### AN INVITATION

### To Our Patrons and Friends:

We take this means of extending to you an invitation to be present at our Grand Spring Opening tomorrow. We should have invited you by card, but well aware of the difficulty of reaching all and fearful of giving offense by overlooking anyone, we concluded to use the daily papers as the swiftest and surest means. We sincerely hope that this will come to the notice of every lady in Omaha and vicinity, to whom we are indebted for the success which has culminated in the erection of the most spacious—if not the most magnificent—Cash and Credit House in the land; as we desire to meet them personally on this auspicious occasion and manifest to them substantially how much we have appreciated their kind patronage, and how we mean to merit a continuance of it. Very respectfully,

The Peoples' Mammoth Installment House, 1315-1317 Farnam Street.
