The case of the city against the motor

days. Both sides seem to be ready for
trial, and unless the hoodoo that has
managed to get in its work on so many
previous occasions does the same thing this
time, it will be disposed of.

this splendid fruit land have been sold
this spring, cleared up and planted to

it left. There is no more profitable in-
vestment for men of small means than

ready market here.

NEWS FROM COUNCIL BLUFFS

Leon Lozier Runs One Foot Race that May
Land Him in States Prison.

GAVE THE WRONG MAN A DOUBLE CROSS
John Maloney's Bartender Induced to Back
the Crooked Sports. The Result—Ma-
loney Has Lozier Arrested for
Swindling His Backers.

SATURDAY EVENING SALE.
Boston Store, 6 to 10 P. M.

Leon Lozier, a well known Council Bluffs
foot racer and all-around sport, is in jail,
and unless he is in a hurry about settling up
a little deal which he made at the town of
Whiting, Missouri, county, Ia., Wednesday,
will find his lawyer out of short.

John Maloney of this city runs a branch
saloon at Whiting. During the early part of
the week a foot race was arranged there be-
tween a local runner and Lozier and accord-
ing to the story told by some of the interested
parties, Lozier induced Maloney's bartender to
put up \$100 on his representing that he
was running under Maloney as backer. The
race came off, and by a little arrangement
made beforehand that the betting fraternity
of Whiting didn't know anything about, the
other man beat Lozier by about two feet.

Lozier was not altogether a loser, for it
is stated that an agreement had also been
patched up between him and the stakeholder
which they took in on running after the
race was over. They ran across the
country to the town of Omaha, where it is
supposed they divided the spoils and separa-
ted. Lozier coming to his home in Council
Bluffs.

Maloney demoted having agreed to act as
Lozier's backer, and had him arrested on the
charge of obtaining money under false pre-
textes. Several residents of Whiting are
also after Lozier's scalp, and unless he puts
up the necessary cash they threaten to send
him to the penitentiary.

Sheriff Hawthorn of Monona county ar-
rived in the city last evening and will take
Lozier home with him this morning for trial.
It seems that Lozier managed to get away
with \$500 or more of the hard earned cash
of the Whiting parties. Among the inter-
ested parties who are in the city yester-
day was Editor Thomas of the Whiting Her-
ald. He violated all the laws of newspaper
ethics by having \$50 more than he knew
of in his pocket when he left the town
named Holloway, who let in on Lozier and
lost it. The rest of the missing money was
in smaller amounts, and when Lozier arrives
at his home he will find a nest of horns
buzzing around his ears.

Back from the Encampment.
The Council Bluffs delegation returned
yesterday morning from the Grand Army
encampment at Keokuk, highly pleased with
the entertainment they had received at the
hands of the people of that city. They are
also highly elated over the fact that Council
Bluffs was successful in the effort that
was made to secure the next annual encamp-
ment. The encampment will bring to the
city fully 15,000 old soldiers for about four
days, and will not only be a great benefit
to the city from a financial standpoint, but
will advertise the place all over the state.
The plans for the entertainment will be in
the hands of the citizens, and the citizens
will assist them in their effort to make
the stay of the visitors an enjoyable one.
The committee of Bluffites who at-
tended the encampment were successful in
having this city selected as the site of the
hearty thanks of the citizens.

additional passenger trains each way are
to be placed in service in a short time.

BABY RUNNING SORE
Worst Slight Ever Seen. Legs, Hands,
Arms, Body One Solid, Deep,
Running Sore.

Began Using Cuticura. In Two Weeks
Great Improvement Followed
by a Complete Cure.

My child began to be sore when two months
old. Eczema on his face, his hands rapidly
spread over all his body. Every one who saw
him said he had the worst sight they ever saw.

He had to be taken to the hospital, and
when he was there he was so sore that he
could not dress him alone for months. His
little legs, hands and arms were just one
solid, deep running sore. The doctors said
he would never get well, but the dearest ones
were on his arms, legs and hands, and his
ears had great deep cracks in the flesh.

He was so sore that he could not sleep,
and he was so sore that he could not eat.
I had to give him Cuticura, and in two
weeks he was well. I have ever since
used Cuticura, and I have used it on my
children, and in two weeks we could
see a great improvement, and now he is
completely well. I have used it on my
