

THE OMAHA DAILY BEE.

Published every morning. Terms of subscription: Daily (without Sunday), One Year, \$1.00...

Statement of circulation for the week ending June 3, 1894. Total copies 70,187. Less deductions for unsold and returned copies 15,371.

CARLISLE AND THE SUGAR SCHEDULE.

The testimony of Secretary Carlisle before the senate investigating committee clearly establishes the connection of the sugar schedule of the tariff bill...

Secretary Carlisle denies the allegation that he asked that the interests of the sugar trust be protected because of the democratic party's obligations to it...

THE CURRENCY DISCUSSION.

It is expected that the currency discussion in the house of representatives will continue through the present week at least...

ANTHRACITE GOES UP.

The strike of the coal miners and the consequent scarcity of anthracite coal is becoming a subject of concern...

THE SUGAR COATED INQUIRY.

New York World: Instead of investigating the fraud of its own ticker-tape agent, the New York Herald...

THE COMMISSION MUST SHOW ITS HAND.

About three months ago Mayor Bemis requested Chief Seavey to report the number of assignment houses and disolute women outside of the burnt district...

CONFEDERATE BLOWHOLES.

Indianapolis Journal: Rev. Cave, who declared that the cause of secession was the lack of a southern church...

NEBRASKA AND NEBRASKANS.

Potato bugs have appeared in the vicinity of Beatrice. About 200 acres of sugar beets have been replanted in the vicinity of Hazar...

CONSPIRING AGAINST PUBLIC INTERESTS.

Responsibility for the continuance of the coal miners' strike cannot be put upon the general public...

RIGHT MAN FOR THE SENATE.

The Illinois republicans would make no mistake in putting forward Editor Joseph Medill of the Chicago Tribune as the successor of Senator Logan...

A JUDICIAL VIEW OF CORPORATIONS.

It is time that we should reverse, I think, the general policy of the United States of conferring corporate existence upon any lawful purpose...

AWAY WITH THE STAR CHAMBER.

Chicago Post: Hill is for an investigation that will investigate the police and the judiciary...

DEMORALIZING STRIKES.

There is not much ground for belief that there will be any substantial improvement in the moral condition of the strike...

PEOPLE AND THINGS.

Pat Carter of Council Bluffs is an up-to-date inventor. Flying machines are due in his time...

WANTS TO MAKE THEM REAL SOLDIERS.

Speaks of the Efficiency of the National Capital Cadets and How They May be Used in Case War Breaks Out.

WASHINGTON BUREAU OF THE BEE.

WASHINGTON, D. C., June 4. "Congressman Berry of Kentucky and myself," says Congressman Mercer...

THE OMAHA DAILY BEE.

Washington Star: "It really looks," sighed the editor of the Washington Star...

PHILADELPHIA RECORD.

Baltimore American: There are grave suspicions that the queen of May was a water queen.

DETROIT FREE PRESS.

Washington Star: "I really looks," sighed the editor of the Washington Star...
