

WILL SAVE THE INTEREST

Immediate Action Taken in the State Warrant Case.

QUARTER OF A MILLION TO BE INVESTED

Governor Crouse Takes the Lead Before the Board of Educational Lands and Funds—Holders of These Securities to Be Notified.

LINCOLN, May 4.—(Special to The Bee.)

The members of the Board of Educational Lands and Funds seem to have come to the conclusion that the supreme court was in earnest in its decision in the state warrant case, and as a result there is a fair prospect that the law which has been so long ignored and evaded will be put into immediate operation. Governor Crouse called a meeting of the board at his office this forenoon and the matter was pretty generally discussed. There was no sentiment in favor of further delay. There was some discussion as to the most expeditious course to be adopted. No definite action was taken and the board adjourned to meet next Tuesday morning at 10 o'clock, at which time resolutions will undoubtedly be passed instructing the state treasurer to purchase state warrants to the amount of several hundred thousand dollars. In fact, Governor Crouse presented a draft of such a resolution, this forenoon, and it met with the approval of the board. The members of the board, some suggestions as to changes in the phrasing of the law being made. According to the views of Governor Crouse, there are two objects to be accomplished by the enforcement of the law of 1881. First, to stop interest now piling up on the large amount of outstanding bonds, and second, to prevent further increase of that indebtedness by the registration of warrants issued from time to time in payment of current expenses. It is estimated that there are now outstanding more interest on warrants already outstanding. Governor Crouse suggested a resolution, the draft of which he presented to the board, that the state treasurer to set aside the sum of \$250,000 for the redemption of warrants already outstanding. The holders of the warrants were to be notified in the usual form that the money was ready for them and that the interest should cease on the date of the order recalling the warrants. To meet the second emergency the governor proposed the drafting of a resolution instructing the state treasurer to set aside a certain sum of money out of which he should pay all current expenses upon the warrants, and both of the resolutions were favorably received by all the members of the board, and both are likely to be adopted at the meeting next Tuesday.

The most formidable objection that has been suggested in reference to the first of the governor's resolutions is that the holders of warrants are objecting to surrendering their warrants in response to a call from the state treasurer, rather preferring to hold them as long as possible. This objection is not considered as serious by the board. It, however, decided this morning that should any such point be raised by a warrant holder his case should be taken up by an individual case and the holder should be allowed to commute action in the court for the recovery of the interest. The board also decided to allow the state treasurer to permit further delays by the submission of "friendly suits" to the supreme court.

The members of the board all express their intention to take immediate steps to enforce the law. One of them stated this afternoon that he could not see why the purchase of state warrants differed materially from the purchase of county bonds, as far as the nature of the transaction was concerned. He said that when bonds were placed in the hands of the board never saw and examined them. They had the numbers and denominations and the history of the proposed issue. It was not proposed to state to state warrants. The state treasurer, if necessary, can submit to the board the numbers, date and amounts of \$250,000 worth of state warrants outstanding. The board can easily satisfy itself as to the genuineness and validity of the warrants, for they have been issued under the immediate personal supervision of the state treasurer, and the board has official capacities.

REPUBLICANS WILL MEET.

Brad Slaughter this afternoon issued a call for the meeting of the republican state central committee, of which he is chairman, at the Millard hotel on May 22, for the purpose of calling a state convention for the nomination of candidates for state offices. The call will be issued at the meeting and the basis of representation determined upon. The early date of the committee meeting suggests an early state convention, and the latter will probably be called in August. The prominent republicans who have visited republican headquarters in this city recently have expressed themselves in favor of an early state convention.

VETOED THE ORDINANCE.

Mayor Weir filed with the city clerk this afternoon a message in which he vetoes the telephone ordinance passed by the city council so hurriedly at its meeting last Tuesday night. The veto has occasioned considerable surprise, as it has been generally understood that the new ordinance was satisfactory to the business men who have been opposed to the granting of an exclusive franchise to the present telephone company. Mayor Weir bases his objections upon the grounds that the ordinance was hurriedly prepared and rushed through the council by a suspension of the rules and passed without sufficient deliberation. He believes it is important enough for more thorough discussion and more serious consideration. There is some talk that an effort will be made to pass the ordinance over the mayor's veto, but unless it can secure a few more friends in the council enough votes to override the veto can hardly be mustered.

BEDELL'S BODY FOUND.

Mysterious Disappearance at Bennett, Neb., Finally Solved.

BENNETT, Neb., May 4.—(Special Telegram to The Bee.)—The body of a man terribly decomposed was discovered yesterday afternoon in an abandoned farm house, two miles from Bennett, by two strangers, who reported their ghastly find to the neighbors. It is almost certain that it is the body of Palmer Bedell, who came to Bennett in March, 1893. On January 18, 1894, Bedell left his boarding place in the morning, saying he would not return to dinner. This was the last seen of him, and as he was in the habit of staying away without sending word to his friends they did not worry about him. He has two sisters living here who have identified the body. It is impossible to recognize the features, but the clothing tallies with that worn by Bedell when last seen. Freezing, suicide and foul play are all suggested. The man was found lying on his side with a rag pillow under his head, arms folded and one leg drawn up. He had about \$3,000 loaned out here in the neighborhood. Coroner Crim came to Bennett this morning and held an inquest. The coroner's jury had no evidence before it to show the cause of the man's death, and accordingly returned a verdict that death resulted from unknown causes.

GRANT G. A. K. Greet Church Howe.

GRANT, Neb., May 4.—(Special Telegram to The Bee.)—Commander Church Howe talked for two hours to the old soldiers at the court house this evening. Delegations of Grand Army of the Republic men were present from six counties. Many business houses closed during the speaking and the citizens generally joined in attention to the old veterans. An open campfire was held tonight.

B. & M. Depot Robbed.

HARVARD, Neb., May 4.—(Special Telegram to The Bee.)—The B. & M. depot was robbed of a small sum of money this evening by a tramp who pried the cash drawer open with a spike. He was seen running through the town and two miles north of dark. Officers are on his track.

Hastings Masons Install Officers.

HASTINGS, May 4.—(Special to The Bee.)—Mason No. 11, Knights Templar, publicly installed its officers last night in Masonic temple. The officers in-

INDIANS ARE CITIZENS.

Decision of the Federal Court that Pleases Thurston County People.

PENDER, Neb., May 4.—(Special to The Bee.)

An obstacle to the rapid removal by Judge Sanborn of the United States circuit court at St. Paul, Minn. Several months ago the Flouray Live Stock and Real Estate company of this place leased several thousand acres of land from the Indians on the Winnebago reservation for pasture and other purposes for a term of years, paying thereon thousands of dollars in interest. This was prior to the time when Captain Beck, now acting Indian agent over the Winnebago and Omaha Indians, was placed in charge of the reservation. Beck assumed the responsibilities of his office he ordered all the whites off the reservation, whereupon the Flouray company applied for and obtained a temporary injunction from Judge Dunby of Omaha restraining Beck from interfering with the arrangements already made with the Indians. Beck thereupon was served on the plaintiff, warning that a motion to dissolve the injunction would be heard before Judge Sanborn of St. Paul. The judge held that the Indians, being allowed to vote, as they are in Thurston county, were full-fledged citizens, and that the injunction was therefore null and void. The decision is hailed with general delight all over Thurston county. Had the decision been received a few weeks sooner it would have saved the acre of land planted to crops in this county this season several thousand acres, as there has been almost an unbroken chain of land-seekers from Iowa and other states to the prairie lands of Nebraska since early in March. After learning of the arbitrary action of Agent Beck they were afraid to leave of the Indians, and put into crops without fear of being driven off. It is a big thing for Pender and Thurston county, and at no time since the organization of the county has there been such genuine enthusiasm and general good feeling as prevailed all over the town last evening after the news was received from St. Paul.

Fremont Briefs.

FREMONT, May 4.—(Special to The Bee.)—St. James Episcopal church, Rev. Dr. Mackay officiating, held very interesting Ascension services last night, which were largely attended. Mount Tabor commandery, Knights Templar, attending in a body in uniform.

In the police court yesterday a man giving his name as James Burns was arraigned for petty larceny for stealing a pair of pants from Blumhals' store in Beverly. He was detected by having on his person the same pants missed from the store at that time. He was sentenced to thirty days in jail, fifteen of them on bread and water, and required to surrender the trousers, against which he indignantly protested.

The severe hail storm for many years visited the central part of Dodge county Wednesday night.

H. E. Griswold made a shipment of 250 head of cattle to Liverpool yesterday. C. L. Washburne of Washburne, who is interviewing political wire-pullers in the city yesterday.

There was an alliance rally at the Carey school house, in Saunders county, last night. It was addressed by State Lecturer Fairchild and Organizer Wardell. Quite an enthusiastic meeting was reported. President Reynolds of the Nebraska binder twine factory has returned from a business trip into Illinois, where he has purchased machinery for greatly enlarging the twine mill.

May Infringe Their Lands.

HARRISON, Neb., May 4.—(Special Telegram to The Bee.)—District court has been in session here since Tuesday, with Judge Bartow of Chadron on the bench. Only two cases of importance were tried. In the first an injunction was served on the ranchmen of Upper Hart creek and tributaries restraining them from using the waters of these streams for irrigating purposes, issued by the court in the case of the State vs. the ranchmen. This decision is of vast importance to the people of the Upper creek, for without irrigation their land would be comparatively valueless. These decisions were taken out in 1880 when no settlers were in the county and it was mainly upon the point of priority of right that the case of Tinkham against Priesthoff, contested election case, the judge ordered the counting of two ballots thrown out by the election board, thus electing Tinkham by a majority. Both cases will be taken to the supreme court.

No Forms of Gambling Tolerated.

HASTINGS, May 4.—(Special Telegram to The Bee.)—Mayor McElhinney today issued an order to the chief of police directing him to stop all raffling in the city. This order is directed to the bicycle and clothing dealer who have recently conducted numerous small lotteries in raffling off wheels and clothing. The plan adopted was most attractive, yet profitable to the dealer, and for a few days a certain element seemed crazy over the idea of a bicycle for a few cents. This is a further manifestation of the reform inaugurated by Sunday closing and followed by an order to close the gambling dens and proscribing nickel-in-the-slot machines.

Demise of Captain Matthews.

FAIRBURY, Neb., May 4.—(Special Telegram to The Bee.)—Captain Austin W. Matthews, clerk of the district court, died suddenly last night from heart failure. Captain Matthews was a veteran of the Mexican war and in the late war commanded a company of the Second Kansas cavalry. He had resided in this county since 1874, had served as county commissioner for two terms and was a veteran of the civil war, as clerk of the district court when he died. He was 63 years old. The funeral services will be conducted by the Masonic order and Grand Army of the Republic.

Manufactures of an Old Soldier.

HASTINGS, May 4.—(Special Telegram to The Bee.)—Charles Mundt today filed a petition asking the district court to set aside a deed to his home farm given by him to Mike Britt, alleging duress and mental incapacity. Mundt is an old German with no known relatives in this country, and whose misfortune it is to have accumulated a large property. Last Christmas he became paralyzed and immediately a most disgraceful scramble for his property began. The matter has been in the courts for some time.

Nebraska City Presbytery Meets.

HUMBOLDT, Neb., May 4.—(Special to The Bee.)—The presbytery of Nebraska City held an adjourned meeting here last evening and ordained and installed Rev. R. C. Bailey as pastor of the Presbyterian church. Rev. Dr. Sexton of Seward preached and presided. Rev. W. H. Siles of Table Rock charged the pastor and Rev. H. N. Dunning of Pawnee City charged the people. There was a good audience and the services were interesting and instructive. The place of the fall meeting of the presbytery was fixed at Blue Springs.

With a Wandering Mind.

Mrs. Sullivan, matron of the Women's Christian Temperance Union home, filed a complaint yesterday against Mrs. Fisher, the woman whose story of misfortune was printed in these columns, charging her with being insane, and the case will be investigated by the proper board. The woman was taken to the home Thursday night, but took her departure Saturday afternoon, 29th street, and is now in the hospital at Laurel Hill cemetery.

DIED.

Notice of five lines or less under this head, fifty cents; each additional line, ten cents. BREWER—Hazel D., May 4, 1894, of diphtheria, aged 3 years, 3 months. Funeral at 3 o'clock Saturday afternoon, May 5, her departed body will be buried at 29th street and South Omaha; to Laurel Hill cemetery.

PARK MATTERS.

Contract for a Sewer in Riverview Park—To Build the North Boulevard.

The Board of Park Commissioners met yesterday afternoon and awarded the contract for building 254 feet of sewer in Riverview park to George Tillotson for \$5.98 per foot. The material to be used is Sioux Falls granite and the contract price is about \$300 in excess of the lowest bid on vitrified brick. Residents on Mason street between Twenty-ninth street and Park avenue wanted the board to beautify the north margin of the street with flowers, etc., but were summarily disposed of, as the board was not inclined to infringe upon sidewalk territory.

The question of disposing of the services of a special engineer and turning the work over to the engineering department of the city was discussed and the city Engineer Rosewater submitted a communication stating that the city would probably be willing to agree to that plan if the board would pay \$100 a month for the work. A motion to delay action until the May bill for engineering services came in was carried.

Mr. Millard introduced a resolution in regard to the opening of the prospective North boulevard. It recited the fact that there was no money in the park fund to be used to pay the damages resulting to abutting property, and recommended that the city council borrow the amount necessary for the purpose. The resolution was adopted by a vote of 10 to 2. Judge Lake opposed what he considered a misappropriation of funds, but the resolution passed.

Not from a Light Wire.

In speaking of the fire in the Exposition annex Thursday afternoon, one of the officers of the Omaha Telephone and Electric Light company said that the fire could not have originated from electric light wiring. He said that there were no lightning wires in the building, all having been cut out on March 30, at which time the services was discontinued.

Bankrupt Sale.

B. Ullman & Co., 52 Fountain Square, Cincinnati, O., failed; the Globe of this city bought their stock. They were known to carry the best brands of goods only. Sale positively open Saturday morning; dry goods stores won't be in it at the below mentioned prices. Laundered Monarch shirts, 50c. Boys' all wool combination suits, caps to match, \$1.75. Wilson Bros. suspenders, 5c. G. A. B. blue suits, with 2 sets of buttons, \$5.75. Plain white hemmed handkerchiefs, 1c. Men's all wool suits, \$2.75. HAYDEN BROS., Coupon givers and price breakers.

DIED.

Notice of five lines or less under this head, fifty cents; each additional line, ten cents.

BREWER—Hazel D., May 4, 1894, of diphtheria, aged 3 years, 3 months. Funeral at 3 o'clock Saturday afternoon, May 5, her departed body will be buried at 29th street and South Omaha; to Laurel Hill cemetery.

Dr. Pierce's Golden Medical Discovery

"FOR THE BLOOD IS THE LIFE."

People become thin, pale, puny and "nervous" when their blood is impoverished, or poor. All the tissues are fed from the blood. When the vital fluid becomes impaired, impoverished and poor, the nerves, no less than the muscles, suffer, and sleeplessness, neuralgia, nervous prostration, debility, twitchings, spasms and other distressing derangements follow. Thin, watery, weak, impoverished and impure blood also predisposes to all manner of scrofulous, scalp and skin diseases, and even consumption, or lung-scrofula, is among the common consequences which follow such a condition.

The best remedy is to be found, not in anodyne nerve medicines, so loudly recommended, which only "put the nerves to sleep," and, in the long run, "make a bad matter worse," but in a medicine which "strikes at the root" of the evil by purifying, enriching and vitalizing the blood.

For this purpose Dr. Pierce's Golden Medical Discovery is the remedy par excellence. Unlike nasty cod liver oil and its filthy "Emulsions," it does not make fat, but builds up solid, wholesome flesh and increases the strength, nerve force and vigor of all who use it.

For building up delicate, thin, puny, pale people, both children and adults, it has no equal. It does not render fat people more corpulent, for it does not make fat, but wholesome flesh, thereby rounding out the face and figure of those who, from any cause, have become reduced in flesh below the healthy standard.

For Weak Lungs, Bleeding from Lungs, all Lingering Coughs, Bronchitis, Laryngitis, Catarrh in the Head, Asthma and Consumption, or Lung-Scrofula, in its earlier stages, Dr. Pierce's Golden Medical Discovery is the most positive remedy known to Medical Science.

We have a CLOUD OF WITNESSES to the above facts, but, for lack of space, can here introduce only the few following:

BLEEDING FROM LUNGS, CONSUMPTION.

World's Dispensary Medical Association, Buffalo, N. Y.

Genlman—I wish to say to you that Dr. Pierce's Golden Medical Discovery saved my life and has made me a man; my home-physician says I am cured for forty years yet.

You will remember that my case was a case just between life and death, and all of my friends were sure it was a case of death, until I commenced taking a second bottle of "Golden Medical Discovery," when I was able to get up and the cough was very much better, and the bleeding from my lungs stopped, and before I had taken six bottles of Dr. Pierce's Golden Medical Discovery, I was cured and I could cough and spit as well as I could ever since.

(Before.) C. H. HARRIS, Esq., a new man and ready for business.

And now I feel that it is a duty that I owe to my fellowmen to recommend to them the "Golden Medical Discovery" and Dr. Sage's Catarrh Remedy, which saved my life when all other medicines failed to do me any good.

I will send you with the letter two of my photographs; you will see that a few weeks before I was taken down sick in bed, and the other was taken after I was well.

(After.) C. H. HARRIS, Esq., No. 1022 2d Ave., Hook Island, Ill.

WEAK LUNGS, COUGH, CHRONIC NASAL CATARRH.

MR. ANTON KRATZ, Concord, N. H.

Profuse expectoration; difficult breathing, lasting from one to eight hours. He writes: "I took sick cough medicine for two years. They gave me medicine, but it did not help me, so I got sick again and I could not do anything, and I wrote to you giving my symptoms on one of your question blanks, and asked you about my case. You told me to take your 'Golden Medical Discovery.' I took four bottles and got well and have been well ever since."

ASTHMA. Ten Doctors Failed to Cure! Mrs. Isaac Lotman, of Concord, N. H., writes as follows: "I wish to write you of my brother, Harry C. Trout, who has been sick for ten years with asthma. He has been treated by ten different physicians, who have said he could not be cured. He had to sit up at night, he got so short of breath; he suffered with four or five headaches a day and a bad cough. After taking Dr. Pierce's Golden Medical Discovery and Pleasant Peppermint Cure, he is now able to sleep all night."

H. C. TROUP.

BAD COUGH, BILIOUSNESS, CONSTIPATION.

GEORGE I. WILDER, Esq., of East Wallingford, Vt., writes: "I was feeling very miserable all summer, was very thin, sometimes my bowels would not move in sixty to seventy hours; I would take some laxatives, which would help the matter, but as soon as the laxatives were gone I would be as bad as before and sometimes worse. A doctor called my attention to a bottle of Dr. Pierce's Golden Medical Discovery, and before I had taken half a bottle it felt much better, and by the time I had taken all, I could eat three hearty meals per day, and I felt as well as I have felt for a long time."

When I commenced taking the "Golden Medical Discovery" I thought I was going into consumption, as I had a terrible cough for three or four weeks,
