Sale but Overlooked.

Notwithstanding the care taken in any business, it is a certainty that some certain lines of merchandise will be overlooked. This has been demonstrated beyond a doubt at our May sale that the smaller articles have not had the proper attention.

Now that we have come to it, you may expect some useful and desirable articles at unexpected low prices as a visit to our show window will prove to you. That statement is not altogether without foundation.

We refer you to the special prices and display of the following windows: Ribbon and lace, soaps, toilet articles and stationery, notions of every description, and in each window, display of children's gauze underwear, all sizes, at 10c each, worth as high as 35c.

The new pavilion bears a decided resemblance to the old, and it will be more than ever the objective point of all who desire a first-class pleasure resort. The new pavilion was warmly praised. The work of building the new bath houses will be completed today, and the bathing season will open next Saturday, if the weather is suitable. The new beach will be a great attraction.

Taken Back to Missouri.

Sheriff Shackford of Atchison county, Missouri, arrived in this city yesterday, accompanied by John L. Bonta of Rockport, the merchant whose place was burglarized last month. Mr. Bonta identified the goods found in the possession of George Snowden as those stolen from him, and Snowden was taken back to Rockport on the night train. Bonta paid about \$400 worth of goods, and only about \$60 worth was recovered. The rest is supposed to be hidden away by the young man's confederates. Snowden is the son of a prominent liveryman of Langdon, a small town near Rockport, and has hitherto stood well in his community. A part of the stolen property was found in Snowden's livery stable on the morning after the burglary had been committed, and that was the first inkling they had of his crookedness.

JOSEPH PIRENELL'S MISTAKE NEARLY COST HIM HIS LIFE YESTERDAY MORNING.

THE SPEAKER WAS ONE OF THE LEADING PHYSICIANS.

"WITH THE MALARIA IN THE AIR AND THE DANGER IN THE WATER," HE CONTINUED, "PEOPLE NEED TO EXERCISE THE GREATEST CAUTION. THE PEOPLE WITH THESE THINGS ARE THAT THEY COME UNAWARE AND ARE OFTEN UNPREDICTED. THE GERMS OF MALARIA ARE DRAWN IN BY EVEN BREATH, AND CAN SWALLOW WATER.

THE DOCTOR LOOKED THOUGHTFUL FOR A MOMENT, AND THEN CONTINUED. "THERE IS BUT ONE WAY TO GET RID OF THE DISEASE, AND THAT IS TO BE WATCHFUL. INSTEAD OF DRINKING ICED WATER AND OTHER THINGS ALL THE WHILE, AND IN PLACES OF PERMITTING HOT AND FOUL AIR TO SUFFUSE MIND AND BODY, IT IS BETTER TO BREATHE CLEAN AIR AND TO CHECK THESE THINGS ON THE START."

IT IS BUT ONE WAY THAT THIS CAN BE DONE, AND THAT IS BY THE USE OF SOME PURE STIMULANT CONSTANTLY OR WHEN THE SLIGHTEST FEELING OF SICKNESS APPEARS. THE ONLY PREPARATION WHICH HAS BEEN FOUND TO BE CERTAINLY GUARANTEED AGAINST THESE TROUBLES IN TIME OF DISEASE IS DUFFY'S PURE MALT.

THE DOCTOR'S INJURIES RENDERED HIM UNABLE TO WORK, AND HE WAS SO SERIOUSLY INJURED THAT HE MAY NEVER WALK AGAIN.

THE MEDICAL WOMEN WOULD CONQUER THE DISEASE, PROVIDED THE WATER AT THIS SEASON OF THE YEAR BY MIXING DUFFY'S PURE MALT WITH IT, THEY NEED HAVE LITTLE FEAR OF LOW FEVERS OR MALARIA.
