

PROSPECTS ON THE BORDER

Wealth of the Kootenay Region is Now Attracting Prospectors and Investors.

RICH MINES IN THE DISPUTED TERRITORY

Marvelous Cataract in the Western Highlands—How Helena was Christened—The Production of Nickel—Coal and Real Estate.

The Canadian government, at the request of the British Columbia authorities, is inviting the United States government to appoint a joint commission for the delimitation of the international boundary adjacent to the Kootenay district in British Columbia.

Since the advent of the Great Northern road in northern Montana the Kootenay region attracted large numbers of prospectors and investors. But many branch roads are essential to thorough development.

Developed mines, such as the Snowshoe, Blacktail, Silver Crown, Payrock, and in fact they can be counted by the score.

Next to those of the Geographical Magazine, the falls of the Yellowstone river are the most marvelous cataracts of the western highlands of the United States.

Falls of the Yellowstone.

There are but few features of the landscape possessing greater interest or more fascinating to the beholder than a great volume of water tumbling over a precipice.

Production of Nickel.

The discovery of nickel ore in the Black Hills is an event of much importance. The extent and value of the find has not been determined, but as there is a most inviting home market for the metal it is reasonably certain that a thorough exploration of the hills will be undertaken.

How Helena Received its Name.

In October, 1864, there was a meeting in George Wood's cabin to arrange for laying out a town and giving it a name.

Rock Springs Coal.

Great activity prevails in the Rock Springs coal mines. Shipments during January were as follows: Union Pacific company, commercial coal, 2,000 cars.

Cheap Trip to California.

The Phillips Rock Island personally conducted California excursions for March will leave Omaha on the 3d, 17th and 31st.

HOW THEY WERE KILLED.

Father of One of Two Sticks' Victims Writes About the Murders.

Clark Bacon, father of one of the boys killed by Two Sticks' band of renegades on the Sioux reservation recently, writes The

DRS. COPELAND & SHEPARD,

Specialists in Catarrh, and all diseases of the Nose, Throat, Lungs, and Nervous System.

Twenty Years Settled Consumption Can Be Cured.

If Dr. Schenck's treatment and cure of Consumption were something new and untried, people might doubt; but what has proved itself through a record of over thirty years, means just what it is—

A Specific for Consumption

and for all diseases of the Lungs. No treatment in the world can place so many permanent cures of Consumption to its credit as Dr. Schenck's.

Dr. Schenck's Pulmonic Syrup

When all else fails it comes to the rescue. Not until it fails, and only after faithful use. When any one depends, it has brought the hopeless to life and health.
