

DICK MOORE IS DONE FOR

Dan Crendon Settles the Middleweight Question Beyond Dispute. AUSTRALIAN WAS MUCH TOO STRONG

MINNEAPOLIS, April 27.—The Twin City Athletic club has provided 1,700 seats about the elevated stage on which Dan Crendon of Australia and Dick Moore of St. Paul were to settle the middleweight supremacy, after having fought a ten-round draw at Boston, but there were plenty of vacant seats when the fight was called. Crendon had been the favorite in the betting, and odds of 5 to 2 were being given in his favor. Moore being practically a home favorite, Crendon weighed in at 160 pounds and looked in good condition. Moore weighed 157 and looked fat and a trifle anxious. The timekeepers were Jim Manning of St. Paul for Moore, Billy Halpin for Crendon and W. J. Edwards for the club. Crendon had Shadow, which was trained by Foster brother, and Prof. Frank Lewis of the Columbia Athletic club behind him, while Bobby Dobbs of Denver, Billy Newham and Dr. H. Benton did the like duty for Moore. Sandy Grigg was referee.

From the start the men came together hard, and during the first round Moore was allowed to fight the pass was continuous. The fight was a good one, although it was apparent from the outset that Crendon was the stronger. Moore landed plenty of good ones, but Crendon was not worried. Moore secured first blood from the cheek in the third round. Crendon played for the stomach. Moore was very tired after the fifth round, and at the end of the sixth his right eye was closed. As the seventh opened it was plain that Crendon was fighting for a knock-out blow. Moore was very nervous, and tried to land his right but failed. In the eighth Crendon pushed Moore all over the ring, and in the ninth Moore fell to his side with a short arm right. Time saved him.

The ninth was Tim Waterloo. Moore caught up strong and rushed Dan, who promptly fell him again with a short arm right. He was up, and Dan tried it again. Moore hit back, and Dan gave him a short uppercut with the left on the point of the jaw. Moore went down on his side, and as the fatal ten were counted looked on his hands and spread out his arms, defeated. Before the fight Charles Benton offered to find backing for Bobby Dobbs against any living lightweight.

BUCKENE SAVED HIS BACKERS. Cumberland Prize Well Won by the Popular Favorite in Good Time. NASHVILLE, Tenn., April 27.—Beautiful weather and the prospect of a brilliant contest for the Cumberland Prize attracted about 5,000 people to Cumberland park to witness the opening of the spring meeting. That the field that started for the Cumberland Prize was the best ever seen in the southwest is conceded on all sides, and the race was exceedingly fine, while the victory of Buckene was a popular one, so far as the talent was concerned. The professional element in the main stalked their chances on Lazzaroni and Buckwa. Both of these names had been in bad positions until entering the stretch. Lazzaroni for half the morning saw a general shaking up. Domingo, who had been the favorite, was shot out of the race by Lazzaroni and Buckwa came through and challenging the leader, Buckene, who had been well to the front. Lazzaroni and Buckwa gained at every jump, but passed under the wire still a short head back of Buckene. Buckwa two lengths off. Summary: First race, six furlongs: Ray 8 won, Carlsbad second, Isse O third. Time: 1:34. Second race, one mile: Vallera won, Prof. S. second, Tip third. Time: 2:05. Third race, the Cumberland Prize, \$2,500 added, for 3-year-olds, closed with seventy entries, value to winner \$200, mile and eighth: Buckene, 12 (Thorpe), (8) to 1; won by a short head; Lazzaroni, 22 (Mar), (12) to 1; second by two lengths; Buckwa, 17 (L. Williams), (9) to 5 third. Time: 1:40. Fourth race, one mile and a half: Domingo, La Joya, Maurer Fred and Jamrose finished as named. Fifth race, seven furlongs: Bonnie Lassie won, Ray on second, Mingle Coe third. Time: 1:28. SAN FRANCISCO, April 27.—First race,

People of the Republic Repent the Election of 1892. POWERLESS TO CONTROL REPRESENTATIVES

PITTSBURGH, April 27.—The eighth annual banquet of the America's Republic club in commemoration of General Grant's birthday, was held at the Monongahela house to-night and was attended by prominent republicans from all parts of the country. Among the number were ex-Speaker Reed, Congressman Wanger and Congressman Robinson. General Frank R. Heister, Walter Lyon and General D. H. Hastings. Covers were laid for 375 and every chair was occupied. Previous to the banquet a resolution was adopted ex-Speaker Reed. After full justice had been done to the man, President Torrence introduced General Frank Reed, with the toast "Grant," in which he paid a beautiful tribute to the dead soldier and statesman.

Hon. Thomas D. Reed was the next speaker, and when he rose he was tendered an ovation. His address was impromptu and in part was as follows: The last time I had a good fortune to address this club this country was in a state of peace and prosperity; work was plenty, capital was rejecting in its production, and the regular market was open. The right to sell its services at prices which brought happiness and comfort to all our homes. The thirty years which have passed since that time have seen a steady rise of compensation for service of both brain and muscle, until every day's labor was worth in results what the regular market used to be. The last time I had a good fortune to address this club this country was in a state of peace and prosperity; work was plenty, capital was rejecting in its production, and the regular market was open.

A FIELD OF GOLD

Such is the Character of a Large and Rich Area Lying About Balfour, Colo. RICH ASSAY RETURNS FROM THIS CAMP

Confidence on Every Side that the Present Activity Will Result in Making Balfour One of the Leading Gold Mining Camps of the State. Confidence in the future of Balfour as one of the leading gold mining camps of the state is based upon facts and conditions that not even the most skeptical prospector, better acquainted with other formations, will attempt to deny or explain away. The precious yellow metal exists in quantities about Balfour. This much has been demonstrated conclusively by repeated assays and other tests. All that now remains is to secure such an amount of development as will trace these rich strikes near the mother veins, or large deposits in place, when Balfour will take its place among the steady gold producers of the state.

YOU ARE NOT HEALTHY; DO YOU KNOW WHY? YOU FEEL RUN DOWN; WHAT IS THE REASON? IT IS YOUR BLOOD OUT OF ORDER.

WHAT MAKES BAD BLOOD? DISEASED KIDNEYS. WHAT SHOULD YOU DO? CURE YOUR KIDNEYS. There never has been but one reliable, one standard, one certain cure for diseased kidneys and impure blood, and that is, Warner's Safe Cure. This truth is acknowledged by the best doctors, the most renowned scientific men and the highest authorities in the world. Throughout all Europe, in every part of America, and even in Australia and other distant lands, it is admitted to be the standard, the only remedy for men and women whose blood has become deranged, for men who are unaccountably debilitated, and for women whose lives do not pursue their normal course. These are admitted truths, which you doubtless know, and we trust in reminding you of them, we are doing you a favor.
