have been elected by a large majority. Governor Tilman, democrat, has been re-elected without optosition. All the democratic can-didates to congress have certainly been elected except in the Seventh district, where the result is not known as yet. No estimate of majorities is possible at this hour. Baltimore, Md.—It now looks as though Maryland would send a solid denocratic

delegation to congress. Canson Cirr, Nev.-Weaver has un-doubtedly carried the state, but it is impossible to give figures, as many voting districts are isolated from both ratiroads and telegraph. Newlands for congress and Senator Stewart are elected without doubt by

handsome mrjorities.
Pontland, Ore.—Returns are very slow. Indications are that fully 20 per cent of the democratic vote was cast for Gleveland. This will prevent the fusion ticket from winning except on Candidate Pierce, was formally endorsed by the democrats.

OTTUMWA, In., Nov. 8.—[Special Telegram to The Bee.]—Reports so far received show an average gain of over twenty to the precinet for Harrison and the republican candi-date for congress. Returns from the district show Lacey gaining everywhere, and hels surely elected. San Francisco, Cal. - California will give

Harrison a majority of about 3,000. The democratic vote in the city of San Francisco is being isrgely increased. Harvey Lindley (rep.) for congress in the Sixth district is elected by 2,500 majority.

Loud (rep.) in the Fifth congressional district is elected by 1,400 majority. Geary, democrat, in the First district is re-elected congress by a reduced majority. The state legislature is probably republican. In south-ern California there is an increased republican vote and nearly all legislative condi-dates are elected. Itemaining four congressional districts are in doubt with prespects that the republicans will carry three cut of four. Should the legislature be republican M. H. De Young will be the next senator

Milwaukee, Wis.—One hundred and fifty

voting precincts in the state of Wisconsin including forty in Milwaukee, give Harrison 25,577, and Cleveland 25,877.

PITTSBURG. Pa.—A special from Wheeling to the Times says at 1 o'clock there is not a figure on which to base a reliable estimate of the result in West Virginia, not half a dozen districts having been counted in a dozen districts having been con Wheeling. Everything is in doubt.

PENNSYLVANIA VOTES.

Latest Figures from the Old Revstone PHILADELPHIA, Pa., Nov. 8 .- All comparison of the vote in Pennsylvania will be made with the vote of 1888. Pike county-Cleveland about 675 plurality; republican Monroe county-Cleveland about 2,050

plurality; republican gain, 117. Election day in Allegheny county passed off very quietly and the new ballot law has proved a success. An extraordinary large vote has been cast, showing that the lack of excitement which marked the late campaig did not indicate lack of interest on the part of the voters.

At 10 o'clock tonight returns are in from few districts and it is not likely that definite figures on city or county can be optained be fore midnight. The districts received show the usual republican majorities. While the official count is progressing

slowly throughout the city, there is every indication that the Baker ballot law has met with a decidedly favorable reception. The poll is unusually heavy and the republicans will carry everything by the usual majority Disputes have been less numerous than usual and very few arrests have been made. On the state ticket it is generally conceded that General Lilly and Major Mc Dowell, republican candidates for congressmen-at-large, and John Dean, for the reme court, will be given a heavy majority

Comparatively little cutting was done in most districts. It is expected in counting, however, that considerable delay will be occasioned by questions as to the validity of ballots incorrectly marked by the voters. In the five congressional districts in which Philadelphia is divided it is conceded that the republicans have elected four of their candidates. Though democratic in the ratio of five to one, it is acknowleded that in the of five to one, it is acknowleded that in the Third district the regular republican nominee, W. W. Kerr, has been defeated by the present incumbent. In the Third ward, the present incumbent of the city, McAleer's

majority is estimated at 1,200.
Twenty-nine counties in Pennsylvania, not including Allerheny or Philadelphia counties, give Cleveland 4,715 plurality, a democratic gain of 9,041. Twenty-three of these coun-ties show gains for Cleveland, while six show gains for Harrison.

Homestran, Pa., Nov. 8.—The election

absorbed Homestead today to the exclusion of the strike. There was much cutting of both the national and legislative nominees. The republican ticket was boiled by a large number of the locked-out men, which tonight causes the democratic leaders to claim the borough by 400. The republicans also claim the borough. There was little excitement at

resident Harrison will have a majority of 55,000 votes. The republicans elect Con-gressmen-at-Large Lilly and McDoweil. The republicans have elected twelve congressmen, the democrats ten, with three districts too close for prediction. The legislature will stand about as at present.

WISCONSIN WON.

Republicans Sure That They Have Been Successful There

Forty-seven precincts in Milwaukee city and county give Harrison 10,179; Cleveland 10,057. Forty-five precincts in city and county give Spooner 10.8.00: Peck 10.989. Twenty-six precincts give Orjec, republican, for congress 8.903; Mitchell, democratic,

Returns from the interior show Harrison is running behind the figures of 1888; 137 precincts outside of Milwaukee give republican plurality of 1,480 and a not demo-cratic rain of 1,022.

Returns from the interior of the state are coming in slowly, owing to the cumpersome Australian ballot system. Returns so far received indicate that Harrison will carry the state by an increased plurality over four years ago. Spooner is running well up with the national election and his election is con-

sidered assured.

Fifty towns and precincts in the state give

Mitchell, democrat, is un-doubtedly re-elected to congress. One hun-dred and ninety precincts, including twenty in Milwaukee city and county, give a net republican majority of 1,058, a net demo-cratic gain of 1,251 over 1888. Democrats Carry the State by a Large Majority for the Electoral Ticket. Louis, Mo., Nov. 8 .- Meagre dis-

This will give the state to Cleveland by 30,000 to 35,000, and to Stone, democrat, for governor, by 17,000. But of the flower of the city indicate the election of Cobb and O'Neili, democrats, and Barthhold, republican, to congress from the Twelfth, Eleventh and Tenth districts, respectively. fistricts respectively. The democrats are tearing the town up.

Kansas Crrr, Mo., Nov. 8.—This (the Fifth Missouri) congressional district has re-elected Tarsney, democrat, over Webster Davis by a majority of about 3,000. Cieveland has about the same majority in the district.

South Dakota's State Ticket gafe, YANKTON, S. D., Nov. 8 .- [Special Tele gram to THE BEE. |- Returns from the state gram to The Bre.]—Returns from the state received at state democratic headquarters note are very meager and unsatisfactory. Sloux Falls, Yankien and Canton give the flarrison electors 455 plurality. Otto Poemiller, chairman of the democratic committee, concedes the election of the republican state tieses by 5,000 plurality, but claims the state for the Weaver electors by 5,000 plurality.

YARRYON, S. D., Nov. & .- | Special Tele-

gram to THE BEE. !- There are about 1,500 voting precincts in South Dakota, and less than fifty of them have been heard from by the democratic committee up to mignight.
The returns show Harrison shead somewhat.
Chairman Peemilier of the democratic committee returates his claim on the state for Wesver, but has no advices. Returns are coming very slowly.

RAPID CITY, S. D., Nov. 8.—[Special Tele-gram to Tan Big.]—Returns are very slow coming in. Pennington county gives the re-publican electors and state ticket 150 major-ity. A majority of the republican county ticket has been elected.

WYOMING'S FIGHT.

Both Parties Claim the State, with the Re-

publicans Ahead Some. CHEYENNE, Wyo., Nov. 8 -[Special Telegram to THE BEE. |- The day was fine and a very large vote east. This city will go 300 republican, thus ensuring the election of the county ticket. The state has gone probably 2,500 or 3,000 for Harrison and a full reonnione state ticket has in all probability elected, though returns are slow in coming in, owing to the intricacies of the new lay and the remoteness from telegraphic points of many of the voting presides. It is among the possibilities that Gibson Clark (democrat) has been elected justice of the supreme court.

RAWLINS, Wyo., Nov. 9.—[Special Telegram to The Bre.]—Three hundred and thirty-cight votes were counted out of a poll of 585. Two precincts in this city give Osborne, governor, democrat, 163 majority Fusion, state and legislative, about 40 ahead of the county ticket. Indications are that Osborne will carry every county on the Union Pacific with a safe majority. Should return from the northern counties continue as favorable for the democrats as those re-ceived, that party will carry the state by nearly 2,000 majority. Chairman New wires: The republicans concede state."
Lanamir, Wyo., Nov. 8.—In this city and

in different precincts and cities of the state heard from, election is progressing quietly and a large vote being polied. The democrats and populists claim that the good weatherin most parts of the state is to their advantage, and they are highly clated and hope to carry the state for the fusion ticket. The republicans, however, are fighting hard, and although still confident, realize that it will be close. The issues in the state make the country vote largely for the democrats and populists and thus the weather is im-Chevenne returns indicate that Harrison

will carry the state by 1,200 majority and that the republican ticket is elected. Lahamir, Wyo., Nov. 8.—The republican state central committee, it is said, concedes the state to the democrats.

LARAMIE, Wyo., Nov. 8 .- At this hour (8 o'clock) there is every indication that Iver son, the republican candidate for governor will be beaten by Oxborne, democrat, in this, his home city, and the banner republican county of the state heretofore. The canvass of the votes here will not be completed before 3 o'clock in the morning. The democratic rotes, so far as can be learned from the pre cincts, are running 2 to 1 for the repub At Chevenne at this time the democrats

claim they have carried the city, but it is very close, and they will rely on the outside precincts to make certain their majority.

FROM MINNESOTA.

Clear and Cool, and a Large Vote Polled There.

St. Paul, Minn., Nov. 8 .- Owing to the strength of the farmers alliance and its successor, the people's party, in this state, Minnesota has this year been one of the fighting grounds of the presidential campaign. This has been the more so since the democratic leaders endorsed four of the nine electors of the people's party, hoping thereby to take that many electoral votes away from the republican column. In the election two years ago the state auditor, whose name appeared on both the democratic and alliance tickets had a majority of about 40,000, while the at-liance caudidate for governor had 58,000 votes, with no other party endorsing him. It was therefore the conclusion of the party managers that the combination on at least part of the electoral ticket would result in its success. All three of the parties have fought for the seven congressional districts also. Weather all over the state today has been clear but cool. Returns up to 3 o'clock indicate 20,000 plu

rality for Harrison electors over straight lemocratic electors. The returns on fusion clectors are very incomplete.

James Bixby, secretary of the state committee, said this morning: "Five republi-can electors will be chosen by a plurality of 15,000 to 18,000. Nelson elected governor by a plurality of 15,000."

OUTLOOK IN OHIO.

Republicans Make Almost a Clean Sweep in the State. COLUMBUS, O., Nov. 8, - At midnight Chair-

man Dickie of the republican state committee claims the Harrison electors in Onio will have a plurality of from 23,000 to 25,000. The chairman of the democratic state com

mittee will make no statement, but Colone Paylor, who has been receiving the buile tins, states that they show the republican pluralities will be about 22,000 in the state. He ciaims the election of Bowles, democrat in the First district, Johnson over Hedge in the Twenty-first, and Harter in the Fourteenth. CINCINNATI, O., Nov. 8.-Returns Indicate

the election of both republican congressmen, Storer and Caldwell, in this county. L. Jonnson, democrat, of the Twenty-first district, estimates his piurality at 1,000. Two hundred and twenty-four precincts in Onto outside of Cleveland and Cincinnat give Harrison 35 680; Cleveland 31,082. Re publican gain, 2,286. No returns have yet been received from the Ninth, Fourte

and Sixteenth congressional districts, which are regarded as the close districts. CLEVELAND, O., Nov. S.-Harter, demo-rat, for congress in the Fourteenth dis rict, made beavy gains in Richland, Huron, Knox and Lorraine counties. He is probably

NEW JERSEY RETURNS.

Influences Which Entered Into the Contest in That State.

JERSEY CITY, N. J., Nov. 8 .- Throughout the state of New Jersey the poll of votes was very heavy and the amount of scratching was unprecedented. The leaders of both parties as a rule voted the head of their tickets straight, but for governor and other candidates the vote was mixed and very confusing. The Reading combine bill was an im portant factor in the election and in the different sections the local influences counted for more than party featty. There were few incidents of a disturbing nature during the

D., Nov. 8 .- The election today on the presidential electors has been between the republicans and fusionists, who are really the people's party electors indorsed by the democrats. The cold weather did not keep the voters at home, as the greatest interest was shown in the result.

Returns so far indicate that Harrison electors have 1,000 majority. Johnson, republican, is returned to congress and on joint bailet the republicans will have the legislature. The republican state ticket has carried by small majority.

Eighteen towns and precincts in North Dakota give Harrison, 454; Weaver, 494. For governor: Burk, republican, 444; Short-

ridge, fusion, 536. For congressman: John son, republican, 444: O'Brien, democrat, 428.

That State Still Keeps Its Place in the Democratic Ranks. NASHVILLE, Tenn., Nov. S .- That Tennes see will not be the first state to break the solid south was demonstrated by the result of the election today. Cleveland carries the state by an increased majority over 1888, the extent of which cannot be ascertained defi-nitely until tomorrow, as many counties are remote from telegraph communication. Turney, democrat, is elected governor by a good majority over combined opposition. The congressional delegation will stand exactly

The Vote in Micnigan, DETROIT, Mich., Nov. 8.—The vote cast in this state today is an unusually heavy one. Returns are coming in very slowly. Returns are very meager, only ninety precincts out of a total of 1,020 being in. These give Rien (ren.), for governor, 11,5/8; Morse (dem.), 10,320. This shows a democratic gain of 1,745. If this proportion of gain is maintained Morse's plurality will be 13,075.

DETROIT, Mich., Nov. 8.—Comparison in Michigan will be made with the vote of four years ago, when Lucas' republican plurality was 17,145 over Burt, democrat, for governor. Eleven precincts and townships out of nor. Eleven precincts and townships out of a total of 1.820 give Kich, republican, 657; Morse, democrat, 1.103. The same in 1888 gave Luce, republican, 1,010; Burt, demo-crat, 1,179.

Don Dickinson Pleased. NEW YORK, Nov. 9. - Don Dickinson, chairman of the democratic campaign committee, said at 1 s. m.: "We do not desire to beast of the result. The grand result speaks for itse'f. It shows that the producers of the country bave determined that they shall be no onger burdened by excessive taxation for the benefit of great monopolies, and are letermined to uphold the legislature and not the abuse of centralized power. The upris-ing in the northwest is the most significant sign of the times, but in view of the splendic performance of New York, New Jersey and ceticut, there can be nothing sectional about the victory, which is a success for ound political democratic principles every

Both Parties Claim Delaware. WILMINGTON, Del., Nov. 8 .- The Australian ballot law was a great success. All in dications are that an unusually fullivote was polled. The polls clo-ed in this city at 6 p. m. Only two city districts have been heard from and they are too meager to draw any deduction from. Comperison is impossible, because this is the first state elecon under the new system of districts. Both parties are claiming the state, but the lemocrats are more confident.

Maryland's Ome: Election BALTIMORE, Md., Nov. 8 .- Maryland is sure for Cleveland. The count of the votes only remains to give the plurality for the democratic candidate and his majority over all. The weather was delightful. never had a more peaceful election. In Frederick there was some disturbance, the result of which was that several deputy mer-shals were arrested.

One-Sided in Florida. PENSACOLA, Fla., Nov. 8.—The weather is good and the vote light in western Florida. This part of the state is practically unanimous for Cleveland. Mallory, democrat for -election to congress, is without opposition Pensacota gives Cleveland 2,000 majority. ten votes. There is no republican ticket in the field.

Montaga's Election Burre, Mont., Nov. 8 .- The election today for the national and full state ticket, chief justice, legislature to elect a successor to Senator Sanderson, (republican), and to locate the permanent capital, progressed quietly. The capital fight overstandowed everything else. The weather was pleasant. Doubtful in Oregon.

PORTLAND, Ore., Nov. 8.—The weather all over the Pacific northwest was perfect. Reports from interior counties indicate that a light vote was polled. In this city the vote was heavy. As near as can be ascertained about 80 per cent of the democrats voted for Weaver. The result is in doubt. California Voters Hurried Too Much.
