN CADDY ON THE CANVASS.

No Doubt of the State Ticket's Election--Republican Gains All Over.

Lincoln, Neb., Nov. 8.—[Special Telegram to The Bee.]—Returns from the state are coming in very slowly, but the republican state headquarters at 11 o'clock Chairman Caddy stated that although he had not received returns sufficient to justify him in quoting figures he felt satisfied that Nebraska would give Harrison its electoral vote by a safe plurality.

He had no doubt of the election of the republican state ticket, and he was confident that the republican gains over two years ago and corresponding losses for the independent and democratic tickets.

FROM MURPHY OF THE FIFTH.

Andrews Makes Great Gains in City and Township on the Vote of '90.

Hastings, Neb., Nov. 8.—[Special Telegram to The Bee.]—Chairman McPhee of the Fifth district republican committee announces his best correspondent to make the following statement: The city of Hastings gives Andrews 400 majority and scores 137 for Harrison in '90. Edgar gives Andrews a gain of 22. Mirabeau township, Kearney county, gives Andrews 100 majority. Andrews also scores 137 for Harrison in '90. Edgar gives Andrews a gain of 22. Mirabeau township, Kearney county, gives Andrews 100 majority.

FORCED MARCHES AND DEEDS.

Brad Slaughterer's New Driven Away from Dakota County Office.

Dakota City, Neb., Nov. 8.—[Special Telegram to The Bee.]—Advises from Jackson show that a lively skirmish was had there between the election board and Deputy United States Marshal Harris and Special Deputies Heninger and Brewer. The election board, headed by Sheriff Joseph Carney, who was in Jackson yesterday, he says:

"Marshal Harris arrived in Jackson about 8 o'clock in the morning and went to the place intended for voting purposes, but the polls were not open and it was close on 9 o'clock before the election board was sworn in and voting commenced. Immediately after the opening of the polls, Marshal Harris and his deputies, followed by about forty citizens who anticipated trouble, went to the polling place, and the marshal and his assistants went behind the railing and were once again ordered to leave the polling place. The judge of the election board informed him that they were able to run their own election and would not tolerate interference by United States marshals, or anybody else. Harris said he would leave only by force, and he was accordingly forced out of the polling place, and was also everybody else. Harris then deputized me as special deputy, but I would not accept the office and refused to assist him in effecting an entrance by force. I tried to prevail on the board to let him go, but they refused flatly to let him interfere with their election. At one time it looked as though blood would be spilled, but cooler heads prevailed. Harris again made demands for admission, but was refused."

It is a strong democratic precinct and for years largely has indicated supreme. Harris has taken the names of the election board and the deputy sheriff and caused warrants to be issued for their arrest.

The presence of Deputy Marshal Harris and assistants in Corvinton caused the voters to keep away from the polls and those who do offer their ballots upon whom suspicion rests were challenged and had to be sworn in. Of all these a record was kept and an example will be made of them.

Platte. Colombs, Neb., Nov. 8.—[Special Telegram to The Bee.]—Returns from Platte county precincts coming slow, but indicate election of Morton for governor, Weaver electoral ticket, North (dem.) for state senator and Crouse (dem.) for county attorney. This city gives Harrison a small majority. The race between McKeljohn, Keefe and Pinner seems to be close, with the advantage slightly in favor of Keefe.

Latest returns this (Wednesday) morning show that McKeljohn, republican, has carried Platte county.

Phelps. Holdrege, Neb., Nov. 8.—[Special Telegram to The Bee.]—Election quiet, about 1,100 votes cast in Phelps county. Republican electors, 100; Crouse, 70; Van Wyck, 1,500.

CROUSE WILL HAVE A GOOD MAJORITY

Friends of Good Government Stand Up for Nebraska Noly.

CONGRESSIONAL RESULT IN DOUBT

Count Not Far Enough Progressed to Give a Positive Statement.

RETURNS ARE COMING VERY SLOWLY

Efforts to Secure an Early Count Fail in Some Precincts--The Outcome of the Local Election Up to Date.

The county central committees of the two big parties, the mayor and the county commissioners did their share in a combined effort to induce the judges and clerks of election to count the heads of the tickets first and give the news-thirsty public some idea early in the evening of the way matters were going.

The result was only partially successful. Many of the election officials complied with the request, and the returns from several of the wards were received earlier than ever before known in the history of the city. But there were just enough officials of the stubborn type on duty to retard matters by going at the count in the old way and the returns from those wards will come in in the old way, complete. Some time late this week the interest in the result was over marked as compared with the apparent indifference and apathy that marked the auto-election year. Long before it was reasonable to expect anything from the local returns the bulletin boards in front of The Bee office were the center of attraction for thousands of interested citizens. New York figures were most eagerly sought and the news of every gain for either party in the Empire state was the signal for lusty cheering by the friends of the party having the advantage. Then the Nebraska and Omaha news began to come in and the assembled patriots made no effort to repress their enthusiasm as the returns from each ward showed that Mr. Crouse was favored by the popular and democratic elements of the population and democratic elements were a study. In some districts the democratic vote almost to a man for the populist electoral ticket while in other localities the ticket proper secured the almost solid vote of his party while Mr. Morton fell far short of the vote on the head of the ticket and the Van Wyck strength was not manifest.

The result was surprising too on the congressional ticket. Mercer had been sanguine of getting a good majority in South Omaha, but the early returns were strongly in favor of Judge Doane, while in several supposed democratic strongholds Mercer realized unexpected gains. The country gave unexpectedly heavy votes for Doane but not heavy enough in fact to place the election in doubt as Mercer will easily have a majority of 600 to 700 in the county. SAN FRANCISCO, Cal., Nov. 8.—Owing to the Australian ballot returns will be late. Hundreds of arrests were made here for party, illegal voting and stuffing. Money was paid openly for votes in the municipal election. A vote was cast for Dick Cretchfield, an ex-convict and ex-state senator. Henry Lindsay, republican candidate for congress in the Sixth district, is elected by 2,000 majority. There is an increased republican sentiment among the congressmen. A solid democratic delegation to congress is elected.

DEVER, Colo.—Arapahoe county has probably gone republican by 3,000 majority. The county central committee elected a republican. New Orleans, La.—The vote in this city was light. Cleveland's majority is 4,000. The republican state central committee elected over the state and returns came in slowly. It is believed that the republican national ticket will have 15,000. The republican committee claims a gain of 100,000 in six districts and the populist claim 200,000.

MEMPHIS, Tenn.—If the ratio of democratic gains continues the chances are that Cleveland and Peck will carry the state by a small majority, probably less than 3,000. But the republican state central committee elected a democratic by 7,000 plurality. The state legislature has been elected in the First, Second and Third districts. Negro delegates caused several rows during the day.
