

AGAINST THE GAS ORDINANCE

Another Move to Defeat the Scheme of the Corporation Grabbers.

PROPERTY OWNERS FILE A NEW PETITION

Defects in the Ordinance Pointed Out and Charges Made Concerning the Means Employed to Secure the Passage of the Measure.

The equity division of the district court, presided over by Judge Ferguson, was the legal magnet that possessed the district court yesterday morning. There the arguments on the celebrated gas ordinance were booked for a hearing in the suit brought by W. S. Poppleton to restrain the city council from granting, free of cost, a fifty-year franchise to the Omaha Gas Manufacturing Company.

THE FAIR TO LIVE AGAIN

Its Artistic and Educational Features Perpetuated.

Government Appropriation \$30,000 for This Purpose—The Results to Be Preserved at Washington as a Record of the Exposition.

Months ago, when even the idea of the World's Columbian Exposition was young, the government foresaw the great importance of the event and took care that it should not pass unrecorded. The large sum of \$30,000 was appropriated for the purpose of securing a photographic record of every important moment of the fair.

HEALTH RESTORED.

Kickapoo Indian Sagwa Cures a Severe Stomach Trouble.

Gains Thirty Pounds in Weight

Kickapoo Indian Sagwa has been a good friend to me. In the Spring of 1892 I was afflicted with Gastritis, from which I had been a sufferer for over a dozen years and had vainly sought relief both from the medical profession and various remedies.

THANKSGIVING.

Is not the day when you swear off for a year. Its a day devoted to thanks. 68 millions of people who form this model American nation, feast, rest, rejoice and honor the day. Each blessed soul has something to be thankful for, even the young man whose sweetheart has married another. Some express gratitude for a democratic administration. Some Iowa politicians thank because some 30 odd thousand voters have sympathized with him in his efforts to retire to private life.

Going to have a turkey dinner that'll last a week. Man and boy will get a slice. Carving pieces on 6 pretty, warm, long and durable ulsters. Anticipate buying one this season, eh? Just scrutinize this offer for a minute.

FOUR FIFTY For Boys.

For boys up to 20 years old. We carved an \$8.00 ulster down to \$4.50, just because we can't afford to sell it at less. Would have been \$8.00 if we didn't have that brainy buyer with eagle eyes back east. 2 styles—2 colors—gray and brown—Shetland cloth lined with fancy checked stuff.

SIX FIFTY For Boys.

As old as 20 years. It would take a \$10 bill to buy one—and there wouldn't be a dime wasted as far as honest value is concerned. Again 2 colors—2 fabrics—one of black chinchilla—one of gray shetland—one style—the newest of shawl collar and exquisitely ornamented with passamenterie—lined with fancy checks.

TEN FIFTY For Men.

Every size known. Here we carve the "best" of the Thanksgiving Turkey and throw in the sauce. If it ain't the best ulster ever obtained by man for \$15 we'll agree to throw in the champagne. 2 colors—2 fabrics—Take your choice. The gray is an Irish Frelze, extremely long and a fort against cold—The black is of a fine Shetland overcoating, with shawl collar, passamenterie trimmings—Both lined with contrasting blue or gray linings that usually serves to denote an aristocratic appearance to the garment. Consider this our Thanksgiving treat.
