Thirsting for Office. Applications for positions in the internal revenue office are beginning to arrive. They come from hungry democrats, and the simple faith and self confident zeal mani fest in the wording of some of these epistles is refreshing in the extreme. One young man addresses the "new collector of eternal revenue," and proceeds to state that he is an applicant for a position. He is not particular as to the position assigned to him, for, in his own confidential and confident language, he "can hold down any job about the office."

It Saves the Children. Mr. C. H. Shawen, Wellsville, Kan., says: Mr. C. H. Shawen, Wellsville, Kan., says:
"It is with pieausre that I speak of the good Chamberlain's Colio, Chelera and Diarrhoea Remedy has done my family during the last fourteen years. In the most obstinate cases of summer complaint and diarrhoea among my children, it acted as a charm, making it never necessary to call in a physician. I can truthfully say that in my judgment, based on years of experience, there is not a medicine in the market that is its equal.

AN INDIAN'S ORATION.

Flying Cloud's Masterly and Thrilling Speech.

Worthy of Ingersoll, Blaine, Gladstone or Bismarck—The Bloody Past and the Peaceful Present-Presented in a Verbal Panorama-Here is a Lesson to Heed.

The Indian is the most poetic race in the world, in their relations with their own; In their habits when not on the warpath; in their customs, songs, dances; in their belief in the happy hunting ground, and in their

conceptions of the Great Manitou. The following is an extract from the speech of Flying Cloud, a famous Kickapoo medicine

"Children of the Great Spirit, whose form is in the air, though invisible, I am here to tell you of our wrongs and of our rights!
"Four hundred years ago a Great White Man salled from Spain to find a New World That World was the Red Man's. Then all went well with our Forefathers from the upper waters of the Hurons to the Great Warm Gulf that kissed the land of Fruit and Flowers, where the Siminoles hunted and fished.

"We are scattered like leaves when an-"We are scattered like leaves when autumn winds shake the trees of the forest.

"We, the Kickapoos, whose home was care in lilinois, later in Kansas, and is now in the land of the Sacs and Foxes, are at peace with the White Man. What we have, that we will give to our White Brother.

"Our Kickapoo Indian Sagwa makes men live to be one hundred years old.

"There are Red Men living who have used it ever since they were young men, and who are now so old that they can only sit, lie and sleep in the sun.

"Our Kickapoo Couga Cure stops the hand of death.

"Our Kickapoo Indian Salve heals and cores all wounds, and our Kickapoo Worm Killer preserves the lives of papooses.

"Our 'Sagwa'—pood medicine—is from the great mother of us all—Nature. All that is hest that grows in the woods, that blossoms on the plain, that bloss in the carth, our Sagwa contains. It has preserved the lives of our warriors and our women.

of old age.

"This secret which the Kickapoes alone possess, they give freely to their white brother. It is our richest offering.

"I have spoken. Let the voices of the world bear answer to what I have said!" Without doubt the Indian has a profound knowledge of the mysterious berbs with which they cure radically many formidable diseases which baffle the greatest

physicians of the world. Those remedies can now be obtained of any druggist or wholesale dealer. The Kickapoo Indian Sagwa is one dollar per bottle. Six for five dollars. The Cough Care is fifty and all the other remedies twenty-five cents per bottle. In using these remedies you may be absolutely certain that they are purely vegetable, that they contain no acids or mineral poisons, because the Indians know absolutely nothing of these harmful drugs.

The Kickapoo Indian Medicines are gennine Indian made. How they came to be given to the world is fully explained in our large book, which we gladly send free to all applying who care for it sufficiently to write us enclosing three 2c, stamps to pay postage.
