## REPUBLICANS' CLEAN SWEEP

Details of Tuesday's Election at the Capital City.

### SOME CANDIDATES HAD A SCRATCH

Barney McGinn Will Not Hang April 13 for the Murder of Ed McKenna at Omaha—Efforts to Save His Neck.

LINCOLN, April 4.—(Special to The Bee.)—Lincoln Republicans are congratulating themselves over their victory of yesterday. The results of the election are somewhat surprising. They prove that nothing but the fact that the city is overwhelmingly republican in its proclivities saved one or two of the candidates from defeat. City Engineer Dobson, who has already served one term very acceptably, had no opposition, receiving 4,269 votes. Next came City Attorney Abbott, who was also a candidate for re-election. He had but one opponent, who received but 873 votes, leaving Abbott 3,849. Police Judge Waters was opposed by two candidates, and he was very glad to come through with a majority of 406 over Royce, the democratic nominee. The republican councilmen were elected in six wards by the following majorities: Lawlor, 286; Graham, 298; Webster, 165; Parker, 357; Sawyer, 273; Meyer, 49; Dalley, democrat, was elected in the First ward by a majority of 114. In order to secure this election his friends were compelled to sacrifice 149 votes for Royce, the democratic candidate for water commissioner.

tween Bishop Bonacum and Father Corbett comes from Elmwood, in the latter's parish, where the church doors were found nailed and barricaded on the inside. The doors were thus treated in order to prevent Father Smith, one of the priests, from going to the bishop, from officiating instead of Father Corbett.

### SUSPENDED HIS SENTENCE.

Barney McGinn, the man who murdered Edward McKenna in Omaha July 29, 1893, will not hang April 13, as per sentence of Judge Scott. He has appealed to the supreme court for a new trial and today the clerk of the court served official notice upon Sheriff Drexel to the effect that the death sentence would be suspended indefinitely. The grounds upon which McGinn's attorney asks for a new trial are somewhat unusual. He cites the fact that after he had been convicted by the jury Judge Scott ordered by a so-called board of directors to be confined in the Douglas county jail until the case in error is disposed of.

### GOSSIP AT THE STATE HOUSE.

The supreme court today suspended the sentence of W. C. Coffield, who was convicted of forgery in Douglas county and sentenced to the state penitentiary in the state penitentiary. Coffield asks for a new trial, and in suspending the sentence the court orders him confined in the Douglas county jail until the case in error is disposed of.

### NEBRASKA KNIGHTS TEMPLAR.

Williams of York; G. J. W., J. C. Williams of Grand Island; H. C., Akin of Omaha; grand recorder, W. R. Bowen of Omaha; G. S. B., Thomas B. Rees of McCook; G. S. B., R. H. Henry of Columbus; G. W., S. P. Davidson of Tecumseh; C. Y., F. E. Bullard of North Platte.

The next annual meeting will be held in Omaha at the usual time. The Norfolk Knights Templar entertained the visitors in a most agreeable manner. The hotel accommodations of the city proved ample and the delegates expressed themselves as highly pleased with their stay and the cordiality shown them on every hand.

### Hubbell Happenings.

HUBBELL, Neb., April 4.—(Special to The Bee.)—The blue Jay social given at the residence of Rev. C. M. Junkin by the Society of Christian Endeavor of this village Saturday evening was largely attended.

Davis Pike's new residence in the upper part of the city has been completed, and he will move into it at once.

Jacob Sholl is having the foundation of his house laid and will commence the erection of the main structure soon.

Real estate here has been changing hands freely lately, and Hubbell is making good strides upward.

J. M. Doyle of Alexandria will soon become a resident of this place. He will arrive here within the next few days and at once make the necessary repairs on his house, after which he will remove his family here.

Clay County Mortgage Record.

CLAY CENTER, Neb., April 4.—(Special to The Bee.)—The mortgage indebtedness of Clay county for the month of March is: Fifty farm mortgages filed, \$53,348.35; fifty-six satisfied, \$59,796.25; thirteen city mort-

gages filed, \$11,118; thirteen satisfied, \$12,673.30; 170 chattel mortgages filed, \$29,251.24; 122 satisfied, \$27,092.96.

### Italy Burned to Death.

NELIGH, Neb., April 4.—(Special Telegram to The Bee.)—The 3-year-old girl of Anthony Gerst, who lives west of Elgin, this county, was burned to ashes yesterday. The parents were at work some eighty rods from the house and had left their child in care of her 7-year-old brother. The boy came running out to his parents with the cry that the house was on fire. The house was small and before help arrived it was consumed. Brave efforts were made by the father to find and rescue the child, but she was so badly burned that the coroner viewed the remains, but no inquest was held.

### Could Not Open the Safe.

HASTINGS, April 4.—(Special Telegram to The Bee.)—An unsuccessful attempt was made during the night to blow open the safe at the St. Joseph & Grand Island depot here. The burglars were apparently greenhorns at the business. They broke into the second floor and used tools with which they attempted to force the safe. They succeeded in breaking the knob of the combination, but could not open the door. In the process with the tools they were using they were so badly burned that they were obliged to pay an expert crackman for his trouble. No clues have been found and no arrests made.

### Freight Train Ditched.

GRAND ISLAND, Neb., April 4.—(Special Telegram to The Bee.)—The rear axle on engine 721, pulling train No. 19, on the Union Pacific, broke when five miles west of here this afternoon, ditching four cars and causing a delay to the passenger of five hours. One car of merchandise, one of chopped feed, one of coke and one empty stock car are a total loss, but the contents will show very little loss.

### Right Near Arbor Lodge, Too.

NEBRASKA CITY, April 4.—(Special Telegram to The Bee.)—The republicans celebrated yesterday's victory tonight in grand style. The band led the procession, and fireworks, bontons and crackers furnished the noise. Mayor Bartling made a neat speech, which was loudly applauded. Republicans are enthusiastic.

### St. Paul Knights Templar Pleased.

ST. PAUL, Neb., April 4.—(Special Telegram to The Bee.)—A telegram from the grand commandery now in session at Norfolk to the St. Paul knights of this order, announcing that Mount Ararat commandery of St. Paul had been granted a charter, in consequence of which the Knights Templar here are all jubilant.

### Prominent Adams County Man Dead.

HASTINGS, April 4.—(Special Telegram to The Bee.)—Ben B. Snodgrass, ex-county commissioner and a well known Adams county farmer, died yesterday in the Presbyterian hospital in Chicago. The remains were brought to Hastings for interment this afternoon. Mr. Snodgrass was highly respected.

### Railroad Property Threatened.

NEBRASKA CITY, Neb., April 4.—(Special Telegram to The Bee.)—The river has been rising rapidly for the past three days. Below this city, between Peru and Brownville, the river banks are being cut rapidly and the B. & M. railroad has been compelled to move its tracks nearer the bluff.

### Wind and Hail at Lyons.

LYONS, Neb., April 4.—(Special to The Bee.)—A terrible hail, accompanied by a light rain, struck this part of the state last night. The hail was so heavy that it was impossible to move the tracks nearer the bluff.

which did considerable damage to tomb stones and also destroyed a great number of the corner stakes, which will necessitate a considerable amount of extra work unless attended at once.

### Cannot Collect the Taxes.

HASTINGS, April 4.—(Special Telegram to The Bee.)—The decision of the supreme court in the case of Rittenhouse against Bigelow is of peculiar interest to Hastings people. The action was instituted by Mayor Rittenhouse for himself and other taxpayers to restrain the county clerk and treasurer from collecting certain taxes levied by a so-called board of directors.

### Narrowly Escaped a Horrible Death.

TECUMSEH, Neb., April 4.—(Special Telegram to The Bee.)—Mary Messinger, the 15-year-old daughter of William Messinger, a farmer living four miles southwest of this city, had an exceedingly narrow escape from death this morning. She was riding on a stake cutter in the field and her team becoming frightened, ran away. She was thrown clear of the knife in falling from the cutter. Her left shoulder was broken and she suffered a severe scalp wound. She will recover.

### To Make the Indians Responsible.

PENDELL, Neb., April 4.—(Special to The Bee.)—The Omahas and Winnebagoes are practically unanimous in desiring abolition of the agency. What these Indians need is self-reliance to learn to think and act for themselves. This they will not accomplish under agency system. They are told they are citizens, but are treated as wards. The abolition of this agency would be a great step toward the practical citizenship of these two tribes, it is thought.

### Killed by an Overdose of Morphine.

CHADRON, Neb., April 4.—(Special to The Bee.)—Edward Adams, keeper of a house of ill-fame in this city, was found dead in his bed yesterday morning at 5 o'clock, suffering from an overdose of morphine, and although physicians worked over her until 2 o'clock this morning, she died from its effects. She formerly resided in Rapid City, S. D. Whether the drug was taken with suicidal intent is not known.

### Winter Wheat in Danger.

STROMSBURG, Neb., April 4.—(Special Telegram to The Bee.)—Winter wheat is being greatly damaged by the extreme dry weather and high winds. Some fields are almost a total loss, and farmers are preparing to reseed their wheat as soon as possible. The damage to small grain will be far reaching in many localities. There is not enough moisture in the ground to sprout the grain.

### Farm Work Progressing Rapidly.

FULLERTON, Neb., April 4.—(Special to The Bee.)—Farmers in this vicinity are progressing rapidly with their spring work, as the soil is in excellent condition. Heavy winds have prevailed here for the past two weeks, and a good rain would be acceptable to all.

### Nebraska Woman Severely Hurt.

BEEMER, Neb., April 4.—(Special Telegram to The Bee.)—Yesterday Mrs. Ruby, living eight miles north of this place, was thrown from a buggy and severely injured.

### Bound to Have Good Roads.

SURPRISE, Neb., April 4.—(Special to The Bee.)—At the annual meeting of Road township board that body agreed to purchase two road grading machines at a cost of about \$500.

## ARMY IS AT PITTSBURG NOW

Commonwealers Having at Least One Day of Free Grub.

### SOME OF THE LEADERS ON EXHIBITION

General Does Not Like the Latest Notion of Some of His Lieutenants but Will Not Talk About It, Coxy and Brown Missing.

PITTSBURG, April 4.—A drizzling rain made things decidedly uncomfortable for Coxy's Commonwealers today. The night was spent as comfortably as the circumstances permitted, and breakfast was served at the regular hour. Fresh meat formed a luxury on the bill of fare. Shortly after breakfast General Coxy and Marshal Brown disappeared, and at 11 o'clock had not returned to camp.

General Coxy does not seem to like the idea of "Seer" Kirkland, "Woody" Her, Jasper Johnson and Bunko Hill, the dog, exhibiting themselves at a local museum, but he refused to say whether the money received would go into the funds of the Commonweal or into the private coffers of the members who were on exhibition.

All the speeches of the Commonweal leaders are on about the same lines, although they speak entirely at random. Mr. Coxy says he never knew what he was going to say before he was asked to make a speech, but he refused to say whether the money received would go into the funds of the Commonweal or into the private coffers of the members who were on exhibition.

Coxy and a large number of his followers have decided to take a trip through the southern states as soon as the mission in Washington is fulfilled, with a view to converting as many southern people as possible to the ideas advanced by Coxy.

PITTSBURG, April 4.—The lockups were filled last night with men belonging, or claiming to belong, to Coxy's army. There were many who sought lodgings in the Alleghany hotel. Some had badges and others said they had just joined. Today they were brought before Magistrate McKelvey and sentenced to thirty days in the workhouse each. Later it was developed that several of the men were really unemployed workmen and not ordinary tramps and twelve were released. The others will live at the expense of the county for the next month.

Mr. Coxy is very much disappointed at the coldness displayed by the populists here. They were to furnish hay and straw for bedding last night, but failed to do so, and the army spent the night shivering. Today they were large donations of straw, hay, meat, soup, bread, coffee and vegetables.

### OAKLAND, Cal., April 4.—The regiment of the industrial army which arrived here last night from San Francisco was allowed to sleep in the Mills tabernacle over night. The army breakfasted on coffee and bread and soon after formed in line of march. It proceeded to the Sixteenth street depot, where it failed to get transportation to Sacramento. This was refused them by the railroad and much talk was indulged in to the effect that if they could not get transportation peaceably they would take it by force. There are 500 men in this lot, at least four-fifths of whom never heard of Coxy. They embrace this opportunity to get out of San Francisco, where there seemed small prospects of their obtaining work.
