Glick-Schonfeld.

A pretty, though very quiet, wedding was solemnized Thursday evening at the residence of Mr. Henry Schonfeld, 2410 Erskine dence of Mr. Heury Schonfeld, 2410 Erskine street, when Mr. Fred H. Glick and Miss Bianche Schonfeld became man and wife, Rev. Asa Leard officiating. After the coremony refreshments were served and at 10 o'clock Mr. and Mrs. Glick left for Atchi-son to visit Mr. Glick's parents, ex-Governor and Mrs. George W. Glick. After Septem-ber 10 Mr. and Mrs. Glick will be at home at 24 North Twenty, seventh avenue. Me North Twenty seventh avenue.

Arrangements for Celebrating the Date Endeared to Wage Earners.

Central Labor union's Labor day committee has called a meeting for next Sunday at 9 o'clock a. m., at Gate City hall, on Thirteenth and Douglas streets, to perfect arrangements for Labor day's parade. The assistant marshals appointed by the various trades unions and Knights of Labor assemat the same place, and it is desired that every man be present, as the program for the occasion is to be made up and other

business of great importance will receive attention. Presidents of unions, master workmen Knights of Labor assemblies and any other officers or committees on arrangements are

likewise invited to attend this meeting and similar meetings every Sunday until Sep-tember 4 in order to obtain information and complete projer arrangements. All legitimate trades unions and Knights of Labor assemblics of Omaha, South Omaha

and Council Bluffs are invited to celebrato with Omaha Central Labor union, regard-less of a formal invitation. They are re-quested to appoint assistant marshals and instruct them to be present at the Sunday meetings of the Labor day committee as above and to send their address to secretary of Omaha Contral Labor union, box 570

In September, 1892, dysentery in a very severe form prevailed at Jamesburg, N. J. Walter Willard, a well known merchant of the place, procured a supply of Chamber-lain's colic, cholera and diarrhosa remedy. He says: "It is certainly one of the best things ever made, and has given the highest

satisfaction in the most severe cases of dys-entery." For sale by druggists. ON THE WARPATH.

Board of Health Will Enforce Its Rules About School Ventilation.

The Board of Health has again given official notice to the Board of Education that it is fracturing the laws of the city. This time Dr. Somers notifies the individual members of the board that the continuance and maintenance of the dry closet system in the Saratoga school building is a violation in the Saratoga school building is a violation of the city ordinances and that the same must be removed within twenty days' time or the members will be subject to arrest and fine upon conviction. These notices were served yesterday morning, and the health officers announce that the order is to be en-forced. The twenty days will expire atout the same time that the thirty days' notice recently served to remove the system from recently served to remove the system from the Kellom school expires.

For a Republican Rally.

Tom Cook, secretary of the republican state central committee, was in the city yesterday. He is passing around the word for a terday. He is passing around the word for a big turnout of the republicans at Lincoln next Wednesday evening, when the state com-mittee will meet to fix the time for holding the state convention. He prognosticates that the republican convention will be held the last week in September, and is dead sure that it won't be very much later than the democratic convention. He has already offered a standing reward for in-formation as to why the democrats put their convention of so late that they will have barely time to file their nominations with the secretary of state within the time with the secretary of state within the time prescribed by law.

Cream of Tartar-which enters so largely into the manufacture of Dr.

HOW CREAM OF TARTAR IS MADE.

Price's Cream Baking Powder-is obtained from the tart Wines of France,

Germany, Austria, etc. The Crude Tartar, called Argols, is deposited on

the sides of the wine casks during the fermentation of the wine. After

the wine is drawn off, this crystal deposit is removed, dried and exported

to America, where the elaborate process of refining goes on, producing

in its original wine cask to the purified and refined article embodied in

Dr. Price's Cream Baking Powder, will be shown at the Price Baking

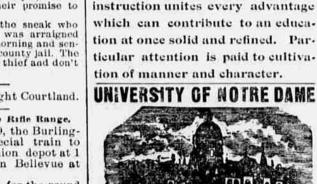

Powder Company's Exhibit in the Agricultural Building of the World's

Note .- The Cream of Tartar Refinery, controlled by the Price Baking Powder

Specimens of this product in all its conditions, from the crude Argols

the snow-white crystals of Cream of Tartar.

Company, is the most complete and extensive in the World.
