# FROST AND DROUTH DAMAGE

Weekly Bulletin of the Weather Bureau on the Crop Situation.

NEBRASKA FARMERS ARE FEELING BLUE

Rain is Needed at Once to Save the Grain Crops-Corn Not Permanently Injured by the Freeze of Last Week.

The weekly crop bulletin of the Nebraska weather service, in co-operation with the United States weather bureau, for the week ending May 21, is as follows:

The weather of the past seven days has been very trying upon all vegetation. The rainfalf has been so light and scattered as to be practically valueless, while the excessively hot winds of the first half of the week dried out nearly all the moisture in the ground. Added to the complaint of drought, which is now affecting all portions of the state, correspondents are almost unanimous in reporting severe injury to all vegetation by frosts and ice on the morning of the 19th. It is too early yet to form any very accurate estimate of the extent of the damage, but that it has been considerable, especially to fruit, there can be no doubt. Gardens have suffered greatly and most vegetables will have to be replanted. It is not probable that beyond retarding its growth permanent injur; will result to the corn crop. Many fields that were up and being cultivated are wilted and apparently dead, but with reasonable weather they will put forth again and in a very short time recover their growth. Corn planting is about com pleted in all portions of the state.

The following are remarks by correspondents in the various counties of the Butler County-High wind of 16th, 17th and 18th damaged fruit and gardens. Frost

of 18th and 19th killed garden vegetables. Rain is badly needed. Corn and potato crop damaged badly. Cass County-Hot, dry weather during carly part of week checked vegetation.

Listed corn slowly coming up. Frost of 19th
nipped vegetation badly. Very dry.
Clay County—Corn, oats, fruit and potatoes

greatly damaged by frost. Grass dying for lack of rain.
Fillmore County-Very dry. Small grain suffering. Corn cut off by frost on 18th. Potatoes and gardens all cut by frost. Fruit damaged.

Gage County-Dry and windy week, with hard frost on the 19th. Potatoes, garden truck and corn badly frozen. Hamilton County-No rain during week. Oats drying up. Heavy frost on night of 18th. Fruit about all killed. Corn and oats badly damaged. Outlook very discouraging.
Jefferson County—Past week dry windy. Heavy frost on night of 18th injured corn and potatoes. Corn needs rain.

Johnson County—The low temperature of 18th and 19th did considerable damage. Wheat is still in good condition, Apples and cherries appear safe. Lancaster County—Fruit not damaged badly by frost. Small grain almost ruined. Frost on morning of 19th killed most of the

garden vegetables.

Nemaha County-Frost on morning of 19th injured vegetables. Nuckolls County—Hot winds first of week nuckolis County—Hot winds first of week injured wheat and oats. Corn coming up finely and looking well.

Otoe County—Corn all planted. Vegetables and fruit injured by frost. Corn cut

to the ground. Pawnee County-Caterpillars eating corn. Cut worms doing some damage. Prospect for large crop of potato beetles. White frost on 19th injured strawberries and killed tomate and pumpkin vines. Polk County—Bad week for vegetation. Frost on night of 18th killed all tender vegetation. Corn cut to the ground. Rain

Bichardson County-Frost Friday night killed corn on low land and damaged gar-dens. Ice formed in many places. Saline County-Oats and wheat are badly blighted and suffering very much for rain Frost of 19th injured nearly all vegetables. Saunders County-Almost all garden vege-tables frozen on night of 18th. Corn nearly

all planted. Rain needed. Seward County-Pastures are about dried Killing frost on morning of 19th on ground. The outlook very discour-Thayer County-Unless rain comes soon wheat and oats will be ruined. Gardens badly damaged by frost on 19th.

York County—No rain during past week. Crops suffering from drouth. Frost on 19th injured potatoes, oats and corn. Corn plant-ing all done. Potato bugs numerous. NORTHEAST SECTION. Antelope County-Continued high winds and dry weather have been injurious to all crops, while the frost of the 9th did great damage to all vegetation, including rye and oats, which are badly, and wheat, which is

somewhat injured. Burt County—Very dry weather and high winds; the frost of the 19th did much damage to vegetation; a great deal of corn is said to be killed, but fruit not injured. Boyd County-Very warm and dry, frost on the 19th killing corn in low places. Cedar County—Good growing weather early

in the week; corn is up in some places; nearly all corn planted. Colfax County-Heavy frost of the 19th destroyed all fruits, garden truck and set back oats and corn, and maybe destroyed both; very dry.

Cuming County—All crops will suffer unless rain falls soon. The frost of the 19th is believed to have injured corn and oats

Dixon County-Frost of the 19th froze garden vegetables and fruit and wilted corn; ice one-fourth inch thick reported. Dodge County-Very dry and windy seather affecting all crops; frost of 19th quite severe, injuring garden vegetables considerably; within the week the temperature has ranged from 30 degrees to 102 degrees. Holt County-Severe frost on the 19th; ice formed one-fourth to one-half inch thick; all tender vegetables killed and potatoes and

corn suffered in many places.

Knox County-Very destructive frost on morning of 19th, which killed tender vegetation; potatoes killed down to the ground Corn all planted. Pierce County-First part of week very hot and windy, injuring grain to some extent, followed by cold, raw weather later on. Frost and ice of 19th cut potatoes, beans and tomatoes and corn badly.

Stanton County-Fruit and garden stuff eatly injured by frost of the 19th. Washington County-Very unfavorable to growing crops. Potatoes, corn and fruit on lowlands injured by frost of the 19th. CENTRAL SECTION. Boone County-Heavy frost general in county on 19th, killing fruits and vegetables;

corn and small grain also suffered. Buffalo County-Grass and small greatly injured by drought. May wheat and oat fields plowed up and replanted in corn Corn was an excellent stand and corn plowing had begun. Custer County-Crops have made little or no progress; rain badly needed; corn all planted and most of it up; frost on the 19th killed all fruit; ice formed as thick as a

window glass. Greeley County—The past week has been very dry and windy; rain is needed badly; frost of the 19th killed the fruit and nearly all garden stuff. Dawson County-Very much sunshine has dried up most crops; frost of the 19th killed everything that frost can kill; drought has greatly injured all vegetation that dry weather can destroy; fruit nearly all killed ot weather cold weather, dry weather and igh winds have been terribly destructive.

Greeley County—Hard frost of 19th dam-

aged fruits and vegetables; very dry. Hall County-Cinch bugs working in fall wheat and rye; very dry weather.

Howard County-Dry and windy during all
the week. Heavy frost Friday night killed the fr#lf, corn and most of the garden truck.

Merrick County Heavy frost on night of 18th, seriously damaging corn, cats and other small grain. Potatoes frozen to the ground. Apples, plums, stc., a great loss. Dry high winds. Rain much needed.

inds. Itali much needed. Platte County-Front and ice on the morn M'MINVILLE, Ore., May 22.-The resing of the 19th very injurious to vegetation in places. The small grain has been greatly dence of M. Scotts Bluff County—Small grain is up

nicely, but is beginning to need rain. Garden and corn planting going on. Some gardens are up. Thomas County—High winds have damaged small grain and gardens, and on the 19th a severe frost injured potatoes, corn, gardens, etc., but to what extent I am unable to say.

NORTHWEST SECTION.

Cherry County-Dry weather and high winds damaging small grain. Corn doing Sheridan County-Very windy all the week; first half hot and dry; last half cold and wet, with frost on the 19th.

Rock County—We have had a very bad week of it—high winds, high temperature

and low temperature. Frost did much dam Keya Paha County-First part of the week very hot, the last part cold, with local showers which did but little good, high winds drying out the moisture about as rapidly as it fell. Everything needs rain very much. Some wheat fields being plowed under and planted in corn. Corn coming up slowly. Frost on 19th damaged gardens Corn not much hurt.

#### UNUSUAL EXTREMES OF TEMPERATURE Phenomenal Disturbances Reported by the

Weather Bureau for the Week. WASHINGTON, May 22.-The weather ureau, in its report of weather crop conditions for the week ended May 21, says: On the middle Atlantic oast from the Carolinas to New Jersey, over the states of the eastern Rocky mountain slope and in the northern portions of the upper Missis-sippi and Missouri valleys, the weather has sippi and Missouri valleys, the weather has been slightly warmer than usual; elsewhere the weather has been decidedly cool, the temperatures averaging from 3 to 7 degress below the normal in portions of New England and over the entire region from the great lakes to the gulf, while the frigidity in temperature was equally marked on the Pacific coast. The week has been one of unusual temperature extremes, the difference between the highest and lowest temperature amounting to as much as 60 degrees in the upper Missouri valley and from 40 to 60 degrees over the greater portion of the country east of the Rocky mountains. In Kentucky and northern Florida the temperature reached the lowest mountains. In Kentucky and northern Florida the temperature reached the lowest point that has been recorded in May since the establishment of the weather bureau. the establishment of the weather bureau. The rainfall was very heavy in eastern Montana and was generally above the average over Idaho, eastern Oregon and Washington and central California. There was a total absence of rain in Kansas, southwestern Missouri, Oklahoma, western Texas and over the greater part of Arkansas. Drouth prevails in eastern South Dakota, Nebraska, Arkansas, southwestern Texas and New Mexico,

Frost Damage in Missouri, ST. LOUIS, May 22 .- The current weekly bulletin of the Missouri weather service and the State Board of Agriculture, issued and the State Board of Agriculture, issued today, indicates that in some of the northern counties the recent frosts did considerable damage to corn, garden truck, grapes and other tender vegetation. In the central and southern counties the damage was slight. In many northern and western counties crops, and especially grasss and small grains, are in great need of rain, but in other sections the conditions have been very favorable, except in the last two days of the week. The weather was favorable for farm work throughout the week. Wheat and rye are generally doing well. Chinch bugs are reported in many counties, and in the local and Monroe counties some fields will have to be pastured or plowed up. In the northwest section oats are poor and suffering for rain. In other sections they are doing fairly well.

Iowa Suffers Most from Hot Winds. DES MOINES, May 22.-The Iowa crop oulletin says: Reports of frosts and freez ng temperature on the 19th and 20th come ing temperature on the 19th and 20th come from all sections of the state, but the extent of damage cannot as yet be determined, Garden truck, grapes and small fruit suffered most severely. In many sections corn was cut to the ground, but it was only checked in growth and not materially injured. Small grain crops have suffered more from hut, dry winds than from freezing. In the larger part of the state the hay crop will be considerably shortened by the drouthy conditions. Itain is needed in all sections. The acreage of corn has been materially increased over last year, and the outlook for that crop is unusually promising.

MINNEAPOLIS, May 22.—The weather rop bulletin of Minnesota weather service ed today, says: In the Red river issued today, says: In the Red river valley conditions have been favorable, although the high winds did some injury. Small grain is up and looks well. In the central section excessive rainfall made replanting of corn and potatoes necessary. High winds damaged fruit, while the frosts cut down much tender vegetation. Potatoes are up, and there will be a large acreage. In the southern section the frosts did permanent injury to the fruit and garden truck. Small grain is in good condition. Chiach and potato bugs have appeared in Wabasha and Blue Earth counties.

Crops Spoiled in Hillingis. SPRINGFIELD, Ill., May 22.-The Illinois

rop builetin says: Frosts occurred on the 19th and 29th, which did some damage to gardens and small fruits and to corn on low ground. In the vicinity of Parkersburg, Richland county, considerable v heat has developed in some fields, and the rield will be less than was expected. Bust is reported in some fields, while chinch bugs are reported in some fields, while chinch bugs are reported in the wheat in a number of counties, but little damage has been done. Some fields were injured by the hall of the 19th. Corn planting in now practically completed over the state. Some fields on low ground were injured by the late frosts. 19th and 20th, which did some damage to

## AFFAIRS AT SOUTH OMAHA

New Water Works Company to Be Formed by McShane and Others.

#### PLANT WILL BE ERECTED IMMEDIATELY

Local Lodge of United Workman Celebrates Its Seventh Anniversary-Arrangements for the Observance of Memorial Day -Other Magic City News.

The ordinance granting John A. McShane the privilege of placing water mains in this city means that South Omaha will have another water works company. The company is being organized for the purpose of giving the Stock Yards company and the packers better water service. The packers will be largely interested in the enterprise. The company is not being organized for the purpose of bucking the American Water Works company, but simply to give the citizens here better water service. As it now is,

the water supply is limited and unsatisfac-tory to the large corporations.

A short time ago Mr. McShane had the water taken from the river at this point analyzed and the chemist reported that the water was pure enough for household use. The pumping station will be located at about the foot of Missouri avenue. Three large settling basins will be put in. Two reservoirs will be built on the hill above the stock yards that will held 2,000,000 gallons each. A thirty-inch main will be run from the river to the stock yards. The work will be commenced at once and it is estimated that it will cost the company

#### \$250,000. All the work will be completed within a year. United Workmen Anniversary.

Seven years ago last night South Omaha odge No. 66, Ancient Order of United Workmen, was instituted in this city with a membership of sixteen. The anniversary of that event was celebrated last night in a fitting manner by giving a picnic and parade. The weather was unfavorable for a picnic, but in spite of the chilly atmosphere the turnout was large and the evening was enjoyably

spent by those who attended.

The parade was formed at Twenty-sixth and N streets, consisting of all the Ancient order of United Workmen lodges in both Omaha and this city. Dr. W. H. Slabaugh was the chief marshal and was assisted by Messrs. F. A. Broadwell, W. H. Queenan, M. F. Blanchard and Thomas Hoctor. The Mus cal Union band furnished the music and the procession was several blocks long. Hundreds of citizens gathered along N and Twenty-fourth streets to witness the parade and then followed on to the park. Little Walter Looker was in the procession with his team of goats hitched to a little wagon and was quite an attraction. Paul had his wagon decorated with flags and evergreens. He also had a big buck goat in the wagon. The members of the order made a fine showing and were cheered as they marched out Twenty-fourth street to Syndicate park. At the park a string band furnished music for those who wished to dance, and hundreds enjoyed themselves in this manner. The different crews gave exhibitions in drilling on the dancing platform and were warmly encored. Mr. S. R. Patten of Omaha de-livered a short address and was followed by Rev. R. L. Wheeler, who talked for thirty minutes on the benefits of the order. The Ancient Order of United Workmen Glee

club sang several songs during the evening and altogether the program was very entertaining. The gentlemen who had the management of the celebration in hand were Jacob Jaskalek, W. H. Steusloff, J. H. Hopkins, J. A. Hall, G. W. Howe, M. V. Doyle, C. W. Miler, H. E. Wilson, S. E. Elkins, W. H. Looker, W. E. Mills and M. A. Martin.

Memorial Day Arrangements. Memorial day will be quietly observed in this city by the members of Robert Livingston post No. 282, Grand Army of the Republic, and other old soldiers and sailors. FOR GRAND LARCENY. Party Arrested in Omaha for Robbing a U ion Pacific Depot.

On information of Sheriff Whitmore of Green River, Wyo., the police yesterday arrested T. E. McCormick on the charge of grand larceny, alleged to have been committed about eight weeks ago. The tele-gram cited also that McCormick left Green River about six weeks ago and that the police there had advices he was in this city living with a brother. The police went to the residence of his brother, in the rear of 511 South Sixteenth street and located the

man there.

The only information as to the nature of the charge is that some one entered a way station of the Union Pacific near Green River and took property to the value of about \$100. McCormick is a telegraph operator and it was learned was engaged by the Union Pacific as such. He went to the way sta-tion that was said to have been robbed and worked there a few days.

McCormick says he is absolutely innocent of any crime. He admits being at Green

River and working there a short time, but says he is completely ignorant of any robbiry.

John R. Bickford of Sloux City took out a marriago license yesterday for wedding Isa-

bella Bickford of Denver. These parties were married a few years ago, but could not agree, and by mutual consent a divorce was procured. After living apart for several months they concluded that they had been rather hasty in separating and it was agreed that they would come to Omaha and get the natrimonial knot retied in such a manner it would hold them together forever
