Embryo Firms in Provisions Tied Over and the Market Soon Became Firm—Corn Slightly Higher and Oats Unchanged—Stocks and Bonds

CHICAGO, May 18.—With the exception of a sharp break in the middle of the session, wheat was firm today and closed 1/4 higher. Corn closed 1/4 higher, oats unchanged for July, and provisions at a slight advance.

The opening trades in wheat showed a slight decline, but the market soon rallied from 1/4 to 1/2, broke from 1/2 to 1/4, advanced 1/4, changed some and closed as stated. There was fairly good buying early, while offerings were moderate and the crowd quiet and nervous, influenced to a great extent by the cold weather, smaller northwestern receipts and the generally overcast condition of the market.
