We are compelled to quit. Anything at any price.

**NEAT = = CLOTHING**  
STYLISH = = SERVICEABLE

THAT IS THE KIND THAT WEARS;  
THAT IS THE KIND YOU WANT;  
THAT IS THE KIND WE SELL.

While we do not claim to excel in all kinds of first-class clothing, we do claim to carry as fine a stock as anybody, and now that we are **COMPELLED TO QUIT** we add to this the inducement of price, which is in nearly every case just half. Not another such an opportunity will occur in a thousand years. Take in these prices. Come and examine—you're not compelled to buy. We recognize no competition at all—in fact, the goods must be sold, and if one price won't do it another will. Any merchant can buy these goods at these prices and make big money. No reasonable offer refused. A \$100,000 stock is not sold in bulk for cash every day, but if we keep on reducing it it won't be long until some dealer will be able to handle it.

**COLUMBIA CLOTHING CO.**  
COMPELLED TO QUIT. Now at 13th and Farnam.

We will never resume again. Anything at any price.
