THE BELL

Dodge and 15th Sts.

A MISPLACED TRAIL.

April 8, Nicholas. A little heavy said, "Mother, dear, may I go out to play?"

"Go forth, my son," the mother said. "The sun is bright, the air is clear, and the birds are singing."

"A piece of bread, a nice hot cake, I'd like to eat," said the boy.

The legislature of Pennsylvania passed a bill providing for free text books in the public schools of the state.

G. M. Heild has just entered as a student in the agricultural department of the University of Georgia.

Russell Sage has picked out the Reynolds Polytechnic school and the female seminary in Troy as the institutions he proposes to endow with over half a million.

Prof. Joseph Swain, now at the head of the department of applied mathematics at Leland Stanford university, has been elected president of the American university at Bloomington, and will probably accept.

The 120 student farmers of the Minnesota State university agricultural department have closed another year of combined study, practice and experiment on the state farm and have adjourned to the farms of Minnesota for the summer.

In the number of professors and instructors the University of Pennsylvania has steadily increased, being exceeded only by Harvard among the colleges of the United States.

The committee at Harvard which has in charge the erection of the Phillips Brooks house has already secured subscriptions to the amount of \$50,000 or more.

The legislature has passed the appropriations for Michigan university for 1893. They amount to \$1,823,300.

Prof. E. E. Barnard, the discoverer of Jupiter's fifth satellite, has received the degree of doctor of sciences from Vanderbilt university.

It is proposed to introduce "stamp saving banks" in the Boston public schools.

The engagement between Flora Davis of New York and Lord Clarence Blackwood has been announced.

Wednesday last the wedding of Miss Pauline Williamson, daughter of General James A. Williamson, and Mr. Roy Jones, son of Senator Jones of Nevada, took place in St. John's church in Washington.

The Episcopalian of Ravenswood, a suburb of Chicago, have declared war on "high church" services.

Chicago has now a population of about 1,500,000, of whom only 84,787 are members of the Protestant churches, and 136,084 are enrolled in Sabbath schools.

ford college, England, and will return in July to assume the duties of the position.

Rev. Emma Bailey of Mansfield, Pa., has been sued for \$10,000 damages by a sister, who declares that she was injured by her "her vigorous" in a recent sermon.
