When I began to take treatment from Drs. Copeland and Shepard about four weeks ago I was suffering from severe bronchitis and catarrh of the throat and lungs. I had no appetite, coughed incessantly, had no sleep, and in fact my health was so broken down that I was compelled to resign my position as pastor of the First Christian church of Omaha, Neb. After four weeks of treatment from these gentlemen I feel much better and I am feeling in fact better than I have for years.
