County Prosecutor Gives a Little Lesson in Criminal Law.

HUSBAND AND WIFE ARE ONE PERSON

Judge Lewis Holds this to Be True and So Discharges the Melzers, Who Were Held for Conspiracy to Blackmail.

As stated in The Bee yesterday morning, the attorneys for Mr. and Mrs. Melzer, charged with attempting blackmail, demanded the discharge of their clients because they were husband and wife, and being one for libel as well as legal purposes could not be guilty of conspiracy.

Yesterday morning Judge Lewis decided the case in favor of the defendants, and Mr. and Mrs. Melzer were discharged.

The case is another instance of a plot against the press, the charge being malicious threats to extort money. But this charge is weak, so Attorney Organ says, in that Melzer did not demand any money of Dr. Mulhern, but simply demanded satisfaction.
