PLANS BEING MADE FOR AN ELABORATE CELEBRATION OF INDEPENDENCE DAY.

The business men of this city have proposed to have a celebration in this city on the Fourth of July that will lay in the shade all efforts in the past. It has been a long time since the citizens of this place have attempted anything of this sort and they propose to do the matter up in good old fashioned style no matter what the expense may be.

Weather Bureau Changes. J. Pemberton Slaughter, recently stationed at Wood's Hill, Mass., has been assigned to duty at the local weather station.
