LIGHTNING RODS IN BEWILDERING ARRAY

Forecast of a Citizens Movement-Cavaleade of Candidates - Official Call for the Republican County Convention-"Proxies Don't Go."

Although a month will yet intervene before the republicans of Douglas county will meet in convention to nominate a ticket to be submitted to the voters November 7, the campaign is already on, and aspiring candidates are availing themselves of every opportunity to show themselves at meetings o the ward and precinct political cluts, and invite encouragement and support.

Seldom, if ever, has there been such a multiplicity of candidates on the republican side of the house, and many of them have but recently entered the political arena for the first time. Up to this time compara-tively little has been heard of the opposition, which fact may in a measure account for the anxiety of so many to try conclusions before the republican convention, believing that a nomination will be equivalent to an

It seems that the reason that matters on other side have not yet assumed a defi nite shape is the strong sentiment in favor of a citizens ticket, and a desire to wait and see what will be done by the republins. The citizens movement is advocated a number of democrats and a section of the peoples' party, as well as by a lot of re-publicans who object to having party affairs run as was the case last year. The talk of a citizens ticket has not however, caused all candidates aside from republicans to stiffe their political ambition, as a goodly number of democrats have launched their boomlets, trusting to find a satisfactory haven either in a democratic of citizens convention.

The republican county nominating conven-

tion will not be held until October 14, which is the last day on which a ticket can be nominated, as under the Australian ballot law the names of the nominees must be filed twenty days before the day of election. It is stated that the principal object in post-poning the convention until the last minute was to head off the citizens movement by forcing the other parties to hold conventions and nominate before ascertaining the action of the republicans.

Eager for the Fray.

The republican city central committee did not find it advisable to wait so long, and fixed the city convention for October 7, just a week in advance of the county gathering. The people's party city central committee concluded that it might as well open the ball, and fixed its convention for September ust two weeks before the time set for the republican convention, while the demcerats have thus far issued no convention call for either county or city, and the peo-ple's party has as yet issued no county call. Some of the candidates who intended a month ago to make an effort to capture a nomination have given it up, while others who were then talked of by friends have positively refused to allow their names to be idea of entering the field, have since de clared themselves as in the fight to stay until the finish, and die if need be with their

The list of candidates, as it now confronts the prospective delegates to the various con-

ventions, looks about like this: For Mayor—Republican, Mayor George P. Bemis, E. P. Davis, Dr. S. D. Mercer, J. H. Beinis, F. P. Davis, Dr. S. D. Mercer, J. H. Kyner, C. L. Chaffee, Democratic, ex-Gov-ernor J. E. Boyd, Jeff W. Bedford, Truman Buck, Euclid Martin, Charles H. Brown, Captain Rustin, W. H. Ijams, Judge Charles Ogden, A. S. Potter. Ex-City Comptroller Charles S. Goodrich has had quite a follow-ing, but emphatically refuses to allow his

name to be used further in that connection.

For City Clerk—Republicat, City Clerk
John Groves, Beecher Higby, Van D. Lady,
Harry Counsman, Charles Unitt. Democratic, George J. Sternsdorff. The latter was disposed to hanker for the office of registrar of deeds, but the friends of Councilman Eisasser induced him to pull out of the way and leave the Second ward states-man a clear track, and content himself with

the city clerkship.

Henry Bolin seems up to this time to be the only aspirant for the position of city treasurer. There is likewise a scarcity of demo-cratic candidates for that position. Captain Rustin was talked of for the place, but has concluded that the mayoralty is a little nearer his size.

Theodore Olsen wants another term as

city comptroller, but will have to defeat Melville Redfield of the Second and E. D. Simpson of the Fifth ward if he secures the endorsement of the republican conven-W. A. Gardner and Frank Colley are the democrats who will stake their chances

County Clerk Fred J. Sackett is encountering no opposition while seeking the nomination for another term, and Jack Evans and Charles A. Tracy will contest for the democratic nomination.

Seeking the Shrievatty.

For sheriff there is a full field of candidates. Among the republicans are Sheriff George A. Bennett, R. W. Gibson, Colonel E. P. Savage, Judge Lee Heisley, Judge J. M. Fowler, C. C. Cox, J. M. Vaughn, Demo-M. Fowler, C. C. Cox, J. M. Vaughn. Demo-cratic, John Drexel, Nat. H. Brown, Charles Van Camp, C. H. Withnell, Louis Boehme. C. P. Williams. Councilman R. E. Howell has withdrawn from the race. It is under-stood that Judge Helsley will not be a candi-date before the republican convention, but would like to have the nomination on a citizens ticket. County Treasurer H. B. Irey and George

Heimrod will contest for the nomination for the treasurership before the county con-vention. The candidates among the democrats are Louis Shroeder, Frank Lange and Lee W. Sprattin. County Commissioner (Third district)-

Republican, John McLearie, Thomas Crocker, John Jenkins, T. H. Gilmore, W. G. Shriver, P. S. Balen, J. M. Counsman; democratic, William Devrles, W. C. Bullard, George W. Tierney, A. D. Pratt. In the Fifth district the lines will prob-ably be drawn just as they were a year ago between Commissioner G. R. Williams and

William Olmstead. For Registerr of Deeds—Republican, M.
B. Horner, B. C. Smith, John N. Westberg,
Andy Wiggins, C. C. Stanley, Prof. G. R.
Rathbun, Jonathan Edwards, M. G. Macleod, Charles Unit. On the other side P. E. El-sasser has the field all to himself. It will be observed that Charley Unitt aspires to both this office and that of city clerk, and it may be further stated that neither of these really tells the story, as he does not hope to capture the nomination for either but expects

to have a little following which can be so disposed of as to secure for him the position of deputy in one of the offices named. of deprity in one of the offices named.
For Coroner—Republican, Coroner M. O.
Maul, C. J. Bachmana, Dr. W. O. Rodgers,
H. L. Burkett, George Vallen, Dr. R. W.

connection but withdrew from the race in m but withdrew from the ra

view of the fact that his partner, J. H. Blair, is a candidate for the district bench.
Judge of the District Court—Republican,
J. W. Cair, G. W. Ambrose, J. S. Miller, J.

democrats now in the field, and it is a foregone conclusion that the democrats will enderse the action of the lar convention. dorse the action of the bar convention

PAVERS PROCRASTINATE.

Van Court & Co. Haven't Begun Work on Military Avenue Yet-Their Excuse. Some dissatisfaction has been expressed because of the failure of Van Court & Co., the brick contractors, to begin the paving of Military avenue from Grant street to the city limits. Hugh Murphy has the contract for setting the curb and has put in 600 feet. As the paying firm has not commenced work Mucphy has pulled off and will set no more curb until it does.

Murphy justifies his action by the state-ment that he cannot afford to set 6,000 feet of curb and have the cost of the same tied up for a couple of years, which would be the case provided Van Court failed to comply with his contract. The levies for paving and curbing are both made at the same time and a levy for curbing cannot be made until the

street is paved.
On the other hand, Van Court does not shoulder the responsibility for delay and lays it at the doors of the contractors who are to make the water and sewer connec-tions on the street, which must be done before the pavement can be laid. fore the pavement can be laid. These con-tractors have been ordered by the Board of Public Works to perform this work, and will do so immediately

Van Court also has a contract under way in South Omaha, which he will complete within a few days, and he will then be ready to transfer his forces to work in this city. Mintary avenue is one of the largest contracts awarded, and to pave the same will require 1,500,000 vitrified brick.

Streets to Be Graded. Today the Board of Public Works will receive bids for paving the alley from Cuming to Izard street, between Twenty-first and Twenty-second streets. Bits will also be received and contracts awarded for grading the following streets: Doreas. Second to Sixth; Twenty-eighth. Franklin to Parker; Cuming, from 300 feet west of Forty-third street to Forty-fifth avenue, and the alley between Cass and Cal-ifornia and Twenty-fifth avenue and Twentysixth street. Also grading sidewalks on both sides of Twenty-fourth street from

City Detectives Must Make Itemized Statements of Past Expenditures. Members of the city detective force have be in ordered by Chief Seavey to render an itemized account of all expenses incurred in going after fugitives from justice during the past two years.

These accounts will be checked up and carefully investigated. They will then be turned over to the police commissioners for their examination.

The detectives must account for all their nileage, hotel and other bills and state what disposition was made of the prisoners after bringing them back to Neprassa. All mileage traveled on passes and charged in full to the state must also be made known.

Reduction in World's Fair Rates. On Tuesday, September 19, the Chicago, Rock Island & Pacific railway will sell tickets to Chicago and return at \$13.00 for the round trip. You can take the World's fair special at 4 p. m. from union depot, arrive at Englewood at 7:37 a. m., take electric car to the fair grounds and be on the inside at 8 a. m.: or you can take the Nebraska state limited at 5 p. m., have breakfast on dining car, arrive at Englewood 8:35 a. m. and be on the fair grounds before 9 a. m. FILED AN ANSWER.

Edwin W. Mosher Repties to the Complaint of Receiver Hayden. Edwin W. Mosber ims filed his answer to

he complaint in the case of Kent K. Hayden,

eceiver of the defunct Capital National bank of Lincoln against E. W. Mosner, In his answer the defendant states that before the commencement of the above action, and before the appointment of the claintiff as receiver of the Capital National ank, he transferred to C. W. Mosher and is partner, Richard Outcalt, large tracts of and and sundry other real estate, besides a

great number of perigreed horses and other personal property, the whole being of the value of at least \$130,000, and being all he possessed with the exception of some other property, which was already mortgaged to its full value. The property referred to is scheduled in full in the petition, and makes a good-sized list. Most of the real property

a good sized list. Most of the real property named is in Custer county.

Mr. Mosher further claims that he not only owed C. W. Mosher and Mr. Outcalt personally, but that he was indebted to the Capital National as well, and that Mosher and Outcalt, in accepting the transfer of the respondent's property agreed to hold part of respondent's property, agreed to hold part of the same in trust for the bank, and further, that the bank, in consideration of the transfer to it of most of the real estate deeded by the respondent to its president and cashier, agreed to discharge the respondent's inobteaness to the institution. It is further set forth that the respondent

transferred to the bank certain promissory notes, real value unknown, but of the esti-mated value of \$15,000 and judgments, sup-posed to be worth \$10,000 besides a large amount of cash, which the bank accepted, it is claimed, and has retained, used, enjoyed and, incidentally, realized upon, wherefore the respondent claims that the notes upon which he has been sucd have been paid and he asks to be allowed to go on his way reolding, with naught to pay but the costs.

MULLENDORFIN QUEER STREET.

United States Murshal Said to Be After Him for Land Frauds.

So far as the Mullendorfs are concerned. everything is quiet out on the Elkhorn. This condition of affairs has been brought about by the fact that Dan C. Morton, the man whom Albert Mullendorf charged with stealing his wife's affections, has been held to the higher court, there to answer to the information alleging assault.

Mullendorf is not a happy man, by any leans, as it has leaked out that one of the United States deputy marshals from the Cherokee Strip is on his trail, armed with a gun and a warrant. Mrs. Mollendorf is the party who has given the snap away and to some of her friends she has said that Albert was liable to get into serious trouble. She declares that years ago he exercised all his and her rights in Kansas and Dakota, and that his going to the Cherokee country was for the sole purpose of defrauding the government by stearing a tract of land. She also says that he registered his name for some of the land and took his place in the line, but upon being discovered as having been a party who had pre-empted, homesteaded and tree-claimed the whole country, he quietly slid out, but not until he was spotted by one of the United States deputies.

"Time is Money."

If you want to save time and money when you go to the fair you will go via the Great Rock Island route. Why? Because it is the only line via which you can reach the fair without a transfer through the city of Chicago. If you will stop and think this over, get one of our maps showing location of the grounds in connection with our line at Englewood, you will see that as a World's fair line we lead all others. If you go via any other line you will have a tiresome, tedious trip across the city to reach the fair grounds, and on arrival find friends who left Omaha same day as yourself who have been on the grounds an hour or more. Call at Rock Island ticket office for rates, maps, sleeping car reservations, and any information you may want in regard to routes, rates, etc. Chas. Kennedy, G. N. W. P. A.

Seeking Satisfaction. One of the employes at the smelting works was looking for an agent of the Colorado Accident Insurance con pany last night to get back the first payment of a policy. The man claims that he paid an agent for this company \$5 and took his receipt therefor. He says that shortly after the company failed and that he is out his \$5. The man said he would recover his money or take great pleasure in punching the agent's head and thus derive a satisfaction equivalent to the amount expended for his experience.

Busy people have no time and sensible people have no inclination to use pills that make them sick a day for every dose they take. They have learned that the use of De Witt's Little Early Risers does not interfere with their fere with their health by causing nausea, pain or griping. These little pills are perfect n action and result, regulating the stomac and bowels, so that headaches, dizziness and lassitude are prevented. They tone up the system. CRIME IN HIGH PLACES! It is not strange that some people do wrong through ignorance, others from a failure to investigate as to the right or wrong of a matter. But it is strange, that individuals and firms, who are fully aware of the rights of others, will per sist in perpetrating frauds upon them. High-toned, wealthy manufreturing firms will offer and sell to retail merchants, articles which they know to be infringements on the rights of proprietors, and imitations of well known goods. We want to sound a note of warning to the retailers to beware of such imitations and simulations of "Carter's Lit-TLE LIVER PILLS." When they are offered to you, refuse them; you do not want to do wrong, and you don't want to lay yourself liable to a lawsuit. Ben Franklin said "Honesty is the best policy": It is just as true that "Honesty is thebest principle."

OUR BELOVED LITTLE ONES.

BLESS 'EM.

The average American youngster acquires more practical knowledge in one year than his foreign cousin does in three thanks to our most perfect and world-renowned school system, and more so to our encouraging American mothers. At every beginning of the school season you will find these sensible and proud mothers squirm in order to dress their beloved boys becoming, neat and holiday like. The boy becomes proud and finds going to school a source of pleasure, equally as well as his father, who is the school director.

Of course, to please a boy in his apparel is no easy task, we admit. The best you can do in order to avoid a good deal of inconvenience, bring him to us, introduce him to one of our polite salesmen, who will show you a few hundred different shades and fabrics. When you see em all, you can depend on seeing everything under the sun. After selecting your choice you needn't look elsewhere for his hat, shoes, waists, underwear and all else. . We have 'em in abundance, of every description and every price.

We still charge for a good knock-about suit, \$1. Our \$1.60 and \$2 suits are finer than last year-make splendid school suits. But the suit that makes all the clothiers grumble, is our leader, that famous \$2.50 one. Got 'em made up better and cheaper this year, because of so many unemployed tailors in New York. Beautiful patterns and firm, solid colors, cheviot and cassimere materials. \$3, \$3.50 and \$4 suits are made of genuine Scotch and Irish homespuns, that a cast iron. Our finer grades range up to ,7,25; that the world

Next "Shoes." We carry the kind that are rough on the boys and you don't pay shoe store prices either -goc for a splendid school shoe, finer in proportion 'till you reach \$2.00, Our latest catalogue contains samples of boys' wear; it will pay you to go through it. If you have not one send your
