\$100,000 worth of Merchandise
 NOT SOLD TO US,
BUT CONSIGNED!!!

No responsibility on our part except to slaughter it! Giving the people of Omaha and vicinity the greatest feast of Magnificent Household Goods they ever had at ridiculously low prices. We take our commission and remit the balance.

These goods were shipped by Chicago, Grand Rapids and Philadelphia manufacturers, who are very hard pressed for ready cash. \$40,000 worth from a Grand Rapids house, \$32,000 worth from a Chicago house and \$28,000 worth from a Philadelphia carpet mill. These manufacturers are about to meet their bills and desperation drove them to consign their goods to a few of the largest merchants in the country, as there is no market for merchandise at the present time. We were chosen by them as the most available house in Omaha to take their goods. Buy them or leave them. We shall sell 'em for what they will bring. We'll be out nothing but a commission. You'll be the loser if you leave them. Look at the prices quoted. Bear them in mind. Come and see, whether you purchase or not.

N. B.—We were offered consignments from a few firms in other cities, but as their goods are made for show and glitter and do not give satisfaction, we refused, and gave the preference to the good reliable firms in the cities above named.
