Front Seat Sent Prices Up in All the Fits Yesterday.

WHEAT WAS QUITE ACTIVE AND STRONG

Cooler Conditions Over the West and the Fear of Still Lower Temperature Tuesday Night Created Considerable Commotion and Shorts Covered Freely.

CHICAGO, June 5.—The front seat sent prices up in all board of trade pits today. Wheat closed 3 1/2 higher for advancing...

What was active, opening trades showing from 1/2 to 3/4 advance, and the market after settling down 1/4, advanced with little reaction from 1/4 to 1/2, closed off from 1/4 to 3/4, and closed steady.

The cooler conditions over the west and the fear of still lower temperature tonight created considerable commotion, and shorts covered freely.

Cables were somewhat conflicting, public advice reporting a decline in futures, while from private sources an advance was quoted.

Shipments from the Baltic and other ports were smaller and exports at New York larger, which were also factors in helping the advance.

There were numerous buying orders in the west and other scattered orders, while offerings were not very free.

The large decrease in the world's visible supply by Bradstreet's 2,000,000 bushels and the low Iowa crop report had a stimulating tendency.

It was reported that the government was buying for foreign account at New York. Corn was very firm and rather excited in times, within the range, and closing near 49 1/2.

The front seat was the chief bull factor. Oats were strong and excited, prices advancing 1/2 and closing at the top.

Bad reports of heavy reduction in corn, wheat and flour stocks last week caused the advance. Provisions advanced all day and closed at the top on the strength in wheat and a scarcity of offerings.

Freights advanced at 1/2 to 3/4 for corn to Buffalo. The leading futures are as follows:

Table with columns: Articles, Open, High, Low, Close. Rows include Wheat, Corn, Oats, Flour, etc.

On the Produce exchange today the butter market was steady and unchanged, creamery 14 1/2 to 15 1/2, strictly first, 15 to 16 1/2.

MAHON LIVE STOCK MARKET

Receipts for Two Days Slightly Behind the Same Two Days of Last Week.

TRADING ACTIVE AND PRICES HIGHER

Beef Cattle Advance a Dime and Close Strong—Cows, Stockers and Feeders Steady—Hogs Raise a Nickel and Close Strong at the Top.

TUESDAY, June 5. Receipts for the two days fall slightly short of supplies for the first two days of last week, but there was a good average run of all kinds of stock, 273 cars in all.

Offerings included plenty of good to choice medium and heavy weight cattle, but the lighter grades were rather uneven.

The supply was not as heavy as dealers were expecting, and with a higher run and a higher market in Chicago, buyers and sellers sought together.

Trades opened active, with prices pretty close to a dime higher than Monday on an average.

Both dressed beef men and shippers and exporters were at all supplies and when the cattle were at all desirable there was no hesitation about paying the advance.

As a result the movement was free throughout and trading was over at a comparatively early hour, the feeling at the close being decidedly strong.

With the usual six or eight loads of cows on sale there was no material change in the market for cowboys and buyers met with a ready sale at steady to strong prices, while on the under grades trading dragged and prices ruled weak.

The calf market was generally unchanged, with prices 2 1/2 to 3 1/2 lower than a week ago.

Rough stock of all kinds was in fair demand at good, firm prices.

Business in stockers and feeders continued to pick up satisfactorily notwithstanding the continued dry weather in many tributary sections of country.

Local rains, however, have improved the country demand somewhat and prices have firmed up on all suitable grades.

There was a fair amount of business transacted with sales largely at from \$2 to \$2 25.

Good to choice feeders are quoted at \$3.00 to \$3.40, fair to good at \$2.80 to \$3.00, and the common grades at from \$2.50 down.

Representative sales: No. 1, 200 lbs., \$3.40; No. 2, 180 lbs., \$3.20; No. 3, 160 lbs., \$3.00.
