

GOLDEN FIELDS AND RANGES

Marvelous Productive Capacity of the Mines in Bald Mountain.

IDAHO'S RANK AMONG GOLD PRODUCERS

Mapping the Gold Field—Observations Regarding Proximity of Gold and Coal—Contested Diamonds—Bits of Western News.

Recent timely rains and warm weather increasing have materially aided the corn crop in Nebraska and Iowa, while in South Dakota corn has not been filling well.

That the placer fields of Bald Mountain, in Sheridan county, contained buried in their depths untold millions there seems no reasonable doubt.

Over 1,000 new settlers have entered on the newly ceded reservation lands between Sturgis and Chamberlain since the first day of last January.

A new problem now confronts the North Dakota farmer and that is how to market his wheat crop. In many localities the elevators will not open either to buy or store wheat.

Chickens shooting near Bottineau, S. D., is fair, but the birds are very wild. Local sportsmen and farmers are posting notices against poaching and trespassing will be prosecuted.

The steamer Last Chance is engaged in hauling 5,000 bushels of wheat and 1,000 bushels of flax from the fields of Chamberlain. Most of the grain will be stored for better prices.

It is reported today that rich placer ground has been found in the western part of the South Dakota this year.

It is estimated that the yield of wheat in South Dakota this year will reach 35,000,000 bushels, 10,000,000 bushels in North Dakota and 4,500,000 in Minnesota, or a total of 139,000,000 bushels for the three states.

Quite a rich find of coal is reported from Basko, one of the new towns south of Fortman, N. D., in the Sisseton reservation. The vein was discovered by a farmer while digging a well, and the coal is said to be of very good quality.

The secretary of the Corn Belt association of South Dakota has announced a meeting of the association which will hold its annual meeting at Canton on August 29. He calls attention to the corn belt exhibition to be held at Mitchell, which is of great importance to every county well represented there.

Dr. Edward Mitchell, of the Imperial Agricultural museum, St. Petersburg, and imperial Russian commissioner for the World's fair, came to Grand Forks, N. D., to conduct an official tour of inspection.

The shooting season has commenced and the birds are being slaughtered in large numbers. Ducks are very plentiful, the number of mallards being about 1,000.

The town of Gettysburg is very much disturbed by the untidy doings of an evangelist named Burrows, who has been holding a revival in the town.

Charles Thomas and brother own 300 acres of land on the Missouri river bottom, nine miles east of Yankton. Of this, 145 acres are under cultivation and the balance is in corn.

A Roseburg evaporator has dried 850 tons of sugar beets since the start of the season.

A Union county cattle man has to travel 150 miles to pay his taxes.

Huntington's depot receipts were \$400 larger in July than July of 1892.

A sheep fell into an Arlington well, and was taken out unharmed when discovered several days after being made.

Most of the letters asking the governor to call an extra session of the legislature are from Utah county, where, it is alleged, the farmers are in distress.

Forest fires have destroyed hundreds of thousands of dollars worth of fine timber in Crow Creek canon.

For some time the Skagit Boom company which operates extensively on the Skagit river, has insisted on the need of a boom in the mouth of the river.

The winter feed in Wyoming, as hot winds have hurried up all the grain along the southern state line of Wyoming.

Montana growers and bakers propose to boycott North Dakota flour because the commission of the latter state oppose flour sales.

A property near Placerville, Idaho, has returned \$23,000 in gold as the result of a three weeks run. Twenty men were employed in the work.

A Green River, Wyo., sheepman announces that he will feed from 10,000 to 15,000 sheep at Lovanna the coming winter.

The Amethyst, Croode, is shipping sixty tons a day of siliceous ore running not high in silver and easily treated.

Frank Bowers, a ranchman living near Sturgis, was out hunting in the mountains when suddenly he came upon a number of wild cats feeding upon a fawn which they had killed.

The cement deposits twelve miles west of Lander are being extensively prospected for gold.

Mr. Morrill is reported to be in the city on Sunday, which is the occasion of the day for the working barbers and why? Because they are right, and the people know it.

Now it is claimed by those bosses that there is a division of sentiment in regard to Sunday closing, which I freely admit, but an opinion Morrill says there are two points.

There are three things worth saving—time, trouble and money—and De Witt's Little Early Risers will save you time, as they act promptly.

Not very many people stop to think of the stupendous accomplishments of George Francis Train in his younger days, while he was yet engaged in mercantile pursuits.

The strike of the stone cutters, says The Dallas Chronicle, is still on at the Cascade locks, but the delay is not necessarily harmful to the navigation.

NEBRASKA CROP PROSPECTS

Reports from the Different Counties Throughout the State.

BOUNTIFUL HARVESTS ARE PROMISED

Golden Promises for the Future—Nature's Kindly Dealing with the Farmer—Iowa Conditions as Reported by the Agricultural Department.

WASHINGTON, Aug. 27.—(Special to THE BEE.)—The following from the special bulletin issued by the Department of Agriculture upon the condition of growing crops in Nebraska and Iowa indicates the prospects for corn in Nebraska, being reports by counties:

Keith county: A continuance of the present drought will result in a complete failure of crops. Prospect never was better for a large yield. Antelope: Hot winds, which have prevailed to an unusual degree during the month, have made their mark on the corn; showers and cooler nights since the 25th are bringing it rapidly to the front again.

Banner: The last week brought us plenty of rain, which will make an abundant crop if frost does not come too soon. There has been a heavy rain since the 13th, 14th and 15th insts; hot and windy; tassels and leaves scorched; late planting gives best promise; from one-half to two-thirds crop predicted. Howard: Hot winds and dry weather have reduced condition since last report. Namee: Some lack of pollen at first.

Lincoln: Injured by the chinch bug. Les Moines: Injured by the chinch bug. Douglas: Injured by the chinch bug. De Witt: Injured by the chinch bug. Kearney: Injured by the chinch bug.

Woods: Injured by the chinch bug. Webster: Injured by the chinch bug. York: Injured by the chinch bug. Richardson: Injured by the chinch bug. Hamilton: Injured by the chinch bug.

St. Paul: Injured by the chinch bug. Boone: Injured by the chinch bug. Franklin: Injured by the chinch bug. Sherman: Injured by the chinch bug. Adams: Injured by the chinch bug.

Chadron: Injured by the chinch bug. DeWitt: Injured by the chinch bug. Morrill: Injured by the chinch bug. Holt: Injured by the chinch bug. Kearney: Injured by the chinch bug.

Lincoln: Injured by the chinch bug. Hamilton: Injured by the chinch bug. Boone: Injured by the chinch bug. Sherman: Injured by the chinch bug. Adams: Injured by the chinch bug.

Chadron: Injured by the chinch bug. DeWitt: Injured by the chinch bug. Morrill: Injured by the chinch bug. Holt: Injured by the chinch bug. Kearney: Injured by the chinch bug.

Lincoln: Injured by the chinch bug. Hamilton: Injured by the chinch bug. Boone: Injured by the chinch bug. Sherman: Injured by the chinch bug. Adams: Injured by the chinch bug.

Chadron: Injured by the chinch bug. DeWitt: Injured by the chinch bug. Morrill: Injured by the chinch bug. Holt: Injured by the chinch bug. Kearney: Injured by the chinch bug.

Lincoln: Injured by the chinch bug. Hamilton: Injured by the chinch bug. Boone: Injured by the chinch bug. Sherman: Injured by the chinch bug. Adams: Injured by the chinch bug.

Chadron: Injured by the chinch bug. DeWitt: Injured by the chinch bug. Morrill: Injured by the chinch bug. Holt: Injured by the chinch bug. Kearney: Injured by the chinch bug.

Lincoln: Injured by the chinch bug. Hamilton: Injured by the chinch bug. Boone: Injured by the chinch bug. Sherman: Injured by the chinch bug. Adams: Injured by the chinch bug.

Chadron: Injured by the chinch bug. DeWitt: Injured by the chinch bug. Morrill: Injured by the chinch bug. Holt: Injured by the chinch bug. Kearney: Injured by the chinch bug.

Lincoln: Injured by the chinch bug. Hamilton: Injured by the chinch bug. Boone: Injured by the chinch bug. Sherman: Injured by the chinch bug. Adams: Injured by the chinch bug.

Chadron: Injured by the chinch bug. DeWitt: Injured by the chinch bug. Morrill: Injured by the chinch bug. Holt: Injured by the chinch bug. Kearney: Injured by the chinch bug.

Lincoln: Injured by the chinch bug. Hamilton: Injured by the chinch bug. Boone: Injured by the chinch bug. Sherman: Injured by the chinch bug. Adams: Injured by the chinch bug.

Chadron: Injured by the chinch bug. DeWitt: Injured by the chinch bug. Morrill: Injured by the chinch bug. Holt: Injured by the chinch bug. Kearney: Injured by the chinch bug.

Lincoln: Injured by the chinch bug. Hamilton: Injured by the chinch bug. Boone: Injured by the chinch bug. Sherman: Injured by the chinch bug. Adams: Injured by the chinch bug.

Unless rains come at an early date the average will be materially reduced.

Following are the reports on the wheat crops just harvested: Nebraska, Douglas (county): Has been gathered in good shape. Frontiers: Has improved rapidly in the last month, but has been badly damaged in places by hail. Thurston: Fairly good; harvesting just commenced.

Lincoln: Nearly a failure. Wheeler: About all out and shucked. Thomas: Damaged by drought and hot winds. Namee: All in stacks in good condition. Platte: Poor. Garfield: Will be a very light crop.

Washington: Grasshopper has done considerable damage to crop.

South Dakota: Day county: Needs rain very much; weather not favorable to the filling. Aurora: Harvest just commenced. Extreme drought and hot winds have had a light crop. Beadle: A thin stand, short straw and short heads; dry weather and hot winds have caused heavy losses.

Brookings: Is filling out well. Sanborn: Good. Butte: Harvesting better than a week ago; on the 29th we had a good rain. Brookings: Is filling out well.

St. Lawrence: Below the average. Lucas: Some fields badly rusted. Cheyenne: Injured by the chinch bug. Les Moines: Injured by the chinch bug. Douglas: Injured by the chinch bug.

De Witt: Injured by the chinch bug. Kearney: Injured by the chinch bug. Lincoln: Injured by the chinch bug. Hamilton: Injured by the chinch bug.

Boone: Injured by the chinch bug. Sherman: Injured by the chinch bug. Adams: Injured by the chinch bug. Chadron: Injured by the chinch bug.

DeWitt: Injured by the chinch bug. Morrill: Injured by the chinch bug. Holt: Injured by the chinch bug. Kearney: Injured by the chinch bug.

Lincoln: Injured by the chinch bug. Hamilton: Injured by the chinch bug. Boone: Injured by the chinch bug. Sherman: Injured by the chinch bug. Adams: Injured by the chinch bug.

Chadron: Injured by the chinch bug. DeWitt: Injured by the chinch bug. Morrill: Injured by the chinch bug. Holt: Injured by the chinch bug. Kearney: Injured by the chinch bug.

Lincoln: Injured by the chinch bug. Hamilton: Injured by the chinch bug. Boone: Injured by the chinch bug. Sherman: Injured by the chinch bug. Adams: Injured by the chinch bug.

Chadron: Injured by the chinch bug. DeWitt: Injured by the chinch bug. Morrill: Injured by the chinch bug. Holt: Injured by the chinch bug. Kearney: Injured by the chinch bug.

Lincoln: Injured by the chinch bug. Hamilton: Injured by the chinch bug. Boone: Injured by the chinch bug. Sherman: Injured by the chinch bug. Adams: Injured by the chinch bug.

Chadron: Injured by the chinch bug. DeWitt: Injured by the chinch bug. Morrill: Injured by the chinch bug. Holt: Injured by the chinch bug. Kearney: Injured by the chinch bug.

Lincoln: Injured by the chinch bug. Hamilton: Injured by the chinch bug. Boone: Injured by the chinch bug. Sherman: Injured by the chinch bug. Adams: Injured by the chinch bug.

Chadron: Injured by the chinch bug. DeWitt: Injured by the chinch bug. Morrill: Injured by the chinch bug. Holt: Injured by the chinch bug. Kearney: Injured by the chinch bug.

Lincoln: Injured by the chinch bug. Hamilton: Injured by the chinch bug. Boone: Injured by the chinch bug. Sherman: Injured by the chinch bug. Adams: Injured by the chinch bug.

HELP IS WANTED by the women who are ailing and suffering, or weak and exhausted. For every such woman, help is guaranteed by Dr. Pierce's Favorite Prescription.

"change of life" men at the critical confinement; nursing mother and every woman who is "run-down" or overworked, it is a medicine that builds up, strengthens, and regulates, no matter what the condition of the system.

It is an invigorating, restorative, tonic, a soothing and bracing nervine, and the only guaranteed remedy for "female complaints" and weaknesses.

WOMEN WHO ARE WEAK, PALE, AND SUFFERING FROM NEURALGIA, HEADACHE, BRUISED AND ACHING BONES, AND ALL THE OTHER AFFECTIONS OF THE SYSTEM, WILL FIND RELIEF IN DR. PIERCE'S FAVORITE PRESCRIPTION.

DR. PIERCE'S FAVORITE PRESCRIPTION FOR PALE AND WEAK WOMEN. It is a medicine that builds up, strengthens, and regulates, no matter what the condition of the system.
