

THREE HUNDRED PRESENT

Second Day of the Pharmaceutical Convention at Hastings.

SPORTS A FEATURE OF THE OCCASION

Cole's Park the Scene of Some Lively Athletic Exercises, in Which a Number of Nebraska Pillmakers Distinguished Themselves.

HASTINGS, June 6.—(Special Telegram to The Bee.)—The Nebraska State Pharmaceutical association opened its second day's session of the thirteenth annual convention this morning with about 300 druggists on hand. At the business session held in the morning the applications of twenty-six new members were favorably acted upon and a number of officers and committees reported. Mrs. L. Hellman of Omaha read a paper on "Women as Druggists" and George Moore of Harvard on "How to Prepare an Emulsion." Henry R. Gering spoke on "The Hustling of Iron." A paper on the benefits to be derived from the establishment of a college of pharmacy in the state of Nebraska and the comparative advantages of Omaha and Lincoln as its site, signed "Una," was read by the secretary. The secretary refused to divulge the name of the author. Such modesty was not relished by the association and a committee was appointed to find out the author. This afternoon at 7 o'clock the author and his wife were at the report.

At 2 o'clock the Missouri Colonels, commanded by Daubach, fell in line, and after witnessing Curran's ineffectual efforts to ride a burro, followed the Hastings military band to Cole's park. The sports of the afternoon were witnessed by about 500 people and were as full of fun as the antics of the Colonels.

The results of the sports were: Tug of war, won by the South Platte team of ten men. Egg and spoon race, Mrs. E. E. Ragsdale, first; Mrs. M. O. Miner, second; Mrs. G. H. Butler, third. Sack race, W. G. Smith, first; W. D. Hinman, second; N. E. Jones, third. Ladies' target match, Mrs. Miner, first; Mrs. Reed, second; Mrs. P. Carver, third. Clay pigeon shoot, H. H. Harley, first; W. R. Pedley and H. A. Miller tied for second place. Rock tossing contest, Alfred, first; Simmons, second; Brown, third. Potato race, Wilson, first; Crown, second; Miller, third. Ring contest for ladies, Mrs. Howe, first; Mrs. Shultz, second; Mrs. Kendall, third. Football race, W. P. Carver, first; Teten, second; Daubach, third. Hundred yards foot race for traveling men, Weldner, first; Seaton, second; Bacon, third. A professional card party in Dutton hall closed the events of the day.

BONAUM-CORBETT CASE.

Great Church Trial Will Not Come Up at Nebraska City for Several Days.

NEBRASKA CITY, June 6.—(Special to The Bee.)—The Bonaum-Corbett case will not come up for several days. Court was to have convened today, but was postponed by Judge Chapman until tomorrow, and the great church case will not be reached before the latter part of the week.

This is the litigation wherein Bishop Bonaum seeks to make perpetual the temporary injunction secured against Father Corbett's interference with the Palmyra church. Father Fitzgerald of Auburn is the only witness for the defense who has yet arrived. It is highly improbable that Father Phelan of St. Louis will be present at the trial, as the witness is outside of the state. He cannot be subpoenaed in a civil suit. His deposition, however, will be offered in evidence. There is a suspicion that Bonaum's attorney will ask for a continuance, which will hardly be granted. The defendant's attorneys are ready, and should a continuance be granted they will immediately move for a trial on the merits. The trial is differing in language from the second answer, is virtually the same.

WALL OF WATER APPROACHING.

Kearney Citizens Scared Over the Rise in the River.

KEARNEY, Neb., June 6.—(Special Telegram to The Bee.)—This afternoon the city authorities received word that a wall of water three feet high, followed by another two feet high, was coming down the Platte river and to warn people living along the banks. The farmers living along the river bottom have been notified and most of them have moved to the personal property on to higher ground. Every precaution has been taken by the canal company to prevent the canal from overflowing or the embankment at the lakes to be undermined. The river is now higher than it has been since the great flood of 1893.

Negotiating Colonel Breckinridge.

NEBRASKA CITY, June 6.—(Special Telegram to The Bee.)—At a meeting tonight the Fourth of July celebration was made certain. Sufficient money has been raised to offer good prizes for a band contest, foot races, horse races and other attractions. The committee on speakers is negotiating with Congressman W. C. P. Breckinridge of Kentucky, with flattering prospects for his acceptance.

The continued drought is the source of much anxiety to Otse county farmers. Some fields of corn are past salvation, and unless rain falls soon the prospects are that the crop will be a failure. Chick bugs are also very troublesome. Church Howe was in the city this evening, and when approached by a free correspondent as to the congressional situation in this district he said he knew nothing about it and was making no effort for nomination, but would accept it if tendered later. He felt assured, however, that Bryan's successor would be a republican. Paul Lyon was bound over to the district court today in the sum of \$500. Lyon was clerk at Morrison's jewelry store and got away with several hundred dollars worth of goods, most of which were recovered.

Ex-Sheriff Conley Escapes.

HOLDREGE, Neb., June 6.—(Special Telegram to The Bee.)—Ex-Sheriff Conley, who has been in jail here since February under the charge of embezzlement, got out of jail last night. The escape was made by springing the bars of his cell until the door could be opened without the aid of a key. He went into the room below, his cell being in the second story, and opened a little wicket door used by the warden to hand in food, and thrust his arm through the wicket until he could reach the key, which was hanging on a nail in the kitchen of the jail. By the aid of the key he unlocked the second door and let himself into the kitchen, and from the kitchen out to the yard. The eyes of the key he had about 10 o'clock last night. So far no trace of him has been discovered. He was tried by the April term of district court, but the jury disagreed and he was remanded for a second trial, which would not occur until September.

Epworth League Convention.

FULLERTON, June 6.—(Special Telegram to The Bee.)—The Epworth league of the Grand Island district is in session here this week. There are about seventy-five delegates here from abroad and great interest is being manifested in the work. The Methodist Episcopal church is densely crowded at all the meetings. Among the ministers present are: Presiding Elder Moore, Dr. G. W. Martin of Kearney, J. W. Robinson of Central City, Frank Bross of Columbus, Miller of St. Paul, H. M. Henderson of Belgrade, W. K. Gray and Dr. W. H. Pillsbury. W. K. Gray is president of the meeting.

Cut His Throat with a Razor.

HOLDREGE, Neb., June 6.—(Special Telegram to The Bee.)—Victor Johnson, a young man 25 years of age, single, living seven miles south of this place, cut his throat today with a razor. His landlady heard the razor drop and the gurgling of the blood. He wrote a note and left it upon the stand,
