An eighteen-inch vein of ore has been struck in the Katy mine, Russell gulch. A car shipped from the Good Hope in the new Bear Creek district, near Creede, re-turned \$5,000.

Telluride last week shipped fifty-two cars of ore and concentrates to Denver, all but two coming from the Smuggler-Union.

Wyoming cattlemen have been realizing well from recent shipments. G. H. Gilland netted \$43 a head for the last trainload shipped. A ten-stamp mill is to be erected in the

McCourt district, in the voicanic area, but quite a little south of the Cripple Creek camp proper. The Jessie mill in Gold Run in the Breck enridge district will start up forty stamps in a few days. The mine is in a vein from four to sixteen feet wide.

A strike showing nuggets of gold has been made in the Excelsior prospect near Tellu-ride. It is one of a group of eleven claims, which can all be worked by one tunnel. The cog road at Manitou has shut down for the season. About 7,000 passengers have been carried this year compared with 15,000

last year. There has not been a single accitert on any of the trains. Prof. Stone of the Colorado college has gone to Flagter in the eastern part of the state to arrange for the removal of the fossilized remains of a scurim to the college. It is a fine specimen 100 feet long, and was

recently discovered by the sheep herders of Seldomridge & Pebbles. The gold production of the Silverton district is increasing with great rapidity. Many gold properties lule for a long time are resuming. The Nevada is taking out four tons of high grade 4 dby. A recent shipment of it returned 61.25 bunces gold and 340 silver to the ton, worth \$1.756.23. Milling ore from the three-foot vein runs thirty-two ounces

The Victor Coal company has separated from the Union Pacific, and the headquarters are now moving buck to Trividad, whence they came hast spring. The main occasion of the move is the receivership complications of the Union Pacific. This company has five mines, putting out addly from 1.400 to 2.400 tons of coal and employing nearly 800 men. C. L. Westerman of Breekenridge is ex-hibiting a large bottle of coarse gold recently washed from the piacers of that district. He

states that since the closing down of so many silver mines the miners of that dis trict are developing the gold properties. New strikes are being made rapidly and the placer mines are developing great riches. He predicts greater gold excitement in Colorado during the next year than this section of country has ever known. country has ever known.

The Dakotas. Business men of Faulkton are figuring on the erection of a planing mili. The people of Spearish are preparing for a big jubilee on or about November 12 upon the occasion of the completion of the B. & M.

road to that place. The fail roundup of the Missouri River
Stockmon's association at Pierre has been completed. All the cattlemen and cowboys of the association were in and a grant bal!

All Arres has secured 1,000 Loch Loven trout with which he will stock the Upper and Lower LaPrele, above and below the falls. These trout come from the United

was given in honor of the occasion. Reef cattle are in splendid condition and cattlemen are jubicant over the fine condition of

Every day something about the town of Volin on the Great Northern and Northwest-

ern roads is heard. The latest is that an opera house is being erected there. Workmen engaged in digging a well at Custer, Custer county, struck a ledge of pyritic ore, which they believe contains gold in large quantities. Samples have been sent o an assayer for examination.

The present flow of the Belle Fourche artesian was struck at a depth of about 525 feet, and is now about 105,000 gallens every twenty four hours. Under an agreement with the Elkhorn railway, the com is to receive a certain amount of real estate to compensate for its outlay in sinking the well, the contract calling for a well that will flow 75,000 barrels every twenty-four hours. Twenty Indian policemen and two while men returned to the Lower Brule agency last

week with over 100 Indian prisoners whom they captured on the abandoned Fort Ran-dall military reservation down river and brought back under arrest. The prisoners are the remnant of a faction that have for years stoutly fought all attempts to induce them to remove to the new reservation set apart for them up river. Their desire has always been to move to the Rosebud reservation, not with standing the fact that the Rosebud Indians were opposed to the transfer. Young Kintsvogel, the H-year-old son of a rifty Russian, living a few miles north of

lebron, had an adventure with an earle He was out in the field, when the bird, measuring six feet two inches from tip to tip, lurched at him, grasping his arm with his beak. His thick coat and two shirts were slashed by the engle's beak, but the boy was too heavy to carry off that way. The lad grasped the bird's neck and in some way felt over its body. He managed to hold the bird until assistance came, attracted by the noise that was going on. A big brother speedily put an end to the struggles of the feathered biped, and a local taxidermist is now hard at work mounting it.

Oregon. Oregon is shipping apples to Texas. Pendleton's "400" are giving "hard times" parties, when old clothes are worn.

Money loaners have commenced adver-

tising again in the Pendleton papers. J. P. Lewis of Althouse, Josephine county, planted 500 pounds of spuds last summer and has just harvested 12,000 pounds as a result. Another trainload of sheep went east rom Pendleton the other day over the Inion Pacific. There were eleven cars, in

all 3,178 sheep. The shipments of fruit from Medford, tween September 1 and 20 amounted to 585,-440 pounds, or a little more than twenty-nine carloads. Of this amount seventeen carloads were pears.

The execution directing the sale of the Oregon Pacific railroad has been placed in the hands of the sheriff at Corvalis. The date is fixed for Friday, December 15. The deposit of \$200,000 cash or certified checks in the required sum are to be applied on the purchase when the sale is confirmed. W. E. Page of Netarts is showing samples in Tillamook of leather which he had tanned

on his ranch. He uses hemtock bark, and

the leather is of good quality. He had samples made of cowhide, buck, seal, and also of sea lion skin. The sea lion skin makes fine leather, which is impervious to water. A sheep man of Butler creek named How rd, who was caught back in the mountains by the late heavy fall of snow, which was in many places much over a foot in depth, was compelled to break the snow with a log which he dragged along the trail with his team, in order to get his sheep out. He had

to keep this up for five days before getting through the mountains. Mansfield & Sous are getting out some very rich rock from a newly discovered ledge on the side of the Jewett mountain, about three miles from Grant's pass. The pay streak is about six inches wide, and is composed of decomposed quartz, which fairly glitters with gold. They are hauling the ore to Jewett's arastra and grinding it. The pay s.reak shows every indication of perma-

nence. A report has reached Salem that some persons maliciously removed the corner stone from the foundation of the Hope chapel building, situated about six miles south of Salem in the red nulls, and took therefrom all the treasures, relics, etc., that had been placed within at the time the same was laid. things taken. The stone was pulled from its position under the structure and rolled a few feet distant after being broken open.

Blaine's two canneries put up 3,360,000 ounds of salmon. Tacoma claims a population of 52,329. The basis is the new city directory.

Hereafter all divorce cases at Seattle,

Wash., will be heard in open court. They cannot get out oysters fast enough at Willapa to keep up with the demand. The total number of all kinds of live stock in Walla Walla county is 61,110 head. Fifteen thousand people from the state of

Washington have visited the World's fair. Spokane, Wash., has 236 electric arc lights at present, for which the city pays \$8 per month each. Children playing with matches set fire to a barn near Goldendale and Ike Snodgrass lost 1,000 sacks of wheat in the blaze. Private advices state that twenty men were eaten alive by wolves at Shensi on Oc-

tober 14 and 15. Wild animals overrun that James Sutton, an English gardener, has succeeded in growing licorice in the Puyalup valley, and has hopes of establishing an

important industry. Enterprising citizens of Washington have tried the experiment of shipping apples and pears to China and Japan. In every instance so far the fruit has reached its destination in good condition.

The city council of Spokane has passed an ordinance requiring pawnbrokers not only to keep a registration list of all the articles handled by them, but to furnish the police with a report daily. The total registered tonnage of the wheat ships that have left Tacoma, Wash., since September 2, those there now loading and waiting for cargoes and those known to be

on the way to Tacoma from foreign ports amounts to 40,191 tons. S. W. Childers has forty acres of airalfa land near Columbus on a beach about 500 feet above the Columbia river, from which he cuts three crops annually, aggregating an average of six tons to the acre. The

alfalfa grows without irrigation. Prof. Elliott Coues of the Smithsonian the west in connection with a revision and a re-editing of a volume of the travels of Lewis and Clark. He has followed their trails across the mountains as far as practicable

at this time of the year.

Tacoma has a real live marquis' son. He modestly passes under the plebelan name of Charles Gillespie, and earns an honest live-lihood wearing a cotion—shirt—and overalls while he works for day wages on the streets. He is a son of the marquis of Waterford, one of the most aristocratic Irish families. He has been discoved by his father and for several years has led a harum-scarum life in New Zealand and this country, working as a cleaner.

Captain J. W. Budd and Agent M. Hardman returned tonight from a stormy council with the Courd'Aiene Indians, insting five days. The agent asked Chief Saltese to give up the Harrison townsite on Lake Courd'Alene to white settlers. Chief Saltese refused unless paid \$2,000, and says that all white men must leave the reservation unless the cash is paid in two weeks. He has 500 braves well armed and Harrison contains only 300 people, counting women and children. The real cause of the trouble The real cause of the trouble and children. is Chief Saltese fears that the Spokane Indians will be given part of his land.

Wyoming. The Warren Live Stock company shipped ten double-deck cars of sheep from Laramie last Saturday. About 200 cars of live stock have been shipped from Rawlins during the past two

A company with a capital stock of \$450,000 has been organized in Iowa to develop the coal interests of central Wyoming. It is claimed that there was more corn raised this season in the Big Hora basin than in all the rest of the counties of the

state combined.

States Fish commission, and according to a letter received from the commissioner they will arrive some time this month. They will be 1 year old, and it is safe to say that they will do well.

The diamond drill is doing good work for the Oronoga Mining company at the Silver Crown mines, twenty miles north of Chey-enne. It is down 200 feet and has penetrated

a vein of ore sixteen feet thick. J. M. Douglas, an old prospector and placer miner, has outlitted for a winter's campaign in the Elk mountain basin. He claims to have made an important discovery, according to the reports from Saratoga.

The Big Horn canon is to be prospected The Big Horn canon is to be prospected for gold this winter. A couple of mountain miners think that when the river is covered with ice they can get through the canon and can see the walls of stone and inspect

Many cars are loading wainuts in south ern California for shipment east. Grape shipments from Senoma county to the eastern market this year netted \$70 a

A company has been formed at Oroville, with a capital stock of \$50,000, to cultivate olives.

Prunes to the value of \$603 were taken this year from an acre of ground on a ranch near Colusa. A woman over 70 years of age committed suicide at Brighton City, U. T., by nanging

berself.

A Russian engineer, David Golovneon, is in Arizona investigating the Satt river irrigation system. Good reports continue to come from the

Cold Springs district, ten miles north of Kingston, N. M. After seventeen years of married life a man 74 years of are has been granted a divorce at Salt Lake, U. T.

San Jose papers have inaugurated a crusade against the display of "to let" and "for sale" signs by real estate agents. A 7-year-old pupil in a Truckee school drew a knife when his teacher attempted to whip him. He was disarmed and punished

claims to have perfected a device which will automatically elevate water from a well of any depth. There is talk of the Cour d'Alene lead mines closing down entirely unless the price

Arizona

An inventor of Gila county,

goes up. The miners are holding out for \$3.50 a day. Nevada City's champion mining drill operator is soon to meet the middle-weight champion of the Colorado mines in a drilling match for \$100 a side.

The Indian convicted of burying a child alive at the Parker Indian agency, Arizona, was sentenced to three years and seven months in the territorial prison. A skating rink will be opened on the ground

floor of the Prescott, Ariz, opera house soon.

while the second story of the same building will be used as barracks for the Salvation army The heaviest rains for Arizona during the month of September occurred at Fort Grant, which last year came near being abandoned for lack of water. During the month 3.87

The Tokay grape crop of Sonoma valley will not the producers betweent \$70 and \$75 a ton. The crop it a heavy one, and the bunches are large and full and free from all blemishes. A thirty-inch pay streak of gold quartz running \$134 has been uncovered at Monu-ment Rock, nine miles up the river from

Santa Fe. It is the first strike ever made in

the Santa Ferange. Contractor McKoene began work on the new levee with a full force of men and teams. The levee will be 3,000 feet in length, three months to finish it. A tramp at Winnemucca, Nev., made

threats that he intended to blow up the town and railroad. Constable Wolf took the

chap into camp, and on searching him found two packages of dynamite in his pockets. It is reported that southern California capitalists are considering a proposition to locate a beet sugar factory at Stevens, on the Asphalto branch of the Southern Pacific line, north of Buena Vista lake reservoir. A Pomona fruit grower claims to have

propagated a new variety of peach, in the canning of which no sugar is necessary. is asserted that the juice from the fruit maks a sirup as thick and sweet as can be on the hand by a rattlesnake a few days ago. He immediately sucked the poison from the wound, swallowed a quantity of tobacco and

coulticed the wound with clay and tobacco. He recovered. Tramps are becoming a puisance in south orn California. The other day four of the fraternity took possession of a Santa Fe dining car at Riverside and helped themselves to provisions. They were finally driven away by the Chinese cook armed with a gun. Chief Justice Hayt declares against the proposed suspension of the assessment work law. He calls attention to the fact that one Kansas City company owns forty claims at Creede, tying up an immense area, from which the miners would derive no profit if the bill passes

the bill passes. The contractors boring the new gas well at the Stockton Insane asylum are in difficulty. A large iron roller became detached from the apparatus and dropped to the bottom—1,780 feet below the surface. They are now trying to move the obstruction to one

side so that work can go on. An Esquimalt Indian, living near Soonich, B. C., believed his wife guilty of infidelity. Notwithstanding her denial of the charge he prepared a big bonfire and thrust her into She was rescued by others attracted to the scene by her cries of agony, but suffered terrible burns and her life is in danger. Parties returning from the San Marcial, Sonora, coal fields brought a large quantity of

anthracite coal taken from a ten-and-a-half-foot stratum penetrated by a forty-foot prospecting shaft. It is said that prospecting with a diamond drill has proved that these fields contain an almost inexhausticle supply of the finest of anthracite coal. Tiptop, Arizona, has heretofore been the most prosperous mining camp in the territory. It was a chloride camp, but yielded \$5,200,000 yearly. A company was organized last spring to work the properties in the district on a large scale. The enterprise was abandoned two or three months since on account of the low price of silver, and the

camp has been totally abandoned. Where six months ago was a prosperous little vil-

lage, with a school, stores and the hum of

industry, today nothing is left but two lonely individuals who remain to look after property. An important contract has been filed in which a land and water company undertakes to furnish the Right irrigation district with 301.50 inches of water from what is known as the Meek's mill property, and 348.50 inches from the Lord place; also to construct pipe liner and lateral pipe lines for the dis-tribution of the water over an extensive area of the orange belt in and about the town of Rialto. In consideration of the water and pipe lines the irrigation district turns over \$500,000 in irrigation district bonds, which have been deposited with W. S. Hooper, cashier of the San Bernar-National bank, as trustee for both

parties. The joints and muscles are so lubricated by Hood's Sarsaparilla that all rheumatism and stiffness soon disappears. Get only

Tax collections for October are reported as being very satisfactory by City Treasurer Bolln. The following statement shows the collections and distributions to the different

For all forms of disordered stomach us Bromo-Seltzer. A paiatable, prompt cure.

THEY ALL MET IN HARMON

Yesterday's Harmonious Session of the Western Passenger Association.

MORE POWER GIVEN THE CHAIRMAN

Authorized to line Roads Which Fall to Send a Representative to the Meetlogs of the Association-

Bailroad Notes.

CHICAGO, Noy, 7 .- The meeting of the Western Passenger association today was the most harmonious and successful the association has yet held. A resolution was passed putting the rate clerks meetings under the direct supervision of Chairman Caldwell, gaving him authority to fine roads whose representatines are absent from meetings. There has frequently been great trouble and delay in prominigating rates because of the poor manner in which the rate clerks have attended their meetings.

General Passenger Agent Barker of the Missouri, Kansas & Texas, asked that the association fines adopt a monthly series of

one fare harvest excursions from Chicago to Texas, commencing the first Tuesday in December and continuing into May. The matter was not definitely settled. The trouble over the question of immiration business with the Union Pacific was not brought up, but H. C. Townsend of the Missouri Pacific was requested to co-operate with the committee arready appointed.

The annual report of the Chicago Great Western for the year ending June 30, shows gross earnings of \$5,083,014; net earnings were \$1,127,839, a decrease of 20.60 per cent

from last year. COULD NOT ELECT A CHAIRMAN.

Yesterday's Meeting of the Southwestern Traffic Association.

St. Louis, Nov. 7.-The Southwestern Traffic association, in session here today, received telegraphic advices from the Matlory. & Cornwell steamship lines that representatives would attend the meeting as soon as a chairman is elected. With assurance, the association, whose railroad membership has been at work revising the proposed agreement, concluded that the election of a chairman was preeminently important. A large number of ballots were taken during the day, but no result was reached up to adjournment. Sev eral candidates were voted for, but the leaders throughout most of the day were C. A. Parker, freight traffic manager of the Missouri Pacine; H. C. Wicker, formerly traffic manager of the Chicago & Northwest-

the Newport News & Mississippi Valley and Chesapeake & Ohio Southwestern system. Railroad Patrons Object.

ern, and L. F. Day, traffic manager of the Mississippi Valley route, a combination of

CEDAR RAPIDS, Ia., Nov. 7 .- [Special to THE BEE. |-The Chicago & Northwestern road has made many radical changes along its line in Iowa, especially between here and the Mississippi river, where it has a double track. Nearly all the night men have been laid off. This is the case in all the smaller towns. The anticipated decrease in passenger traffic is assigned as the cause of night men have been laid off, persons wishing to take night trains are compelled to purchase tickets during the day, as the depots are closed at night. There is much complaint heard at many of the places, the

patrons of the road declaring it is not war ranted by the condition of affairs. Details Practically Sattled. CLEVELAND, Nov. 7. - White the consolidation of the Cieveland, Lorraine & Wheeling and the Cleveland & Southwestern railway

has not yet been formally accomplished, the

details are practically settled and the matter of constructing the latter road is one that will be decided chiefly by the future feeling in the financial world. The report is current in railway circles that the Lake Shore's holding of Cleveland, orraine & Wheeling stock, which is \$774,000 preferred, and \$169,100 common, valued by the Lake Shore one year ago at \$752,800, has

been quietly transferred to parties interested in the Cleveland, Lorraine & Wheeling and all opposition has been thus wiped out. Turned Over to the Stockholders. GREENFIELD, Ill., Nov. 7 .- The receivers of the Jacksonville Southeastern have turned the Litchfield, Carrollton & Western railway branch over to the local stockholdnome parties, E. W. Clifford of Cartinville being elected to the office of superintendent. Arrangements have been perfected with the

Chicago, Burlington & Quincy to receive all freight at this point. Will Restore Wages. MILWAUKEE, Nov. 7 .- General Manager Whitcomb of the Wisconsin Central lines officially announces that the salaries of all

officials and employes which were cut in August last will be restored at once. The

restoration will include salaries for Novem-Short Rans. S. H. H. Clark is expected back the last of the week. B. F. Buck of the Railroad Record went to

Chicago yesterday afternoon.

the Union Pacific.

The Missouri Pacific will change the run-ning time of its trains November 15. J. W. Munn of the passenger department of the Elkhorn left for Chicago yesterday. The Milwaukee is doing business in its new quarters next to the Wabash office on Farnam street.

Jerry Howe, formerly agent at Superior and Fremont, has connected himself with

S. A. Moshier, late agent at Hastings, has been appointed traveling freight agent, vice W. F. Morphy promoted. The following changes in the Eikhorn Vailey road are announced: W. F. Murphy, traveling freight agent, becomes agent at Superior, Neb.

IN FAVOR OF THE DEPOSITORS, Decision of a Kausas City Judge Against a Suspended Bank. KANSAS CITY, Nov. 7. - After a hot legal fight, depositors of the suspended Kansas City Safe Deposit and Savings bank, who brought suits against the officers and directors of the bank to recover their deposits, won a victory today when Judge Roland Hughes overruled the demurrers of the defendants and ordered them to be ready November to for the trial of all suits which were filed in the circuit court at Independence. The defendants attacked the constisuits were brought, and claimed that in any event, depositors must exhaust their remedy against the bank before they could sue the directors. Judge Hughes holds otherwise. His decision affects about 200 suits brought at Independence, aggregating \$250,000. Sim

ludges. Award for Roadmaking Exhibit. WORLD'S FAIR, CHICAGO, Nov. 7.—The highest award was given the Western Wheeled Scraper Co., of Aurora, Ill., on road machines, wheeled scrapers, grading plows, drag scrapers and elevating scrapers. Thirty six miniature machines were shown making roads.

Har suits are pouding before three other

Mr. Weinberger created a disturbance at the Midland hotel yesterday, and when a special officer endeavored to arrest him he resisted. He is now at the station charged with resisting an officer.

When Baby was sick, we gave her Castoria. When she became Miss, she clung to Castoria.

When she was a Child, she cried for Castoria.

When she had Children, she gave them Castorie
