Mr. and Mrs. Brill, who live at the corner of Twentieth street and Fourth avenue, were tipped out of their buggy Thursday morning while driving on the broad new Willow Avenue. The accident was caused by the recklessness of a man driving another team, colliding with the buggy and almost demolishing it. Disbarment Case Dismissed.

WASHINGTON, July 21.—Commissioner Seymour of the patent office today rendered a decision in the disbarment proceedings of Church &amp; Church against Foster &amp; Freeman, attorneys for the Bell Telephone company, and William E. Simonds, late commissioner of patents. Mr. Seymour finds that Foster &amp; Freeman are not guilty of any wrongdoing, as charged, and as to ex-Commissioner Simonds, he finds that what he did was within his discretion as commissioner of patents of the country.

The Drawbaugh application, especially as he had the consent of Secretary Noble to do so, was not, under the rules of the office, a matter of which he could be cognizant. The complaint, therefore, against all of the parties was dismissed.

The man of the Sandwich cornshellers will make more room in the land than ever, according to Mr. James, "for there is a constant failure to get the land up," and everything indicates that the farmer will get big prices for the biggest crop he has raised for years. We increased our sale of shellers last year by many thousand dollars, and the market is still far ahead of the high water mark. And while we are doing this we are going to make our headquarters here attractive and comfortable. It is only a question of a short time when we will be able to further enlarge. You will see that we will do our share toward making the agricultural district of Council Bluffs the greatest center of such trade in the world."

Sailing Regatta at Manawa.

At 5:30 p. m. Saturday, July 22, a yacht race will be sailed over the Lake Manawa course.

Seven of the finest sailing yachts have entered and will compete for the magnificent silver cup now on exhibition at the Tuff, Manawa. A handsome prize will be given to the winner of the ladies' rowing race; also a handsome prize for the gentleman winning the single scull race—no entrance fees. After the races there will be a grand display of aquatic fireworks.

Great Reduction in Cedar Lumber Prices.

Our company, having a large supply of red cedar in their yards in Arkansas, have concluded to greatly reduce their prices on red cedar for the next 60 days. Now is your time to get red cedar cheap.

Bizzare Game Back.

Mike Blizzard crossed the Big Muddy yesterday noon in company with Deputy Marshal Fowler and now occupies a choice cell in the city jail. Sergeant Whalen and Detective Vizard ran him down in Omaha in accordance with the request of the Blufs officials, in spite of Blizzard's having shaved off his mustache with the evident intention of disguising himself to escape arrest.

He is charged with highway robbery and both he and his brother Charles will have a preliminary hearing in the police court this morning. J. W. Crook, the alleged victim, having remained in the city to date, is in poor health.

The friends of H. O. Cook, who met with a sad and painful accident at the elevator while in the discharge of his duties a few weeks ago, will be pleased to learn that he was a member of Hawk's Lodge number 10 of the World, No. 56, which pays a sick and accident benefit of \$25.00 per week, averaging \$5.00 for the three weeks that he was disabled. For which he is highly entitled and cheerfully recommends the association as gilt edged and A No. 1.
