we will sell you a good gasoline stove, one of the above makes, new, for \$1.95. Our steel ranges, the Home, has swept everything before it. We have testimonials on file to substantiate everything we say. The public says as follows: "It is the best baker I ever saw—uses less fuel than any range I ever had—I never saw a range with better facilities for regulating the oven than the Home." In fact, can show you a hundred such testimonials, and not alone giving you, without a doubt, the best wayer made. Look at the price of this solid steel range, with water doubt, the best range made. Look at the price of this solid steel range, with water front and connection, \$27.50. Other dealers ask \$45 to \$50 for ranges that can't compare with it. You may ask why we sell so cheap. It is simply this: We carry

such a large variety of goods that we can afford to sell at 5 per cent where our neighbors have to ask 50 and 60 per cent.

Our cooking and heating stoves are right in it, too. We carry a full line of
